The big day of the season for Kettleby was Saturday, when Amphitheatre Park was crowded for the patriotic demonstration under the auspices of the King Township Reform Association. The farmers, though busy at haying, were all present with their wives and the well filled baskets of all the necessaries for a picnic. Special cars from Toronto and Newmarket were loaded all along the line. It was tag day too, and all the girls, scattered all over the grounds, were kept busy to see that none escaped. A real musical treat was provided during the afternoon and evening by the 48th Highlanders Band of Toronto, and the Highland Pipers under the direction of Lieut. Slater, and the 220th Brass Band alternated in giving selections, popular, patriotic and sacred. The 220th Bugle Band was also present. The football Tournament attracted five teams, two from the 220th Battalion and one each from Newmarket, Kettleby and King, the prize going to the King team after a hard contest. The other sporting events were run off under the direction of Mr. E. Hutchins, of the sports committee, the ladies nail driving contest attracting much attention. Patriotic addresses were delivered by well known men from Toronto and York County. Oliver Hezlewood, Esq. of Toronto spoke feelingly upon the duty of Canadians in York County in the present crisis. Col. Brown, Major Pink and Capt. Davis made appeals on behalf of the 220th. Col. Brown, in emphasizing the present urgent need for men, declared that there should be no privileged class. The farmers of York County had sent many sons to fight for the Empire, but more could still be spared. He cited the case of a farmer in West York who had asked him to supply two men to assist in harvesting the hay crop. That same farmer had five sons of military age and none of them are yet in khaki. He deplored the fact that so much time had to be taken up in recruiting which ought to be devoted to training the men. The Hon. W. L. McKenzie King spoke with his usual brilliancy, and touched on some of the political problems, emphasizing the importance of the nickel industry in Ontario, and the necessity for prompt action for the development of this source of wealth.

### North Ontario W.I.

The Seventh Annual Meeting of the North Ontario district Women's Institute was held in Goodwood on June 13th.  
The attendance was good and the reports from Altona, Beaverton, Brechin, Cambridge, Goodwood, O'Connell, Sandford, Sunderland and Zephyr were a splendid record of work well done. All lines of patriotic and relief work are being done, though our largest contributions have been to the "Red Cross."  
Our retiring President, Mrs. Baldwin of Sunderland gave an inspiring address taking for her subject our motto, "For Home and Country." In the early days of our organization all things centered in the home, and its betterment was our chief aim. Now in the hour of our Empire's need, the women of the Institutes through their splendid organization were and are able to take a leading part, and will always be found doing their bit.  
The district receipts for the year ending May 31, 1916, were \$1682.46 and the expenditures \$1349.23. Cash on hand \$333.23.  
The Officers elected were: Pres. Mrs. Lunau, Goodwood; 1st Vice Pres. Mrs. Geo. Montgomery,

### War Orders

The present industrial activity is due largely to war orders. These, however, will cease with the close of the war. A period of readjustment and retrenchment will probably follow. The prudent man will guard against this now by saving a substantial part of his present earnings or increased income.

Gamebridge: 2nd Vice Pres. Miss Lulu Crosby, Zephyr; Secy. Treas. (re-elected) Miss Kate McKay, R. R. No 1, Brechin; For Board of Agriculture, Mrs. John Thompson, Sandford, Mrs. McClennan, Beaverton and Miss McKay, Brechin.  
The next meeting will be held at Brechin, May 23, 1917.

### Infantile Paralysis

A circular has been issued by the Provincial Board of Health giving instructions regarding infantile paralysis, an epidemic of which has been going on in the United States for some time, and which has recently appeared in Montreal and at least one town in Ontario. Infantile paralysis attacks children chiefly between the ages of two to fourteen and may affect older children or adults. The cause is unknown. It is known however, that the agent causing the disease is present in the secretions of the nose and mouth and the intestinal tract from being swallowed. It is believed to be spread directly from these secretions but it may also be carried by flies. It may become epidemic in the country as well as in crowded city areas and persons who come in contact with the disease may harbour the contagion without contracting the disease; that is, they are carriers.  
The following are some of the instructions given: (1) Every case must be quarantined for a period of six weeks. (2) All children who have been in contact with a case must be quarantined and kept under observation for a period of two weeks. (3) Adult members of the family may be allowed to go about their work subject to the regulations of the Provincial Board of Health and on the discretion of the Medical Officer of Health. (3) In houses where cases appear all doors and windows should be screened, the premises kept clean, and no accumulation of garbage permitted. (5) As infantile paralysis is a most serious disease and in the present epidemic giving a high death-rate, the public is urged to second the efforts of the authorities in every way in order to prevent a severe outbreak in the Province.  
If the disease shows any tendency to spread, special quarantine measures may be necessary.

CARD OF THANKS  
Mrs. E. C. Stouthburg of Sutton West, desires to offer her sincere thanks to the many kind friends for their kind expressions of sympathy, and many floral tributes received during her recent bereavement.  
Mr. and Mrs. Jos. Barkey will be at Jackson's Point for four or five weeks.

### Boy Scouts

Stouffville Troop, No. 1 Canadian Baden Powell Boy Scouts have arranged for a three weeks camp this summer. The camp will be in charge of Robert Rae, Scoutmaster, and Rev. John Mutch, Chaplain, and other assistants, together with a committee of Boy Scouts, consisting of the Leaders and second of the Kangaroo, Beaver and Wolf Patrols, and the Treasurer of the Ambulance Corps. During the first and second weeks, July 15th to 31st, "Camp Connaught" will be found near the 3rd Concession, West End, Stouffville, and at Musselman's Lake August 1st to 8th where the scout picnic will be held on Civic Holiday. The Boy Scouts are daily in receipt of pies, cakes, salads etc. from their mothers and other friends and are having a great time. Come and visit the camp any evening. You are welcome.  
BOYS SCOUT NOTES  
The fine course of lectures on First Aid and Ambulance work given to the boys from October to May by Mr. F. A. Dales are being put to practical use in these summer days. Ask Buster. Through the kindness of Mr. W. H. Todd, Messrs. Mantle and Watson and Mr. Robert Rae, C. A., the Boys Ambulance Corps have received a well equipped carriage and stretcher. Should any of our citizens be under the painful necessity of being ordered to the hospital, the Ambulance Corps is ready prepared to convey the patient to the station, and if required, the stretchers can be put on the train and returned to Stouffville later. This service is ready and can be arranged for at any time, by calling up the Scoutmaster.  
We need a First Aid Kit to use with our Ambulance. The cost of a good outfit would be \$12.50.

How would the Doctors and Dentists of our town like to make this their combined present to the boys Ambulance Corps? The Boy Scouts, attended the annual picnics of the Sunday Schools of the Presbyterian and Methodist Churches, on July 7th and 10th respectively and are invited to assist at the Baptist S. S. Picnic on the 17th inst. Watch for the results of the ball game, school vs scouts, also for the results of the egg hunt. Don't you wish you were a Scout? Join now and "Be Prepared" for the fall work and for next summer.

### Public Health

TWO SIMPLE METHODS OF PASTEURIZING MILK AT HOME  
First method.  
In a small tin pail place a saucer, put the milk in a sealer covered with the glass top or in a milk bottle, stand the bottle of milk, with cap or cover in place, on the saucer, pour over warm water, which is not hot enough to break the bottle, into the pail to fill it within four inches of the top of the bottle. Now stand the pail and its contents on the stove and bring the water to a boil. Then immediately remove the bottle of milk from the pail and let it stand until it is cool enough to handle.

### Library Notes

CANADA IN FLANDERS  
Among the many books dealing with the war this volume stands among the few outstanding ones. Sir Max Aitken, a Canadian with the true Canadian spirit, sheds lustre on the deeds of our gallant troops. He describes in detail, Neuve Chapelle, Ypres and Festubert, giving along with the general view of the battles, personal incidents, deeds which shall go down in the annals of the Canadian heroes fighting for the nation's cause. Sir W. Robertson Nicoll writing in the British Weekly says, "The book should be in the hands of every reader in the Empire."  
The preface is written by the Rt. Hon. Bonar Law and an introduction is written by Sir Robert Borden.  
PRESBYTERIAN CHURCH IN CANADA.  
St. James Church, Stouffville
