The Electric Light Committee contemplate making a change in the hours of service as follows: After Sunday, the lights will come on earlier and be shut off at 11 with the exception of Saturday when they will go out at 12. This change will be made permanent only if it proves satisfactory.

The town was almost deserted on Friday last on account of Markham Fair. The weather was ideal and the attendance the best in the history of the Fair, it being 17,000. The exhibits were good and the races attracted many. The new building is a credit to the work of the Directors who have good reason to be gratified at the success of the Fair.

TORONTO VISITORS. PRESENTATION and ADDRESS

A large number of the members of the Baptist Church gathered at the home of Mr. and Mrs. J. F. Madill last evening to bid them farewell on behalf of the church. The following address, placed in a pretty album along with an envelope containing a sum of money, was read by the Rev. J. D. McGregor:

Dear Brother and Sister,—

As you are about to leave us, we take this opportunity of expressing our regret at your departure and our appreciation of services so faithfully rendered in Church and School. For some two decades you both have been at work in different spheres of Christian activity, one as church Treasurer, the other as Teacher in the Sabbath School and other branches of church work. That the Master has approved and blessed your labors is a matter of record in our church's history and will be fully revealed at the final roll call. May you always be able to say with the Psalmist, "He led us forth by the right way," and take to yourselves the promise given to Moses, "My presence shall go with thee and I will give thee rest."

In behalf of the church and school,
J. D. McGregor
J. H. Ratcliff

Mr. and Mrs. Madill in a few words, expressed their appreciation of the kind words and the gift.
