ROUNDING UP THE FEW GERMANS

Remnant That Escaped Capture Are Penned in Malarial Swamp and Must Soon Surrender.

a-review of recent operations in German East Africa the War Office announces that the Belgians operating near Tabora, in the northern central part of the colony, have inflicted a further defeat on the Germans. In | in the Rufiji valley. the fighting from Sept. 18 to 22 the surviving portion of the German forces, says the announcement, arc forces which had been defeated at Tabora were routed.

under General Smuts are engaged in the main lines of approach are held by clearing the country. A number of the Entente forces. The entire Rufiji small columns are carrying on this valley and the Delta are unhealthy work south-east of Dar-Es-Salaam and malarial to the highest degree, and north-west and west of Kilwa. and are declared likely to become un-Gen. Smuts says his troops have been tenable after the advent of the "lessattempting to drive into the Rufiji er rains" during October.

A despatch from London says: In valyley German posts established north and south of that region.

The remnant of the force defeated by the Belgians was driven eastward and southward, the Germans making an attempt to effect a junction with the main German body concentrated

The bulk of the remaining German now confined in a limited area in the south-eastern portion of the colony, of Along the coast the British forces which all the ports on the coast and

Chancellor McKenna Defends High Rate of Interest on New Treasury Bonds.

A despatch from London, says:-Reginald McKenna, Chancellor of the Exchequer, replying in the House of Commons to criticisms of the high rate of interest payable on the new Treasury bonds and the objection raised that this would lead to their being largely held abroad, said:

"That is the very thing we desire. It must be remembered that we had to pay a very considerable amount day by day in the United States. present we have to find £2,000,000 day for every working day. means a prodigious amount to find every six days."

ment, regarding the large amounts Russians. They are seen everywhere, 46c. being spent in America, by a defence and have greater freedom than any of his action in paying a high rate of others. They sometimes travel un- squabs, per dozen, \$4.00 to \$4.50; despatch from Ottawa says: The interest upon Treasury bonds.

PAY OVER MILLION -IN MONTHLY GRANTS

Government Makes Arrangement

With Patriotic Fund Officials.

A despatch from Toronto says: Hon. T. W. McGarry, Provincial Treasurer, states that arrangements had been made with the Canadian Patriotic Fund Association by which the million dollars granted by the Ontario Government to the fund will be paid over in 12 monthly instalments, beginning in January. A suggestion was made originally that the million be held and paid over to the fund from time to time as amounts were needed. The regular monthly payments of a fixed sum are according to the plan preferred by the fund officials. The million, of course, will be used in looking after the dependents of soldiers who have enlisted from

TEUTONS RECOGNIZE

RUSSIAN READINESS

A wireless despatch from Berne to London quotes the war correspondent of the Vienna Zeit on the eastern front as referring to improvement in the Russian artillery as follows: "It must be recognized that the advantages enjoyed by our armies owing to the Russian shortage of ammunition are disappearing."

GERMANY UTILIZING

ALL HER PRISONERS.

Are Being Used in Various Forms of Employment.

Thomas Curtin, of Boston, continuing his description of conditions in Ger- nal; feed, 92 to 95c. nominal. many, writes in the Times that the British captures of German prisoners is bettering the lot of British prisoners in Germany, the Germans being anxious lest ill treatment bring on reprisals. He emphasizes the value to Germany of its 2,000,000 "prisoner slaves," who now are reclaiming swamps, tilling the soil, building roads and railways, and working in

"Some of your military writers," he track Toronto. says, "leave these prisoners out of their calculations when estimating Germany's man-power. If you had That 2,000,000 prisoners you probably would be able to release 2,000,000 your own people for military service. Mr. McKenna prefaced his state- Most of the prisoners in Germany are guarded to and from work. They are keys, 30 to 35c; geese, Spring, 17 to 19c "It is not possible," he said, "to ap- docile, physically strong, and accus- fowl, 13 to 15c; ducks, 13 to 15c; turinicrangements for the issue of war ply pre-war standards and to say that tomed to lower grade food than any officings certificates will be completed five per cent. is enough or that we other prisoners, with the exception of
