NOTICE

After FEBRUARY 1st, 1918, we will place our business on STRICTLY SPOT CASH basis, and would ask that all accounts be settled by CASH or NOTE, not later THAN FEBRUARY 11th. We are doing this on account of high prices and government control of prices on feed, coal, etc. which leaves the margin of profit so small that we cannot afford to carry the accounts on our books.

RUBBER COMFORTS DANGEROUS
The sale of rubber comforts is prohibited in France because they endanger the lives of infants. Regular feeding, frequent drinks of boiled water, and clean, dry clothing, make a pacifier unnecessary. Better allow a child to cry if you cannot discover and remove the cause, than allow him to form this filthy habit. Upset digestion, adenoids and crooked teeth are a few of the evils attributed to this one cause.

LEMONVILLE

A very pleasant event took place at the home of Mr. and Mrs. Joseph Martin on Thursday evening March 7, when about eighty friends gathered to bid them farewell before they left for their new home on the 9th Concession of Whitchurch. The evening was pleasantly spent in playing games and singing. After spending some time in this way, the gathering was called to order and Mr. and Mrs. Martin were presented with a beautiful mantle clock. The presentation was made by Mr. Thos. Dreyer and the following address was read by Miss Nellie Talbot:
"Dear friends it was with deep regret we heard you were going to leave our midst. During the years you have been with us, you have endeared yourself to us by your kindly words and actions. You are leaving a vacancy in the church, the league the Sunday School and the community which will be difficult to fill. We have met in your home to-night to show our appreciation of the good work you have done, and the esteem we have for you. We would also ask you to accept this clock, as a small token of our love to you. Our prayers and best wishes will go with you to your new home. May God's richest blessing rest upon you and may many years of useful service be added to your lives, and when these are ended a happy entrance into that home above where will have passed away. Signed on behalf of the community, Rev. H. E. PAYNE, THOS. DREYER, H. TALBOT, J. BROWN."

Mr. Martin made a very appropriate reply, and Rev. H. E. Payne also spoke a few words of appreciation of the good work Mr. and Mrs. Martin had done and of the loss the community would suffer in their removal. The evening closed with singing "God be with you till you meet again".
