

## The Lungs of Your Range

There is no flue system just like that of the Pandora Range. Before you buy a range learn about the Pandora method of heat distribution—it is the secret of good baking and of every kind of good work a good range should do. It is the lung system of the range.

# Don't Wait and—Wish Work Now and—Have!

When drastic regulations for the rationing of food come into effect (and such an Order in Council may be made very early next Fall) you will wish then, that you had a crop of nice vegetables ready to take off your garden or nearby piece of vacant land that you could have cultivated if you had *really wanted to*.

Well, all we say is—

# Don't Wait and—Wish

If you have not yet decided to plant a vegetable garden make up your mind to do so now. You will not regret it. There is still lots of time. Potatoes and beans may be planted up to June 1st and these are the best substitutes for wheat and meat.

For good, practical advice upon how to lay out and cultivate a Vegetable Garden, write for a free copy of the booklet entitled: "A Vegetable Garden for Every Home." This has been prepared by the Ontario Department of Agriculture for the guidance of citizens who will respond to this call for increased production.

Arbor Day was observed by our Public School last Friday.

Last Sunday afternoon while the Rev. H. E. Payne and family were at church, someone entered the parsonage by way of the cellar window. He attempted to go up into the house by way of the trap door, but a small kettle of fruit was on the door, was upset and its contents spilled down the steps. This was something which he had apparently not expected for he went out the way he came in. The footprints which were visible were those of a boy about fifteen or sixteen years of age. It would be better if boys of that age were in Sunday School on Sunday afternoons.

The Quarterly Board of the Lemonville Circuit of the Methodist met in the church on Monday evening. The different appointments were well represented. The reports showed this year to be one of the best in the history of the Circuit. The finances are in good condition and the outlook is good. The missionary offering this year is exceptionally good being \$485 or an increase of \$75, besides there was \$194 raised by the W. M. S.

The following stewards were elected for this year: of the Methodist Lemonsville—H. Talbot, G. McKuen, Bethesda—A. B. Steckley, F. March, Peaches—E. Hastings, A. Wegg, Ballantrac—J. Harman, Delegate to District Meeting—A. B. Steckley.
