A Day for the Children

Miss Margaret A. Creyke writes
from Toronto, as follows:
"On arriving in Toronto on Sat-
urday, June 14, I had the pleasure
of attending the annual picnic in
High Park, given by the people who
are interested in the Toronto Relief
Soup Kitchen, to the children and
their parents. The lunch was all that
could be desired, then the children
had games, and gathered the wild
flowers. It really was an inspiration
to the love manifested between the
workers and children and the per-
fect freedom which was very notice-
able, as you would see the little
hands decking themselves with but-
tercups and wild roses. Before leav-
ing there were several hymns sung
and testimonies given, and each one
went away feeling they had spent a
very pleasant afternoon. The work-
ers have organized a "mothers"
meeting and they meet once a week
to do some sewing, have lunch and a
nice social time. Sometimes they are
invited to the homes of the workers
which they consider a great treat.

Board of Trade

The important business of making
arrangements to hold Stouffville's
annual celebration, this year to take
the form of a celebration to honor
of our returned soldiers, failed to
attract a large attendance at the
meeting of the Board of Trade on
Friday evening. Those who were
present, however, meant business,
and decided to hold the celebration
on Civic holiday, Monday, August 4,
at Lake Musselman. The only ob-
jection to holding it at the lake was
the transportation problem and a
committee consisting of Messrs Baker
Huntley, Shaw and Button, was ap-
pointed to solve this difficulty. Dr.
Freel promised to see that the Lake
residents were organized efficiently.
A program of games, races and aqua-
tic sports was decided upon. The
President was instructed to look in-
to the matter of securing suitable
mementos for the returned men.

Differences of opinion were expres-
sed in regard to the parking of cars;
some thought it best to have them
parked on the streets while others
thought separate parking grounds
the better plan. A motion was passed
that the President and Secretary be
a committee to wait on the Council
pressing upon them the advisability
of providing parking grounds, but
that it be not made mandatory.

It was decided to hold another
meeting on Friday evening, June 27,
to go further into making arrange-
ments for the Civic Holiday celebra-
tion and to invite representatives
from the Womens Institute, Wom-
ens Patriotic League and Janey Can-
ucks.

in purchasing the above list of ar-
ticles was \$1,152.34. Of the amount
\$70.00 was a donation from the
Markham township Council.

carried on and there is a decided
improvement in the children and
parents."

DR. D. C. SMITH, Chairman of School Board.

Dr. Smith is one of the many successful men who were born on the
farm but early in life saw visions of greater things in professional
life. Born near Woodville, in the County of Victoria, he trudged three
miles to master the three R's but took such a liking to school that
he continued until he possessed a Third Class Certificate and wield-
ed the rod himself for four years in his native county. Then he went
to Collingwood Collegiate and Toronto Normal School graduating
with a Second Class Certificate. After teaching for one year at Corn-
wall, he resigned to commence the study of dentistry seeing greater
opportunities in it than in the teaching profession. He entered the
Dental College, University of Toronto and the Royal College of Den-
tal Surgeons. Later he took a post graduate course at the Chicago
Dental College and since has taken several post graduate courses to
keep abreast of the times. On looking for a suitable location he
chanced to come to Stouffville. That was twenty years ago and he
has established a growing practice and never regretted the choice
that brought him here. Nor have the citizens regretted it. He has
taken a deep interest in local affairs especially educational matters,
having now been twice chairman of the Board of Education and a
member of the same for eight years, and also a member of the Pub-
lic Library Board for several years. The doctor is a Church worker
too being Superintendent of the Presbyterian Sunday School and the
chairman of the Board of Management. He is President of the local
branch of the British and Foreign Bible Society. He has taken an
active part in the executive work of his profession being chairman
of the Oral Hygiene Association and past president of the Central
Ontario Dental Association. Dr. Smith is a Liberal from old Liberal
stock and he takes a deep interest in all public affairs.

'Bob' Hollidge Drowned

Lieut. Robt. C. Hollidge.

Lieut. Robt. C. Hollidge, M.M. D.C.
M., was drowned at Lake Musselman
on Monday evening at about 8.30
o'clock. The unfortunate young man,
who was not a good swimmer, was
in the water with a number of compan-
ions and had been swimming and
drying from and old punt not far
from the shore. The last thing he
was seen doing was to give the punt
a push and shortly afterwards throw
up his hands and sink, without utter-
ing any warning that he was in dis-
tress. When he did not come up
and it became apparent that some-
thing was wrong with him, his chums
at once began to search for him and
recovered the body after a few min-
utes. Harry Wilson, of Stouffville,
at third year medical student, was
present and under his charge artifi-
cial respiration was resorted to and
continued, under the direction of
Dr. I. A. Freel who arrived in a
short time, for two hours, but with-
out success.

The peculiar circumstances sur-
rounding his death, the fact that he
was drowned in only six feet of
water and that he gave no sign of
distress, would seem to show that
death was due primarily to some
other cause than drowning. The
fact that he had been wounded,
in the head and the side, would make
it seem possible that he had sustain-
ed an injury to his brain at the
front.

"Bob" Hollidge was a son of Mr.
and Mrs. Fred Hollidge, of Vivian.
He, with his brother, "Ted" only re-
cently returned from overseas where
he had served with great bravery,
winning the Military Medal and the
Distinguished Conduct Medal. He
enlisted in 1916 at the age of seven-
teen and went overseas with Col.
Sam. Sharpe's Battalion. At one
time he was a student at the Con-
tinuation School here. "Bob" was
universally popular and his death,
under such tragic circumstances, is
viewed with the deepest regret by
everyone.

The funeral took place yesterday
afternoon from Mount Albert, burial
being made at Hartman.

Vivian, June 25, 1919—A very sad
chapter was added to the misfor-
tunes of Mr. and Mrs. Fred Hollidge
of Vivian, on Tuesday afternoon of
this week. At the very time that
the remains of their son, Lieut. Rob-
ert C. Hollidge, drowned at Lake
Musselman on Monday evening, were
expected to arrive from the under-
taker's, the home of the parents was
burned to the ground. The fire start-
ed through a coal oil stove which
flared up and ignited the building.
It was at first thought that no harm
was done and the blaze completely
extinguished, but within fifteen min-
utes the roof suddenly burst into
flame, and owing to the strong wind
and the condition brought on by the
drought, the whole structure was
soon beyond hope of being saved.
Mr. and Mrs. Hollidge resided at the
Grand Trunk Station at Vivian,
which had been erected some forty-
five years ago.

With all available help from
neighbors and friends a considerable
portion of the household furnishings
was saved, although a number of
valuable articles and treasured pos-
sessions were lost. Lieut. Hollidge's
car and his military papers and
medals were saved.

Mr. Hollidge's son, "Ted" was al-
most overcome by the smoke and
flames while removing some of the
belongings, but was able to continue
in a few minutes.

Neighbors brought their teams
and removed the salvaged posses-
sions of Mr. and Mrs. Hollidge to
places of shelter during the after-
noon.

The family have taken rooms for
the present at Mr. George Bingham's.
