STOUFFVILLE TOURISTS IN ST. PETERSBURG

(By John Lodwick)

Petersburg, Fla., Dec. 23.—Even though the Christmas season rapidly approaches there is no let down in the number of winter visitors arriving in the Sunshine City, halting every section of the frost-bitten North. The social season has begun, days earlier than has custom with the result that the tourist clubs are making a good representation being early date; while the old records which were made at the Bureau of the Commerce for many years here after the New Year.

With a more diversified land and water sport program completed for the entertainment of winter vacationists, there will be no end of attractions for guests throughout the season.

St. Petersburg's new sun bathing solarium is about completed and will be formally opened and dedicated, January 15th. The Good Year Zeppelin airship "Vigilant" is in its winter base at Whitted Field here and is the newest acquisition to the growing air fleet here for the season.

Traffic into St. Petersburg from the main trunk auto highways is at its heaviest. Every state in the union is represented by motor cars here. The yacht "Leonie," owned by Murry Guggenheim anchored in its slip during the week. The "Pegasus" owned by J. H. Wheeler of Jamaica, N.Y. anchored Monday for the season. Three hundred other yachts and house boats will enter the harbor here in the winter season.

St. Petersburg's winter season will open Sunday, December 28th, at the main trunk auto highway. Pictures will be given twice a day here. Dr. and Mrs. Ira Free, motored here for their first winter and have reopened their home at 458 1/2 Ave. North. With them is Ross Lewis, who is enjoying his first visit in the Sunshine City.

Mr. and Mrs. F. W. Silvester, motored here for their first winter and have taken an apartment at the Waggoner, 418 Fifth Ave. North.

MARKHAM COUNCIL HELD FINAL MEETING OF YEAR

The final meeting of the Markham Township council was held at the township hall, Unionville, on Dec. 16th. Reeve John occupied the chair and all 16 members were present.

A communication was received from E. T. Stephens re the bridge on Clark Avenue warning that same was in a dangerous condition. No action was taken as it was pointed out the township has never assumed the road.

Henry Ruthven, of Langstaff, asked for consideration in the matter of payment for Local Improvements on the recently constructed streets at Langstaff. It was pointed out that Mr. Ruthven had been allowed a flankage of 200 feet.

Regarding the construction of the Langstaff Streets under the Local Improvement plan the township as a whole must assume flankages amounting to \$1986.90.

Mr. A. D. Bruce of 6th con. addressed the council regarding payment for gravel and incidentally asked regarding old records of the township which he pointed out were very valuable. Clerk Davison reported that records dating back to the regime of Clerk Crosby were in existence, but he doubted if any previous to that time were available. Mr. Bruce asked permission to peruse the old records which was gladly granted by the council.

The report of the Board of Health was presented by Dr. McKay and accepted by the council. The account of the M.O.H. for the year reported to be \$333.35. The report showed the population of the municipality to be 5050. During 1929 there were seventy births and sixty-six deaths. The water supply was reported as satisfactory and the stables from which milk was supplied were inspected, and found in good condition.

The M.O.H. reported visits to the schools of the township and found sanitary conditions good for rural centres. The officer expressed sincere appreciation of the work of the Public Health Nurse and regretted that this service was not now being continued but he hoped that at some future time the township would have the benefit of its operation.

A resolution of congratulation was passed for Mr. and Mrs. R. J. Corson, Markham, who celebrated the 50th anniversary of their wedding on Monday. Mr. Corson has been publisher of the Markham Economist and Sun for a great many years.

The tax collectors were present at the meeting and brightened the eyes of the members of council with reports of collections. The \$113,000 well paid, some day last. This is paid by Markham township taxpayers of Markham accounts were passed by R. J. Cunningham, Gormley \$289.25; F. R. Mann, Markham \$440; Alex. Duncan, Unionville \$250; Geo. Hoover, Markham, gravel \$110.50; William Aliechurch, gravel \$114; Thos. Bunker, gravel \$1200.

General accounts—Township of Pickering one half cost of work done on townline \$474.57; A. P. Graham, half cost of Markham Division court \$19.50; Jos. E. Miles \$2; G.A.M. Davison revenue stamps \$3.50; Naughton & Jenkins, legal fees, September, 1927 to December, 1929, \$311.74; W. C. Gohn, local and long distance telephone calls \$4.15; W.C. **AN ACCLAMATION
IN WHITCHURCH?**

With the Stouffville municipal nomination coming on the evening of Dec. 30th, (next Monday), it is time to become interested on who will represent the town as reeve for 1930. So far Reeve H. W. Sanders has not definitely declared his position; although he is being urged to stand again by his friends. A. J. Ward, D. H. Russell and W. E. Morden, are also likely aspirants for the position.

Mr. Morden is receiving strong assurance of good support if he allows his name to go to the ballot. In the case of Councillor Ward we understand that he is being influenced by the feminine vote for some have told him that much in secret, according to the east end representative, Councillor Russell's "economy" platform can be counted on to stir up some interest should he grade the sky, who has been a progressive councillor for some years would also make a very capable representative at County Council, but Councillor Borinsky cannot make up his mind to run.

The ladies, as well as the men, ought to turn out at the nomination meeting and learn what these men and others have to say about the town's financial affairs.

The retiring council carried out the duties of the taxpayers by spending the few thousand dollars carried as a surplus last year.

**NEW MOTOR LICENSES ON
SALE THIS WEEK**

Fee for Cars Will be Reduced to \$5.
Plates Changed, No Numbers
Larger Than 0,999 Will be
Allotted.

This month motorists will feel the benefit of the Government's \$2,000,000 reduction in the motor license fees as from the 1930 license campaign.

Motorists driving cars from 25-horsepower will pay \$10 for their licenses. In this class come heavier sixes—the type of cars usually described by dealers as medium priced. Big car owners whose machines develop 35-horsepower or more will pay \$20 for the licenses.

Under the new system of prefacing marker numbers with letters indicating the cars' origin, Toronto and York County motorists will receive licenses starting with any of the letters from P to Z, inclusive.

Ottawa has been allotted the letters A, B and C the border cities and Essex county will have letters D, E and F, Hamilton and Wentworth county will have letters H, J and K, while London and Middlesex county will have letters L, M and N. The letters G and I are not being used owing to possibility of their being confused with numerals.

No license numeral will exceed the number 9,999, and where two letters have been awarded to a county or district, such as will be the practice with the less populated or rural parts, the highest number will be 999. Government cars, it is stated, will have no prefacing letters, bearing only numerals.

MERRY CHRISTMAS
May health, happiness and prosperity follow you throughout the New Year. This is the sincere wish of—The Maple Leaf Dairy.
