SUNDAY SCHOOL CONVENTION

The fifty-third annual convention of the Markham Township Sunday School Association was held in the Methodist Church, Stouffville on Thursday and Friday, Feb. 16 and 17th.

The meetings were well attended and a splendid spirit prevailed through the whole of the proceedings. The president, Mr. C. Rennie conducted the business of the convention in an able manner and was re-elected for the ensuing year.

The local ministers took part in the program. Among the speakers from outside was Rev. W. P. Fletcher, Rural Superintendent of Ontario Religious Education Council.

A special feature of the program was the Mass meeting of children held on Friday afternoon. The local school kindly closed down in order to allow the scholars to attend the meeting.

The speakers on this occasion were Mrs. Barber who claimed the honor of being a great grandmother and Rev. W. P. Fletcher. The stories told to the children during this period will not soon be forgotten by all those who heard them, both young and old.

Unionville is the place of meeting next Convention.

U. F. W. O. MEETING

The regular monthly meeting of the Stouffville U. F. W. O. was held on Tuesday, Feb. 21, at the home of Mrs. Herbert Foote.

There was a splendid attendance and several new members were received. The President, Miss Etta Wright occupied the chair.

An excellent report of the Toronto University course was given by Miss Alma Bruels.

Mrs. S. W. Hastings then gave the remainder of her report of the Toronto Convention which she did not have time to finish at the last meeting.

After an instrumental duet rendered by Miss Foote and Mrs. Wright, refreshments were served by the hostess.

The Guarantee Gives You Better Rubber Footwear

The strongest guarantee under which rubber footwear has ever been sold is fastened to each pair of Ames Holden Rubber Footwear. Here is what it says:

"Every pair of Ames Holden Rubber Footwear is guaranteed to outwear any pair of similar shoes of any other make, sold at the same price worn under the same conditions."

It protects you against inferior workmanship and assures the greatest possible value for the price you pay. If every pair isn't made right—with the right materials—pure rubber and stout strong fabric linings—this guarantee wouldn't be possible. No matter what you need in rubber footwear, we want you to try a pair and satisfy yourself that the best is

AMES HOLDEN RUBBER FOOTWEAR

Look for the Ames Holden mark on every pair.
