Mr. and Mrs. A. R. Mitchell (nee Miss Pearl Davis) have returned from their wedding trip and have gone to their new home at Mount Albert. We wish them a long and happy married life.

A large number of logs are being hauled to Mr. Jas. Elson's sawmill.

Our assessor Mr. J. Ashenhurst, is making his calls.

### BETHESDA

On Monday evening, Feb. 27th, about eighty of the friends and neighbors of Mr. and Mrs. Bert Staley assembled at their home to spend a social evening, on the eve of their leaving for their new home on the 4th Con. Uxbridge.

After participating in several games and guessing contests Mr. A. B. Steckley was called to the chair and in a few well chosen remarks conveyed to Mr. and Mrs. Staley the regrets of their friends that they were leaving our vicinity, and particularly dwelt upon Mr. Staley's ability and usefulness in League work. Short speeches were made by several others all expressing their regrets that our friends were leaving our community, but at the same time all were unanimous that good citizenship and kind neighbors were a splendid asset to any community, therefore what was our loss was a gain to the neighborhood in which they are going to reside. The Chairman then turned the balance of the program over to the ladies and it is only fair to say that the ladies of Bethesda lived up to their splendid reputation in the art of serving the needs of the inner man. After wishing Mr. and Mrs. Staley every prosperity in their new home all departed for their homes feeling that a very pleasant evening had been spent.

### THREE TRUCKS USED FOR WEDDING CAKE

Princess Mary's wedding cake, of many tiers, more than six feet in height, and weighing 5,000 pounds, has been delivered to Buckingham Palace. Twelve men and three auto trucks were required to transport it from the bakery to the main banquet room, where it has been erected on an immense solid silver base. There is more than a hundred pounds of almond paste used on it.
