Millions of poor peasants are dying in Russia of starvation. Britain and United States have feeding stations on the ground. Canada is co-operating with Britain. The churches are asking for an offering on Sunday for the "Save the Children" fund. What are you going to do about it?

Worries of the business men of the town and city are again started, for the income tax forms, for the year are now available at the post office. According to the regulations, these forms must be secured and filled out by April 30th; in the case of individuals and incorporated companies and March 31st in the case of estates and trustees, employers and companies reporting dividends. Copies of some of the forms have been mailed direct to those who have returns of this kind last year, but a small supply is available at the post office. It is not known whether there will be a supply of pamphlets or booklets of information available this year but any person desiring to have any particulars regarding the filling of these forms are requested to apply direct to the inspector of taxation Toronto

CONSOLIDATED SCHOOL AT BROOKLIN

The site likely to be chosen will be the five-acre field owned by Mr. Wm. Ormiston on North-Queen St., not far from the station. This will be up to date in every way and will be a boon to the sections where very few children attend. The system will take in seven sections.

Larger Business

If the business of any retailer in this community is to grow bigger in the years to come it will not be a matter of accident or due to an increase of population only—it will be the result of intelligence added to energy, plus ADVERTISING.

Wherever you find a big, flourishing business you will find behind it a strong, pushing man of indomitable spirit, driven by the power of these 5 words—"I can and I will." This man advertises—he MUST deliver his message to those with ears to hear. Multiplied customers and larger turnovers are absolutely essential to his progress.

A WORD TO THE PUBLIC. Help on the business of those who show themselves eager to have your custom—who invite it and prize it enough to ask for it. Shop where you receive the best service, values, and goods. Reward with your favor those who solicit your favor by messages addressed to you each week in our advertising columns.
