

TRAIN CUTS AUTO IN TWO
Driving east in their automobile about 10 o'clock Monday morning last week on their way to Cedar Grove, Mr. and Mrs. Hilliard Fleming of Box Grove were caught by the Ottawa express coming west, crossing it a mile east of Box Grove. The engine struck the motor car fair in the centre and cut it in two, tossing the parts on each side of the track. Mr. Fleming, who was sitting in the front seat driving, was hurled through the windshield and the only injury he sustained was a cut on his nose. Mrs. Fleming, who was sitting in the back seat, had her thigh fractured.

Change in Polling Booth
Take notice that the polling place for polling division No. 2 is changed from Button's to H. Porter's Ice Cream Parlor. J. Urquhart, clerk.

Heavy Christmas Mail
There were sixteen bags of mail delivered to the people of Stouffville on Christmas morning, while eight more bags of late mail arrived on the evening train from Toronto.

We were surprised to notice at the nomination meeting, that the members of the School Board were not requested to present a financial statement to the ratepayers. It is customary to embody this statement in the town report. A school board should show what they have done with the ratepayers money, just as the council or any other spending body. How many of our citizens know what it cost to operate that big knowledge works in the east end of the town?

Public School Concert

The school concert on Thursday evening last week in Ratcliff's hall, was a real Christmas treat. The various numbers on the program revealed an abundant of talent amongst the school children of this town, as the drills, dialogues and individual numbers in most instances were excellent. It must have been gratifying to the teaching staff who spared no effort in training the children to the degree of efficiency exhibited. Mr. Truman Holden, chairman of the Board of Education, amounted as chairman. The proceeds amounted to \$50.

Big Crop, Low Prices

Mrs. Ross Anderson (Minnie Penock) and two children from the West, are visiting her parents, Mr. and Mrs. Elijah Penock. Mr. and Mrs. Anderson have a quarter section of land near Filmore, Sask., on the C.P.R., about 300 miles west of Winnipeg. While crops in that section were almost an absolute failure the past two years, this season there was an excellent yield. They had 12 acres of oats, which averaged 71 bushels per acre, while 90 acres of wheat had a yield of over 2800 bushels. Flax is largely grown in their section, and 54 acres yielded 20 bushels to the acre. Farmers are receiving \$1.85 for flax, and wheat realizes them \$1.00, which is a big drop over the past few years. Mrs. Anderson states that this season's crop is regarded as the best harvested since 1915, and the western farmer would do well on it, if prices would rise to a satisfactory level.

Borinsky's store is a decided improvement to the business of food-wood. By having a large stock of groceries, boots, shoes, hardware, etc., it saves the people many a trip to the larger centres. You are invited to see his stock.

The entertainment held in Methodist church on Friday night and Baptist church, Monday night were both well attended. Though some what varied in program they were enjoyed almost equally by some who attended both. Both children and teachers are worthy of commendation for the success in both cases.

Mail Service Improved.

The Tribune has succeeded in getting a better mail service between Stouffville and Claremont. Post Office Inspector Sutherland has issued instructions to mail clerks in Port Hope and Toronto, (train 95) to include our papers in separate sacks to be made up for the R.P.O. leaving Toronto on the C.P.R. following morning at 9:05, thus eliminating the necessity for routing them through the Toronto Post Office.

Child Struck by Car

Bobbie Hare, the 6 or 7 year old son of Mr. and Mrs. Robert Hare, is suffering from a fractured hip, due to being struck by a car driven by Wm. Kaiser. The lad was riding in a cutter with Mr. and Mrs. Louis Slack, going east on Main street. He jumped from the rig just as the car was about to pass. Mr. Kaiser blew his horn, and applied the brakes, but the car skidded, and the bumper struck the lad. He was thrown against a lamp post, inflicting nasty cuts about the head, besides breaking the left thigh. It is fortunate the little fellow wasn't killed.

Lewis—Baker Nuptials

On Wednesday, Dec. 20th, Tabernacle Church, Toronto, was the scene of a very pretty Christmas wedding. Clara Georgina, youngest daughter of Mr. George Baker of Toronto, was united in marriage with Harry Milton Lewis of Ohio. The bride, who was given away by her father, was otherwise unattended. She was beautifully gowned in a white georgette dress, simply made in long, slim sleeves. Her tulle veil was caught by a circlet of orange blossoms. She carried a sheaf of Ophelia roses. The groom's gift, a lustrous rope of pearls, was the only ornament worn by the bride. To the organist, Miss Myrtle Jennings, the gift was a platinum bar-pin. After the ceremony, the bridal party were given a reception at the home of Mrs. Henderson, sister of the bride. A dainty wedding breakfast was served here, and the happy couple were showered with confetti and the good wishes of a host of friends. After remaining in Toronto for the Christmas season, Mr. and Mrs. Lewis will make a tour of the South Western States, before taking up residence in Kansas City, Miss.

In the New Year we shall endeavor to serve you even better than ever. May the New Year be prosperous to one and all.

HERBERT PORTER

A member of a well known and pioneer family of Uxbridge, died last week in the person of Charles Gould, in his 80th year. For five years he had suffered from the effects of a stroke. Prior to this he was a busy man, and conducted the milling business in the name of Gould Bros. for many years. At one time Charlie Gould was warden of Ontario county, and he was widely known. Besides his wife and one daughter, he is survived by two brothers, J. B. Gould of Markham, H. J. Gould of Uxbridge, and sisters, Mrs. Thos. Watt of Brantford, Mrs. Mary Crosby of Uxbridge; Mrs. Rev. E. Cockburn of Toronto and Mrs. Alma Dale of England.

The Mall and Empire reported that graves were being robbed in Uxbridge cemetery. At Uxbridge this was found to be absolutely false and it was later learned that the graves supposed to have been robbed were in Goodwood cemetery, and it was merely a case of removing a body from one part of the cemetery to another by relatives.

Of the 1,007 newspapers published in Canada last year the weekly had a total average circulation of 1,924,223 copies each issue. This goes to show that the place of the home newspaper is not being invaded. Rather does it indicate that its place is yet warm in the hearts of its countrymen.—Collingwood Bulletin.

You Need a Good Engine
ing, sawing, grinding, sharpening tools, mixing cement, shelling corn, filling the silo—there's nothing I know of that will give better service with so little attention as a Toronto Engine. And they operate on either kerosene or gasoline.

Let me explain in detail these sturdy little workers next time you pass my way. Don't forget to see them able assistants—The Toronto Saw and the Toronto Grain Grinder at the same time.
