LOCAL HAPPENINGS

Installation of Officers will take place next Monday evening, Jan. 22 in connection with the local Lodge, I. O. O. F. Lunch after the work of the evening. Every member is urged to attend.

Both Ringwood and Stouffville are developing hockey teams. If there are any teams in nearby places who would like to match their puck chassing ability against either of these teams, arrangements for a game, can be set by phoning Stouffville 8109.

Garnet Brownsberger, formerly of Ringwood, driver of the auto which knocked down and fatally injured Leonard J. Skill at Jarvis and Gerrard streets, Toronto, on the night of January 6, was exonerated from all blame by Coroners' jury on Monday last. The man killed in the accident was 50 years of age.

In connection with the report of the annual meeting of the Stouffville U.F.O., Earl Davis was made Vice-President and not Mr. Brewery. Since the list of contributors was announced in the press to the recent assistance given the northern fire sufferers, other names might be mentioned as having given worthy assistance. J. Cleaver, Clarence Staford, R. Brown and W. Kaiser.

The climax in the recent robbery at Uxbridge G. T. R. station was reached last week, when a man named Brown was convicted of the theft. Harwood, who was arrested on the same charge, was allowed to go on suspended sentence, he having turned King's evidence. It will be remembered the station was broken into while the agent was at supper \$50 was taken from the till and some papers as well.

Masquerade Carnival
The rink management has arranged a Masquerade Carnival for Tuesday, Jan. 23rd. Cash prizes will be offered for costumes, and the second heat of the speed race will be put on. Stouffville band. Watch for bills with full particulars. Usual prices.

Daniel Grove Left \$9,481
Probate has been granted of the will of the late Daniel Grove, of Stouffville, who died on Dec. 12th, 1922, leaving an estate valued at \$9,484. He bequeathed to his sister-in-law, Mrs. B. Riddle, all his furniture, pictures, etc., as well as insurance of \$250 held with the G. T. Railway. To Henry Riddle, he left his stove, coal, wood, his watch and clothing. The rest of the estate he directed to be divided into fourteen parts, two parts to go to: Mrs. B. Riddle, two parts to his brother-in-law, Levi Saunders, two parts to his brother, John Grove, and one part each to the following: Jessie Grove, Nellie Brillinger, a niece, Eileen Saunders, niece, Ella Powers, cousin, Julia Grove, sister-in-law, Irma Meldrum, niece, Nancy Reene, niece and Diana Brickwood, niece.

Lincolnville vs. Stouffville
The Stouffville Euchre Club was visited by the Lincolnville club last week, when General Ralph Connor marched in with his army to clean up on the local club. Unfortunately his plan went astray and Stouffville under General Jess Cook completely routed the invaders and sent them back weary and forlorn. The score was Lincolnville 33, Stouffville 66, with 104 games played. But wait! General Ralph Connor again challenged the local fort to combat to be waged on the property of Capt. Ed. McNally on Wednesday night, Jan. 17th. Special bulletin will be issued at the Mansion Hotel by Adjutant Fred Pratt.

FISH—Fresh caught through the ice. White Fish and Salmon. W.H. Smith, rear Button's store.

It is estimated that Stouffville people have invested about \$100,000 in the Alberta Financial Brokers, which is causing the investors considerable anxiety.

The local lodge of Macabees, No. 140, donated in cash to the fire sufferers in northern Ontario, the sum of \$50. This was an excellent contribution and shows a true spirit of brotherly love.

One of our former citizens, Ab. Brown of Penetanguishene, was in town last week. He is conducting a general store business, and seems well satisfied with trade. Dry wood is very scarce even up in the woods where Mr. Brown lives. Plenty of green is being offered.

Doing Good Work

Bandmaster Capt. Slatter has expressed himself delighted with the progress being made by the new Stouffville band. The boys are taking such a keen interest in the practices, that while only a few have been held, they are already able to play five marches in a manner that would do credit to a band of experienced players. It is now a certainty that next spring our band will be able to step out and be second to none in this section of the province.

DEATH OF JOHN WILLIAMS

John Williams, one of the oldest residents of this district, died Monday, after an illness of six months, at his residence Lot 1, con. 2, East Gwillimbury, townline. Mr. Williams was born near Middleton Cheney, England, 80 years ago and came to Canada in 1869, settling near Newmarket. He moved to Stouffville in 1880, where he resided until 1907, when he returned to the farm on which he died. He was a farmer all his life and had lived another day he would have celebrated the 54th anniversary of his wedding. In religion he was a Methodist and in politics a conservative. His widow, two sons, Richard, of Stouffville and William, John, at home, and three daughters, Mary, Hannah and Minnie, at home and Mrs. Alex. Rutledge, Newmarket, survive him.

THE LATE MRS. JOHN H. RAMER

Mary Hoover, widow of the late John H. Ramer, died at the home of her son-in-law, John S. Lehman, Toronto on Tuesday of last week, at the ripe old age of 88 years. Mrs. Ramer was the daughter of a pioneer settler in Markham township and her late husband was also the son of a pioneer settler, Peter Ramer. Until the death of her husband a few years ago, the Ramers resided on the old family homestead, inherited from Mr. Ramer's father, known as "Deer Park Farm," in North Markham. A lovable, kindly couple, "Deer Park" stood for all that was hospitable—its doors were always open and the table set, and a warm welcome ensured to poor and rich alike. Four sons, Titman of Ottawa, A.W. of London, and Freeman, of Markham, and five daughters, Mrs. Wesley Reesor and Mrs. A. Reaman of Markham, Mrs. J.S. Lehman of Toronto and Mrs. Benji Hoover of Richmond Hill, survive. The remains were laid to rest beside her husband in Wideman's cemetery on Thursday last, the funeral from "Deer Park" farm being largely attended.

HERBERT PORTER

There are Dollars Lying About Your Farm

—in waste wood which one of my Toronto Saws will readily turn into fine fuel.

There's no piece of farm equipment I know of which will so quickly pay for itself as a Toronto Saw. That's why I recommend it so highly.

Toronto Saws are all-steel construction—require little power to operate—give many years of dollar-saving service.

You can't realize the saving in time, money and labor which you'll make with modern equipment on your farm, until you have seen the "Toronto" line. I'll be glad to explain more fully at any time.

IF YOU could Visit our Mills

VISITORS to the Quaker Mills no longer marvel at the exclusive flavour, texture and goodness of all things baked with Quaker Flour. They see for themselves the infinite care with which Canada's finest wheat is treated from the berry to the sack.

They see how thoroughly the grain is selected and cleaned—how gradually and finely it is milled—to produce a perfect flour. They see how Quaker Quality is ever maintained, by constant vigilance and hourly tests in the process of milling—by an actual baking of bread from each day's flour. Quaker Flour must bake up to the Quaker standard before it can leave the Quaker Mill.

They realize why no other flour can equal "Quaker." Try it for your next baking.
