THE GREAT GIFT
Nature has opened her generous hands for the children of Earth, has bestowed on us through the precious gift of Vision—more than the wealth of Kings, finer colorings than those of the greatest artists—more subtle changes than all the arts and sciences of man have yet created.

The eyes are the gateway to the mind, the Expression of the Soul, the Inspiration of the Heart. By their miracle are the pages laid open where lie vast stores of learning, where the workings of numberless minds are yours; the pulse of countless hearts, the history of all peoples. Ours is the sacred duty of conserving this precious gift; yours is the solemn obligation of keeping it at its best this priceless heritage.

"What a Splendid Loaf"

THE housewife who uses Quaker Flour in all her baking is justly proud of her bread, cakes and pies—of their feathery lightness, their delicious flavour, their perfect texture and colour.

She enjoys consistent success in her baking because every single sack of Quaker Flour is of uniform excellence. Each day's "milling" is tested in our own bakery, and proven to be up to the Quaker standard—a standard which is not maintained by any other flour.

The chemists and bakers at the Quaker Mills take the "chance" out of your baking if you use

Quaker Flour

Always the Same—Always the Best
