STOUFFVILLE

BLOOMINGTON

Remember the tea on April 3rd. Alex. Hill of Aurora spent Sunday at home.
Mrs. O. R. Tranner is on the sick list this week.
New spring wall papers at J. J. Rae's, Stouffville.
Mrs. E. A. Storry spent a few days in Toronto last week.
Mrs. E. A. Storry spent a couple of days in Toronto.
George Fockler is moving this week to L. Hoover's farm.
Mrs. Law attended the funeral of her nephew at Aurora on Thursday last.
Harold Warriner of Stouffville has engaged with E. A. Storry for the summer.
We are pleased to say Miss Libbie Fairles is recovering from her illness of the past weeks.
ing relatives in this vicinity. L. Wagg also gave a helpful talk on Missionary Work.
On Friday last Master Fred Cowie had the misfortune to slip and break his collar bone while on his way to school.
Last Sunday morning a very interesting talk was given instead of Review, in the Christian church, by Mr. Phillips of Chicago who is visit-

LEMONVILLE

New spring wall papers at J. J. Rae's, Stouffville.
Mrs. Richardson, our friends will be pleased to hear, is progressing well, after her operation in the Toronto General Hospital for the removal of the appendix. It is expected that she will be home early in April. We also hear that Miss Baker, near Bloomington is well on the road to recovery, and may be home before this appears in print.

NOTICE

Re-Certificates for Electric Wiring Certificate is issued from this Department for all electrical work that has passed inspection. These certificates are issued to the contractors installing the work, and the contractor in turn should present certificate to his customer.
Owing to the numerous requests at this office regarding certificates, we take this means of informing the public that they should insist on receiving a certificate from their electricians immediately work has been completed.
These certificates are of value to you when insuring your property.
Electrical Inspection Department, District of Oshawa.

NOTICE TO CREDITORS

In the matter of Charles Perry late of the Village of Stouffville.
In the County of York, painter NOTICE IS HEREBY given that all creditors and others having claims against the estate of the said late Charles Perry who died on or about the 5th day of December 1922 are required on or before the 1st day of May 1923 to deliver or cause to be delivered to Mrs. Jessie Perry, Stouffville, Ontario, the administratrix, of the estate of the said deceased, the full particulars of their claims.
AND FURTHER TAKE NOTICE that after such last mentioned date the administratrix will proceed to distribute the said estate among the parties entitled thereto, having regard only to the claims of which she shall have notice, and that the administratrix will not be liable for the estate or any part thereof to any person of whose claims notice shall not have been received by her at the time of such distribution.
Dated the 23rd day of March, 1923
T. HERBERT LENNOX, K.C., Solicitor for the Administratrix

**HERE AND THERE
IN THE DISTRICT**

The public building of Uxbridge are to be rewired in accordance with hydro regulations.

Sheep sold for \$18 a piece at Earl Drewey's sale at Ringwood. Sheep have been commanding good prices at most sales this spring.

The Business Men's Bible Class of Uxbridge held a banquet last week at which 175 members and guests attended.

It costs 25c. to weigh a load of hay or straw on the town scales in Whitty, and the same price for 8 to 10 pigs or small animals. Other animals 10c. per head, and coal 10c. per ton up to two tons to a load.

A radio concert was held in the Baptist church, Whitty, last week, and those present heard Pittsburg, Chicago, and other places in the States. Stouffville has not yet had a radio concert. Who will be first to introduce it locally?

Markham has organized a Board of Trade and will hold a banquet in the near future at which the Markham and Scarborough Townships Councils are to be invited also officials of the Stouffville Board of Trade. A little "getting together" of this nature would do much to improve the good spirit which should prevail between these municipalities.

A Unionville woman asked her husband why he always called her "angel." "Why, for three reasons," he said. "First, because you are always harping on something; second because you are always up in the air, and third, because you have never much to wear."

Aurora Council and Board of Trade are seeking to work out a system of garbage collection in that town. The cost is prohibitive so far, but there is said to be considerable salvage, and this should go to reduce costs. When a market is found, Aurora and Newmarket, we understood, were both heretofore willing to throw all their dirt at each other without any charge—especially in baseball and hockey seasons.

County Crown Attorney Col. J.E. Farewell, of Whitty, Ontario County, arrived home on Tuesday evening of last week, after a trip of a month's duration through the West Indies and Panama Canal. Col. Farewell landed on the 19th of March and arrived in Whitty the following day. The trip was favored with perfect weather, and every minute of it was thoroughly enjoyed by the Colonel, who reports that he wasn't sick a day. Col. Farewell has to take part in the L. R. Steel Co. investigation.

Thomas Marquis, a former well known drover of the Sunderland and Blackwater district died last week in Nova Scotia where he has been engaged for the past year with a large packing house. The late Mr. Marquis was born in Brock township and was a man of robust build. His father is a retired farmer in Uxbridge, and W. F. Marquis, auctioneer, and J. Marquis of Sunderland, also Mrs. Umphrey, Uxbridge are brothers and sister. Deceased was married to a Miss Ruau from Woodville. The remains were interred at Sunderland cemetery on Monday this week.

On the 14th of March a pleasant event took place at the residence of Mr. and Mrs. Geo. Noble, of Whitty, church, when their daughter, Miss Elsie Beatrice was married to Mr. James Pearson Wells, son of Mr. and Mrs. James P. Wells of King. The ceremony was performed by Rev. W. H. Madden, in the presence of some forty relatives and guests, the latter coming from Oshawa, Toronto, Aurora, Newmarket, Bradford and Bond Head. After the ceremony a sumptuous repast was served and congratulations presented. The presents were numerous and useful, bespeaking the high esteem in which the contracting parties were held.

King Township has reverted to the old system of statute labor for road maintenance. The township has been divided into 97 divisions and it will be necessary to appoint a pathmaster over each. A pathmaster is responsible for two and a half miles of road. He decides what work is to be done and when to do it. The farmers in his district must turn out at his summons or pay some one else for doing the work. The position is purely an honorary one as far as remuneration is concerned.

DIXON HILL

There passed away this month, at the home of her daughter, Mrs. Wm. Leader, Guelph, one of the pioneers in the life of the Province of Ontario, in the person of Mrs. Barbara Pipher Johnson, who had lived almost a full century of years. The late Mrs. Johnson was the widow of the late Isaac Pennington Johnson, who pre-deceased her about 38 years ago.
Mrs. Johnson was born at Dixon Hill, on the 3th con., Markham township, on the 30th of March, 1827 within a few days of 96 years ago. She was married in March 1845, to I. P. Johnson, and lived in the township of Markham until 1879, when with her husband and family she removed to Guelph, where she had resided ever since. (She was thus identified with the early history of the province in its pioneer days, undertaking her share of the hardships

inseparable from life at a time when the sturdy settlers were engaged in the herculean task of establishing their homes in the clearings in the midst of the primitive forests. The year of the birth of Mrs. Johnson, was the same as that in which John Galt, the founder of Guelph, cut the first tree on the banks of the River Speed, and from this may be understood better the great age which this highly respected citizen had attained.

The family consisted of ten children. There are also surviving one sister, Catharine A. Wismer, of Grand Rapids, Mich., and four brothers, Isaac and William, of Ringwood, Ben. Jamin of Toronto, and Emanuel, of Niagara Falls, Ont.

The funeral took place from the home of her son-in-law, Wm. Leader to Dixon Hill cemetery.

CLAREMONT

Joseph Timms was in Toronto last week end.

Rev. Chas. W. King is attending the Board of Religious Education meeting at McMaster University, Toronto, this Good Friday.

Both James and Mrs. Madill are steadily improving from their severe attack of flu, their many friends will be glad to learn.

Mrs. Josiah Evans had a painful accident last Sunday morning when she slipped on the ice, striking her head and cutting it on the sharp ice.

Regret and sympathy is expressed in this community for Wm. Fiss and family over the untimely decease of their daughter who was buried last week. She was a quiet but very much esteemed student in the High school here. Had been attending the Toronto Normal School when overtaken with a bad attack of flu and pneumonia.

W. C. Senior, one of Toronto's prominent merchants and ablest platform speakers, will deliver the Easter messages in the Baptist church Sunday morning and evening. He has also consented to sing.

His many friends will be glad to learn that report at this writing are that Peter McNab who recently underwent a critical operation is recovering, although not out of danger by any means.

VICTORIA SQUARE

New Spring wall papers at J. J. Rae's, Stouffville.

Fall wheat in this part of the township has stood the winter well to date.

Mr. McBurney of Toronto expects to move on the farm now occupied by Mr. Ferris.

Mr. Frank Bowman of Regina is spending a few days with old friends here. When a lad Mr. Bowman had his home with Mrs. Brown on the 5th line.

Mr. and Mrs. H. O. Klinck of Saskatchewan are spending a few months with their friends in the county. Mr. Klinck will be remembered by many of our readers who went to school to him on the 5th and 6th lines.

The insurance company who look after the interests of the Metropolitan railway settled in full the claims of Mr. Louis Nichols. On the night of February 19 Mr. Wm. Freeland, who was driving Mr. Nichols' team on the tracks, was run down; the driver, his milk cans and sleigh were piled up on the snow in a hurry but fortunately neither driver nor horses were seriously injured.

Mr. Chas. Boynton and family moved from our midst last week, after spending seventeen years as esteemed citizens of our community. They arrived safely at their new home on the second of Vaughan but the day following the moving, Mrs. William Nell, a sister-in-law of Mrs. Boynton's, while carrying a number of cans of fruit to the cellar made a misstep and fell down the steps, breaking both her wrists besides receiving minor injuries. She was taken to the hospital and had the injured members set. For six weeks at least she will be almost helpless. Many of our citizens were delighted with Judge Widdifield's decision regarding the case of the Trusts and Guarantee Co. (winding up the affairs of the Auto Accessories Co.) versus Mr. Herbert Smith of Headford. Mr. Smith, like scores of car owners in this county, was induced to buy stock which was absolutely worthless, he settling for same by note. At the last division court at Richmond Hill Mr. Smith was sued on the note together with interest. Judge Widdifield after hearing the evidence reserved judgment but has since dismissed the action with costs. Now the men who were by misrepresentation swindled out of their hard earned money are contemplating prosecuting the three agents who sold the stock.

Cheap Power FROM Good Windmills

TORONTO

Running Water!

When and Where You Want It

On any farm of average size at least one hour a day—36½ ten hour working days a year—are spent in the irksome, wearying task of pumping water. 36½ days which one of my Toronto Windmills will give you for profitable work, rest or recreation—besides supplying running water wherever you want it.

The one bothersome task, that of oiling the windmill in all kinds of weather, is overcome in the Toronto Self-Oiler, which requires fresh oil only "once a year." Friction and wear are practically abolished. Toronto windmills, too, can be made absolutely self-regulating in operation.

The "Toronto" Tower will stand for a lifetime because it is the heaviest, strongest and best-braced one built for any windmill. Let me explain why I believe this is one of the biggest conveniences you can have.

N. LANKTREE
Stouffville, Ontario.
