TIRES

Advanced again on March 21st, and still another coming. Tires dropped to the lowest price in their history on Oct. 12th, 1922. At these low prices I purchased several thousand dollars worth of Standard makes, and there has been two advances since, viz. Jan. 6th and March 21st, but I will sell tires at the price they were on Oct. 12th.

One of the lines we have is a No. 1 guaranteed cord tire K & S 30x3 1/2 at \$15.50. We have 30x3 1/2 second tubes at \$1.00. I will be glad to book your order now for any style of Ford car, truck, or tractor, to be delivered at any date you wish.

Now is a good time to buy a used car. I have some very attractive prices. Give me a call. Yours truly G. A. M. DAVISON Uxbridge
