Banking by Mail

MANY and varied are the types of men who conduct their banking with The Standard through the post. Busy men who live far away from any bank find that our plan of banking by mail saves them making special trips to town, and is satisfactory in every way and quite simple. We pay interest at current rates on such accounts.

E. YORK LIBERALS NOMINATE CLARY

After a session in the Town Hall, North Toronto, which lasted until 6 o'clock, the East York Liberal convention chose Henry Clary, of Agincourt, as their candidate for Saturday last, the choice being made when Clary had a majority of three over A. E. Brockleby on the second ballot, the last vote being a tie. Messrs. Alex. McGregor, A. B. Keer and James Ramsey, of North Toronto, A. D. Bruce, of Gormley, and Wesley Gowan and Russell Reesor, of Markham, were proposed as candidates in addition to the two who went to the ballot, but all declined the honor, each making a speech which denoted hope that it was still possible to elect a Liberal candidate in the riding. A committee consisting of President Haley, A. B. Kerr, Alex. McGregor and H. J. Kirby had prior to the convention interviewed R. J. Fleming, and asked him to accept the nomination, but R. J. declined the honor. About 50 delegates were present. President Haley presided. A suggestion by Wm. Doherty that no candidate be nominated was not entertained. It was stated by some of the Markham delegates that Major Little would again be the U.F.O. candidate in East York.

DISTRICT NEWS

Markham village is observing Wednesday afternoons as a half-holiday.
Ross Jarvis of Locust Hill had his herd of 23 Ayrshire cows, government tested. Not one animal in the herd reacted. This is said to be very unusual in so large a herd.

David James, a former Reeve of Markham township, died on Tuesday last week at his home in Thornhill, in his 81st year. A lifelong resident of York County, a prominent farmer, active municipal man, and keen historian, Mr. James was widely known throughout the county.

D. F. Williams, assessor for the village of Markham, has returned his roll for this year from which is extracted the following information—Assessed value of real property, \$482,755; business assessment, \$23,634; taxable income, \$6,800; total \$513,184. This shows an increase over last year of \$20,500. The property exemptions includes the churches, cemeteries, schools, fair grounds, public library, town hall and waterworks, amounting to \$75,200. The population is 967. Number of dogs 49.

Uxbridge Town Council are favoring a movement to have the County of Ontario divided and a registry office for land titles and other instruments established in that town for the northern part of the county. When the new post office was built in Uxbridge accommodation was made for an Inland Revenue Office, and this may be occupied for county purposes, as an inland revenue office is not likely to be established. The next move for Uxbridge will be to change the county seat to a more central point in the county, and when the new high school is built they will have a good building on their hands very suitable for county business to be carried on in.

His friends will be glad to learn that Pte. Pipher of Lemonsville, who has been in the Hamilton Sanatorium, has been granted a very liberal pension by the Pension Board.

METHODISTS RAISE \$15 PER MEMBER

As an innovation from former years the Methodist congregations of Stouffville and Bloomington churches held a congregational meeting in banquet form on Friday evening last in the local church.

In addition to an excellent tea provided by the ladies, and a social hour wherein the members had an opportunity to fraternize, Rev. Dr. W. L. Armstrong of Centennial church, Toronto, delivered an excellent address which was highly commented on.

It was a sort of stock-taking time when the officers of the various organizations of the church reported their financial standing and the progress made during the year otherwise.

In the absence of the church treasurer, W. H. Shaw, the treasurer's report was given by D. M. Heise, for the year just closed. Total receipts raised for church purposes only were \$3503.49, which when augmented by the amounts raised by the various societies of the church show the organizations raised well over \$5600.

According to the chairman of the evening, the membership stands at 356 on the circuit, hence the average givings or amounts raised would exceed somewhat over \$15 per member. A large proportion of the membership includes minors.

For the Stouffville Sunday School George Baker reported 202 on the roll. The membership at Bloomington is 89, stated Edgar Story, superintendent.

The Epworth League has a membership of 38, and raised the sum of \$77.07.
\$303 was raised by the W.M.S. with additional sales donated and valued at over \$300 more. The two mission circles raised over \$300 the seniors being responsible for the greater portion of this amount.

Stouffville church subscribed \$838 and Bloomington \$162 for missions. On the whole the reports indicate a prosperous year, showing progress in almost every department.

During the evening musical selections were rendered by Miss Morgan and Messrs. Drewery and Booth.
Ushers appointed were Messrs. E. J. Davey, W. H. Shaw, A. C. Burkholder and A. Lehman.

Re-elected to the official board as Society representatives were: Mrs. Davey, Mrs. N. Forsyth and Messrs. D. W. Walls, W. H. Shaw, Alex. Scott and Jess Cook.

CENTRE YORK BOWLING LEAGUE

The annual meeting of the Centre York Bowling League was held at Richmond Hill on Monday night last week and the following officers were elected for the year 1923:

Hon. President, Hon. W. L. Mackenzie King; President, F. L. Button Stouffville; 1st. Vice, Dr. Williams, Aurora; 2nd Vice, Robt. Agar, Almiria Secretary-Treasurer, W. R. Sanders, Stouffville. Executive to consist of the above officers with the following Newmarket club, H. P. Gillman; Aurora club J. G. McDonald; Almiria club, Herb. Spofford; Markham club, D. E. Jones; Stouffville, A. C. Burkholder; Richmond Hill, J. R. Harrington; Unionville G. A. M. Davison.

A schedule of home and home games was adopted for the coming season.
The league had a most successful year in 1922, Stouffville being declared the winners of the trophy donated by Hon. W. L. Mackenzie King, and Newmarket club with the highest plus score, secured verandah chairs for their club.

Ex-pupils of Stouffville Continuation School are invited to the closing meeting of the Literary Society to be held at the school Friday evening at 8 p.m.

Your attention to the advertisements of local merchants on page seven is requested. Owing to increased demand local advertising is spread over all pages of the paper not being confined to four pages as was formerly the custom.

RINGWOOD

Ringwood has a practical joker who furnishes the press with live stuff once in a while, but we are unable to publish his articles because the name of the writer is not made known to us. A joke is quite all right if properly directed, but on the other hand some people cannot discern between joke and insult, and for this reason we must know with whom we are dealing, for we are to be judge. Our Ringwood correspondent might be like the man who shot an arrow into the air, it fell in the distance he knew not where, till a neighbor said it killed his calf, and he had to pay him six and a half. He bought some poison to kill some rats, and a neighbor swore it killed his cats; and rather than argue across the fence, he paid him four dollars and fifty cents. One night he sat sailing a toy balloon, and hoped it might soar till it hit the moon; but the candle fell on the farmers' straw; he said he must settle or go to law. And that is the way with the random shot, it never hits the proper spot; and the joke he springs and thinks so smart may leave a wound in a Ringwood heart.

YOU'LL BE THERE AND SO WILL I!

Invite your friends to town for May 24th.

At 10 a.m. there will be a grand parade from the Mansion House through the town for which prizes will be offered for best farmers' team, hitched to wagon, lady and gent drivers, popes with riders, best business float, decorated automobiles, bicycles and tricycles, best costumes and a special prize for best float in the parade. This parade will be worth coming a long way to see.

There is a full program for the afternoon. Stouffville and Milliken will play baseball, while Green River and Goodwood are slated for a football match. These games will draw immense crowds without any of the remaining program.

A grand baby show will be held in the big tent on the grounds. Competent judges will award the prizes and the babies will be judged in two classes, one year and under, and two years and over one year.

The district schools will give a display of club swinging and drills.

Running, jumping, vaulting and other sports for the school children, with prizes awarded in each case. The school winning the most prizes will be awarded a silver cup. Uxbridge, Whitechurch and Markham township schools get busy.

The Stouffville Women's Institute will conduct refreshment booths on the grounds. This assures good service and clean.

Stouffville's new band of over 30 pieces will make their first appearance and will render plenty of good music during the afternoon.

There will be a big double attraction in the evening. A dance in Ratcliff's Hall and a Moving Picture Show down in the Auditorium.

Entries for the morning parade should be made with F. G. Pratt at the Mansion House.

Only 25c. admission to the grounds in the afternoon, while the morning is free. Park your cars on the grounds where they will be safer and thus keep the main street free for traffic.

This is the biggest program ever offered in Stouffville for a one day celebration. Every moment chucked full of interest. Don't miss it. Come early, and stay all day.

PERSONAL NOTES

Miss Goodwin is able to be out again after her long illness.

Miss Hazel Silvester was home from Toronto over the week end. In Simcoe County, and later in Toronto, has now located at Markham.

Mrs. Armstrong of Windsor, is visiting her aunt, Mrs. W. J. Mather Church street.

Dr. Sangster attended the funeral of a relative, the late Wm. Rusnell at Utica last Sunday.

A. King was in town last Thursday to see Mr. Isaac Reaman. Mr. King who had been living at Lefroy. Mr. and Mrs. Sam McKuen also Mrs. J. Little and Norma were in Green River Sunday visiting their sister Mrs. Albert Heisey.

Wesley Yake, just south of town has a hen with an egg record worth crowing about. This spring she laid two eggs each measuring 3 1/2 x 6 3/4, and weighing 4 1/2 ounces. On several occasions this bird produced eggs measuring 5 x 6 1/2 inches and weighing four ounces.

LEMONVILLE

A number of our young folks attended church at Baker Hill, Sunday night.

The road south of Lemonville is in need of repairs, we hope the council will see to it soon.

There was a good attendance at Sunday School and church on Mother's day.

We have seen horses, and cows tied to trees and posts to pasture, but one resident had his pigs tied along the highway.

Mr. and Mrs. Tarr and Miss Lena attended the funeral of Wm. Rusnell in Reach township.

We are pleased to know that the Rev. Dr. Williamson has decided to remain another year if Conference permits, he being such an able preacher, we as a church should uphold his hands in every good effort that he makes. The financial conditions we are glad to say is better than it has been for some time, having raised enough by freewill offering to more than pay his salary for the year. We are hoping that the coming year may be one of soul winning.

NEW POST FOR WESTON

After a three days' trip, in which Ottawa and Montreal were included in the itinerary, Mayor R. J. Flynn, Reeve J. M. Gardhouse, Howard Gray solicitor, and Councillors J. P. Allan and Farr, representing the town of Weston, in an effort to get a new post office and better transportation facilities, returned last week, elated with the success of their trip, says the Toronto Telegram. At Ottawa the party had a conference with Hon. Dr. King, Minister of Public Works, relating to a new post office, to replace the antiquated building that at present serves the purpose, and were given assurances that something would be done in the near future.
