## BIG CROWD AND GREAT WEATHER

Delightful weather conditions and a large crowd on May 24th favored the big celebration in Stouffville under auspices of the local War veterans. It was feared that many farmers would not come to town on such a fine day because they were so far behind with seeding, but even this didn't stop hundreds from turning out. It was evident early in the day that a big crowd was assured, because the main thoroughfare was lined with people and cars to witness the parade which formed at the Mansion House and walked the length of the town.

Stouffville band was a really pleasing feature of the event. Their music was favorably commented on, and when the boys once get outfitted in proper uniforms they will be heralded all over York and Ontario counties.

There were quite a number of floats although not of an expensive make-up.

Mr. Fretz of Markham Township captured the prize for best farmers team in the parade, Miss Connor was awarded first for best lady driver and Miss Sinclair second. A. Elson won first for best gents' turnout. The pony parade was popular as usual. There were four in the contest and were placed by the judges in the order here given: Gordon Lehman, Harry Davis, Myron Anderson, Donald Lewis. Swift's garage won first for business float with Shadell & Cook second. Other prizes awarded in the parade were: Special float, J. Ratcliff with Red Cross outfit; decorated car, H. K. Hess; ladies costume, Phyllis Baker decorated bicycle, Eric Collard, Helen Todd; boys decorated bicycle, Earl Ainsworth, Geo. Mertens; tricycle, Johnnie Button; best costume, Mabel Cook.

In the afternoon the biggest crowd assembled at the grounds to enjoy the long list of sports. There were races for the school pupils, drills and marching by the pupils, besides football and baseball.

Milliken won from the local team in a good game of baseball. The locals took the opportunity of trying out new men the first few innings, as this was their first opportunity to have a real game this season. During the adjustment the visitors scored six runs while the locals were shut out. When the regular line-up took over the work after four innings there was not a run scored on either side. Manager Jim Clayton and his jolly crew from the south are good sports, and will make a showing in the Scarborough league all right.

Green River foot ballers didn't turn up to meet Goodwood, so a local team was formed and put on an exhibition game in which Goodwood boys won 2-0.

The baby show proved a real attraction and fourteen entries were made. Of course they were all really fine babies and the judges were bewildered as to where the prizes should be bestowed. Mrs. Walter C. Balsdon's baby girl won first in the class under 1 year and Mrs. Ormsby Lehman's baby girl was chosen for the first prize baby over one and under two. There was nothing unusual in the girls capturing the prizes for good looks over the boys.

A dance in Ratcliff's hall and a picture show in the Auditorium filled in the evening. The show was the greater attraction of the two and drew a capacity house.

Financially the day was a huge success, the boys having a surplus of about \$100 after paying an expensive program. The amount of money received was almost double that of last year, so that the veteran's day is growing in popularity.

In the booths on the grounds the Women's Institute took in over \$170 for the veterans, and this necessitated a hard-fought day's work for the ladies, having made about \$75.00 profit for the veterans.

## FARMERS ARE HIT BY APPEAL DECISION

A legal decision of much interest to many farmers living in this vicinity and throughout the County of York has just been decided by the Court of Appeal, in the case of The Trusts and Guarantee Co., Limited, the authorized trustee of Farmers Auto Accessories, Limited, against G. J. Herbert Smith who lives near Richmond Hill. This case was tried at Richmond Hill in March and judgment was given for the defendant. McCullough & Button, Solicitors for the plaintiffs carried the case to the Court of Appeal and this Court has now reversed the decision of the trial Judge and directs that judgment be entered for the plaintiffs for the amount of the claim, interest and costs throughout. This was really a test case to determine the liability of those who had subscribed for stock in the Farmers Auto Accessories, Limited and given their notes in settlement. The company went into liquidation and action was then taken on one note to test the defense that was being set up by all the said note makers that they had been induced to subscribe and sign notes through misrepresentation and fraud. This is the first decision on the question under the New Bankruptcy Act which has been in force about two years.

The result is that all the said note makers will now have to pay their notes, or similar action will follow against them. We understand that there is \$33,000 of these notes outstanding against farmers throughout the County of York, many of whom live in the neighborhood of Stouffville.

Mrs. Parks of Toronto visited at Wm. Reesor's last week.

Mr. and Mrs. F.C. Rowbotham, accompanied by H.O. Klinck motored to Omemee, where they visited their sister for a few days. Mrs. Clark and children returned with them to visit her parents here.

## DISTRICT NEWS

Newmarket has adopted daylight savings to conform with Toronto and the old Metropolitan railway.

A subscription is being taken in Newmarket to raise \$250 for a new piano placed in the school for the benefit of the children.

The Athletic Association of Newmarket have made a grant of \$200 by the council of that town. Still grants can't be made legally.

The town of Walkerton is holding a "sugarless" day, probably in the hope of breaking the "sugar combine."

Seventy years ago Wednesday the first railway passenger train in Ontario was run from Toronto to Aurora.

The County Road through Markham village received a good coat of oil last week, while preparations are being made to oil the road through Stouffville.

Appeal to have names added to the voters list in Pickering township must be filed with Donald R. Beaton, Whitevale, not later than the 4th day of June.

The council of Uxbridge has changed the time for holding the weekly market from Wednesday to Thursday. Some years ago Thursday was the market day, but Toronto buyers induced the council to make the change.

Hanover has a 50 mill tax rate this year. Being one of the best manufacturing towns in Ontario doesn't always keep down taxes.

The Fire Company of Pickering village have purchased a Ford chassis which will be fitted up by Mr. Ham, to carry the hand fire engine and the hooks and ladders, which will accompany the new chemical fire-engine to fires.

Dr. Devins has imported this spring 230 colonies of bees from Alabama for his Whitchurch Apriary, on the west side of the township. Only one swarm died in transit, notwithstanding the cold season. Dr. Devins is a successful and extensive apiarist. He has also set out 7000 pine trees on his farm.

Messrs. Brown and Jarey, the two men who were so badly injured in the auto accident in Pickering, when Miss Carpenter lost her life, who were taken to the Oshawa hospital the same night, are now making satisfactory progress towards recovery. For several days after the accident fears were entertained their injuries might prove fatal.

Chas. Beierl, hardware merchant and undertaker in Markham has sold out his undertaking business to David A. Mordue of Toronto. Mr. Beierl came to Markham a young man nearly fifty years ago and commenced business as a cabinet maker and undertaker, later adding hardware to his business. Mr. Mordue has leased the premises formerly occupied by the Home Telephone Co. on Main street.

While assisting in the unloading of a car of green bananas in Newmarket last Saturday morning, F. Bondi, a local fruit dealer, narrowly escaped being bitten by poisonous snake. When he picked up a bunch of bananas the reptile uncoiled itself from its nest, which was concealed among the fruit, and struck savagely at the merchant. Mr. Bondi instantly realized his danger, and, dropping the bananas, seized a stick and killed the snake.

The Park Board in Claremont are securing two bronze tablets to be erected in the park and on which will be inscribed the names of those who paid supreme sacrifice as well as the names of those who served overseas. The territory they wish to cover is from the eastern to the western townline and from the northern townline to a line half way between the fifth and sixth concessions. The Board is very anxious to secure the names of every person entitled to have his name inscribed on these tablets, and will be grateful to the friends or their relatives if they would send such names as soon as possible to the president, Dr. Tomlinson, or to the secretary, John Scott.

The village of Bradford has just had an experience whereby other places may profit. At a regular meeting on April 6, the Bradford board of education had decided to increase the insurance on both schools, \$5,500 to be added to the public school and \$4,500 to the high school. Before this was done the latter was burned, on April 27th the insurance at the time of the fire being \$11,000. This loss influenced the board to put still more on the remaining school and to increase it by \$12,500 instead of \$5,500, and this has already been done, the total insurance on the public school now being \$20,000. Is Stouffville's fine school building sufficiently insured?
