

**FOURTH LINE, UXBRIDGE**  
 Douglas Dickinson spent the holiday in Toronto.  
 Mr. and Mrs. H. Roach sr. were guests of Mr. and Mrs. Orval Roach.  
 A number from this line took in the holiday doings at Uxbridge and Stouffville.  
 On Sunday Mr. and Mrs. Rosa Watson visited at George Taylor's in Mongolia.  
 Mr. and Mrs. Stanley Sparks of Little Britain visited Mr. and Mrs. H. Roach on Sunday.  
 Robt. Rawson visited at Walter McCreight's, Mongolia, on Wednesday and Thursday last.  
 Mr. and Mrs. Harvey Elson of Pickering Twp. spent Sunday with his parents, Mr. and Mrs. David Elson.  
 Fred Crawford and wife of Pickering and Mrs. Williams and son Harold of Toronto, also Roy Crawford, were guests of Mr. and Mrs. D. H. Crawford on Sunday.

**HENRY TO HAVE MORE OPPOSITION**  
 At the U.F.O. nomination meeting in Agincourt on Tuesday night there was no candidate brought out. Capt. G. B. Little and A. W. Roebuck were nominated, but they both withdrew. Capt. Little will, however, consider the matter for a few days, and may decide to become the candidate. Mr. Roebuck is a lawyer, who once ran on the Socialist ticket in New Ontario. He is a good speaker.  
 Hon. Mr. Henry is not to have an acclamation in any event, for John Galbrath second deputy reeve of York Township, has announced himself a candidate in the riding to which we belong in Stouffville. He says he is running on a platform favoring an amendment to the O.T.A. to have liquor under government control.

**LOCAL HAPPENINGS**  
 Ladies bicycles for sale, in good repair. Phone 4111.  
 Four weeks from now the pupils will be writing on entrance examinations.  
 "To-morrow's the month of June The month of leaves and roses When pleasant sights salute the eyes And pleasant scents the noses"  
 The week end dance is being continued at Musselman's Lake every Saturday evening until further notice. Power's orchestra.  
 The Junior Auxiliary of the Anglican church will hold a bazaar on Saturday, June 9th over W.H. Shaw's store. Fancy goods, text quilt, home-made cake and candy on sale.  
 Mr. Ben. Doten got his household furniture moved to town from Markham on Monday, so that he and Mrs. Boten and family are now permanently settled in Stouffville.  
 The baseball boys open the league at Newmarket to-morrow (Friday) Let there be a good crowd of supporters go along to cheer the team to victory in the opening stages. Sutton plays in Stouffville on Wednesday afternoon next week.  
 We overheard a professional man of the town mourning the fact that he was not a bricklayer. With brick layers getting \$12 per day and demanding \$14 in New York, building operations have taken a slump until some of the unions come to their senses.  
 The ideal weather conditions since the 24th of May has enabled the farmers in this locality to complete seeding operations. Apple and plum trees are in blossom and the maples are taking on their summer attire. Where are they who predicted a summerless season?  
 Before the Board of Trade on Monday evening a letter was read from the Secretary to Hon. Mackenzie King. He wished the Board to express an opinion on enlarging the present post office building, and at the same time intimated that the erection of a new building could not be entertained. The matter received much consideration, and a suggestion to accept the proposal for enlarging the present space, was not taken to kindly by some of the members present. It was finally agreed to hold the discussion over until the next regular meeting when the attendance would be larger, and the question could be considered from every angle.  
 Death has removed a citizen who at one time was actively engaged in the church life of this town. We refer to Mrs. Martin Johnson who passed away in Toronto on May 23rd, at the private hospital, No. 5 Havelock street. The deceased lady was 87 years of age, and her husband died 49 years ago. Until her son-in-law disposed of the hardware business here to Silvester Bros., she resided in Stouffville, and is well remembered, as being a keen worker in the Methodist church, the W.M.S. and the W.C.T.U. The aged lady is survived by one sister, Mrs. Milton Kester of Stouffville, who is 90 years of age also by two daughters, Mrs. L. M. Dougherty and Mrs. Geo. Kemp, both of Toronto, also one son Marshall Johnson, Barrington, Mich. Nine grandchildren and 16 great grandchildren also survive this good old mother who had been spared many years over the allotted three score and ten. The remains were laid to rest in Dixon Hill cemetery on Friday afternoon last.

Meet me at Musselman's Lake on Saturday evening. Power's Orchestra will be there.  
 D. M. Heise has just returned from a business trip to Cleveland which he made by motor, covering some 1200 miles enroute.  
 Misses Alma Curtis, and Hanna Stiver, also Roy Curtis and J. G. Weatherall motored to the latter's home in Brock township on Sunday and to Orillia.  
 Isaac Reaman's insurance office and a portion of Porter's ice cream parlor will be used as polling booths for the Provincial election on June 25th.  
 Lloyd Turner of the 10th of Markham made an excellent showing with his handsome horses at Uxbridge spring fair. His two teams carried off the first prizes in the heavy horse classes while a heavy colt on the halter won a second prize.  
 A landscape gardener from Guelph was in town Monday to look over the park property. He will submit a plan for the Board of Trade to follow in beautifying the grounds with roadways, shrubbery, rustic bridges, etc.  
 Owing to the cold weather and heavy rains early in May, spring wheat early sown failed to come up, and farmers have had to replant, they report to the Tribune. This is chiefly on ungrained lands, and fortunately weather conditions changed in time to permit of re-sowing new seed.  
 Miss Frances Ratcliff, also Morris Gillion were the local delegates to the Baptist B.Y.P.U. Inter-Provincial Convention held in Brantford last week. It was said to be the largest protestant convention yet held in Canada, some 1600 delegates being in attendance.  
 Measles are quite prevalent in several towns at the present time. Parents should carefully guard against sending children to school when they are suffering from this complaint. If this regulation of the Health laws is being violated, those who are aware of it should notify the M.O.H.  
 On Monday the Main street was thoroughly cleaned and then oiled and sanded under the supervision of Cliff Pipher. A good job was made, and we hope it will keep the dust down for the summer. This treatment given the road surface is also valuable in making a water-proof top, thus adding to the life of the road.  
 As chautauqua this year will be in Stouffville on July 5, 6, 7, and 9th it will conflict with the Mennonite camp meetings, which are billed for June 29th to July 3th. This is very unfortunate, but it appears that the local Chautauqua committee have no say as to the date when the big tent will be pitched here. If they had matters would not stand as they are now.  
 A boy fourteen years of age wandered into town on Wednesday of last week and was taken care of by the authorities over-night. He gave a fictitious name and a make-up story to the effect that he was on his way to Lindsay where his father was employed. The following day he lounged about the town and the council made an investigation which revealed the fact that his mother lived at 645 Logan Avenue, Toronto. She was notified as to the whereabouts of her boy and promptly came to town for the runaway youth.  
 A few days ago a chunk of material fell from the top of the big cement smoke stack at the electric light plant, and there is another piece of several hundred weight badly cracked, which might tumble the fifty feet and through the roof of the engine room any time. To avoid any possibility of a bad accident attention should be given to have the chimney repaired. A strong band of iron circled about the weak portion would reinforce it until the place goes into disuse this fall, and then a stick of dynamite could be used if thought advisable to reduce the stack.

 The Women's Liberal Club will meet next Tuesday at the home of Mrs. J. Borinsky, Queen's Court, at 8 p.m.  
 Local market gardeners predict a big shortage this year in raspberries due to the bushes having been frozen after spring growth started. Strawberries, however, are likely to be a good crop.  
 The Stouffville planing mill has just booked three orders for cottages to be erected at Lake Musselman right away. The local firm report business brisk in the building line at present.  
 Monday, June 4th will be observed as a bank and post office holiday, as has been the custom in the past. Toronto and other places are not recognizing it as a general holiday.  
 On Wednesday morning word was received that Jos. Cook, a resident of Stouffville 10 years ago, but now of Deer Lake, Sask. had suffered a stroke. His nephew, Wm. Cook of Todd & Cook, left immediately for his uncle's home.  
 Stouffville and vicinity is reminded that Dr. Margaret Patterson, Toronto's Woman Police Magistrate will speak in Ratcliff's Hall on Wednesday, June 6th at 2.30, under auspices of Women's Institute. Admission Free.  
 Rev. W. W. Fleischer, the pastor of Stouffville Baptist church with his wife and family have now settled in town, having secured a house in the west end. We welcome them to the community. Mr. Fleischer has just completed his examination at McMaster University.  
 The fire brigade were called to the old vinegar factory at noon on Tuesday, where a blaze had started in an outbuilding. Shares in the concern, now defunct, were at an even lower level for a few minutes, but prompt action avoided any serious damage. A spark from the passing train is believed to have caused the fire.  
 Instead of meeting on Wednesday, the Women's Missionary Society of the Methodist church will meet at the home of Mrs. F.L. Butt on Tuesday, June 5th, at 8 o'clock. The members of the Goodwood W.M.S. have accepted an invitation to meet with us. E. Sanders, Secretary.

The Haliburton Sunday train will make its first trip on June 23rd.  
 Christ Church, (Anglican) has been all newly wired this week for Hydro and the whole church has been newly decorated.

**Defies Rust!**  
 There's one big point about "Toronto" Stable Equipment which makes me specially proud to sell it. It's the fact that the galvanizing thoroughly covers and completely coats both the inside and the outside of the steel tubing with pure zinc spelter. This "hot" process makes it absolutely rust-defying and proof against strong stable acids for the maximum period.  
 This is a mighty valuable feature. Let me explain some of the many others. Or get some of the interesting Toronto Literature.
