IS YOUR BOY SICKLY?

YOU must have heard that Chiropractic has done for growing children. Their health depends upon the condition of their spine. A Chiropractor locates the displaced vertebrae and restores it to its correct position that the nerve force may nourish their bodies.

**MONDAY, WEDNESDAY & FRIDAY 9 TO 12 A.M. AT STOUFFVILLE, ONT.**

## LACROSSE AND SPORTS JULY 2ND

### DOMINION DAY CELEBRATION

For July 2nd in Stouffville there has been arranged a mammoth celebration program, under auspices of the Board of Trade.

In the afternoon a lacrosse match will be played between championship teams of Toronto, also Stouffville will play baseball game with the Westmorlands. George Smith who pitched for Stouffville last season is with the Westmorlands also. Butler of Aurora is on the line-up.

There will be a grand baby show, long distance racing and other events, are offering valuable prizes. Stouffville band in attendance.

The evening program will be one of massed choirs of all the churches and those of the outlying districts. Familiar songs and other numbers. This will be an inspiring evening. Don't miss any of it.

### HOW MANY WILL RUN

There is still an uncertainty as to how many names will appear on the ballot papers in East York. Perhaps four will contest the seat. Hon. Geo. S. Henry is the only one seriously mentioned so far; Geo. S. Clary declares he will run as a Liberal although strong party men have tried to pull him off. Then John Galbraith will run on his own ticket as an independent. The Markham Economist says he is on the beer and wine license, but we are not sure of that, for he nor any of the candidates have ever called at the Tribune office up to the present. Last week a petition was circulated in the south of the riding requesting Mr. Arthur Roebuck to run as a U. F. O. Mr. Little having definitely declined. We understand Mr. Roebuck who is a lawyer, is likely to contest the seat, rather than have it go by default. If he should win he would be a valuable acquisition to the U. F. O., but there is little chance of anyone defeating Geo. S. Henry. Anything may happen today (Thursday) at the nomination meeting.

### AUCTION SALE

Wednesday, June 27th at one p. m., at Green River, credit auction sale of Farm, Live Stock, Implements, etc. of the estate of the late W. G. Barnes also on Thursday, June 28th at 12 o'clock noon, at the same place cash auction sale of the furniture and household effects, etc. of the same estate. Fred Postill auctioneer.

At the 70th birthday of Mr. Ed. Wilson, of Brougham a seven story cake was on the table for the family celebration of his age. On the cake was 70 candles indicative of his 70 years of life.

### A FINE PERSONAGE PASSES BEYOND

After fighting an internal trouble for four years, which grew serious five weeks ago, confining him to his bed, Thomas J. Paisley, of Island Lake, passed away at his residence there Saturday afternoon last. He was in his 55th year, and had been a man of really fine personality. His welcome smile and handshake was like a heart balm to stranger and friend alike. For more than 25 years Mr. Paisley served as superintendent of the Christian Church Sunday School, where he labored earnestly for many years in all branches of church work. He was born and raised in the locality where he died, being a son of the late Thomas Paisley. His wife who was Esther Hussey of Sandford, predeceased him 12 years. To them were born two children; Miss Gladys and Victor, both living at home. Four brothers and two sisters also survive, namely, Wellington and Albert of Uxbridge township, Washington of Whitechurch and William living in Toronto; the sisters are Mrs. Thos. Kellington, Uxbridge Tp., and Mrs. David Stapleton, of Stouffville. On Tuesday all that was mortal of this christian man, whose neighborly instincts were well known in the section, was laid to rest in Churchill cemetery. The funeral service was taken by Rev. Mr. Morton, assisted by Mr. Hamilton of Newmarket.

### BIRTHS

Gillion—To Mr. and Mrs. Morris Gillion, 9th con., Markham, on June 4, 1923, a son.  
Stover—In Stouffville, on June 5th, 1923, to Mr. and Mrs. Ambrose Stover, a daughter.

## DISTRICT NEWS

Aurora and Newmarket girls' baseball clubs are having some exciting games this summer.

Sixty names were added to the voters list in Markham Township, at the Court of Revision.

A motor bus service has been instituted between Newmarket and Barrie, making connections with the radial railway.

Albert Mitchell, farmer of Brown Hill, fell dead while tending a bag of seed. He had been in usual health and made a trip into Newmarket the day he died.

A severe wind storm passed over Uxbridge Tuesday last week. Trees were uprooted, telephone poles were snapped off, and other havoc was wrought. During the same time lightning struck Chris. Wren's house in the west end, but no fire resulted.

Out of 23 municipalities receiving hydro power from Eugenia Falls system all but six made a profit in 1922, which means lower rates. The Eugenia system furnishes power to the municipalities of Bruce and Grey County.

During the very severe electrical storm on Monday last week the two young sons of Jos. Norton, of the Fifth line of Uxbridge, had a narrow escape from death. They had gone for the cows, when the storm came up. They took shelter at the foot of a tall pine tree, and a bolt of lightning striking the tree rendered the boys unconscious for a time. The elder boy recovered first and hurried home to tell his parents. It was found that the younger boy was burnt in his back and had his hair singed. The doctor says that their being barefooted saved their lives.

Sweet clover poison continues to take toll of the cattle herds in this section, says the Port Egin Times. Robt. Nuttal, of the 10th of Bruce, who has been feeding sweet clover ensilage to his cattle lost a valuable milch cow on Tuesday of last week and another on Saturday, while a third cow is suffering from the effects of clover poisoning with small chance of recovery. Dr. C. A. Phillips, local V.S., is now using serum, which is an American treatment, in the hopes of checking the death rate among cattle in this section caused by clover poisoning. This treatment is being used by eminent vets in other sections of the province to counteract the poison from sweet clover with good effect.

On May 31st at the home of Mrs. Hardy (Vice President) the W.A. of Grace Church, Markham, presented Mrs. T. Nind, whose husband was rector of Stouffville Anglican church with a silver sandwich tray and a purse of money. Mrs. C. Lilley read a short address of appreciation of Mrs. Nind's very able and untiring work as President, and of the regret felt by all on her departure. The presentation was made by little Phyllis Latter on behalf of the W.A. Mrs. Hardy served tea and a social time was enjoyed by all.

This is an age of sampling. Or almost everything in the eating line you can obtain a sample, and you can even sample a piano for a month or two. But, whoever heard of a man wanting a sample of a jail farm? And yet that is what a poor old chap, Samuel Hancock, asked for when he appeared before Mr. Jones, Friday morning on a charge of vagrancy. He has been staying at the Home, Newmarket, but for some reason or other, thought the jail farm might suit him better. He wished to sample it.

He goes to test his unknown worth. Old age has robbed him of his zest, and now he seeks a place to rest. And no lonely life will he live there, Others he'll see in their last arm-chair.

The following figures are taken from this year's assessment rolls of Markham township. For assessment purposes the township is divided by the 6th concession, and it is surprising how nearly equal the assessment for the two halves is. So much farm land has already been subdivided along Yonge street that in a very short time assessment values must increase very materially in that section. Mr. Wm. Brown is assessor for the west half and Anthony Forster assessor for the east half. West half—Land assessment as assessed the total land values is \$1,991,625; value buildings, \$1,216,750; business assessment, \$27,041; taxable income, \$16,502. Total, \$2,598,316.40. Population, 2,163; No. children between 5 and 21, 620; children between 5 and 16, 457. No. of dogs, 239; bitches 32. Increase in assessment over 1922, \$39,991. East half—Land assessment, \$1,879,550; buildings \$750,550; business assessment, \$10,250; taxable income, \$2,350. Total, \$2,661,355. Population, 2,694. No. of dogs, 206 bitches 15.

## THE TRI-COUNTY BASEBALL NEWS

Cannington and Beaverton play off for Continuation School honors.

Orillia is leading the northern group of the Tri-County by two wins and no losses.

Newmarket has informed Secretary Jimmie Thompson of the Tri-County League that they never considered making any change regarding the umpire's ruling on the game between themselves and Stouffville, so that the game stands as won by Newmarket.

### LEAGUE STANDING

Team	won	lost	to play
Newmarket	2	0	4
Stouffville	1	1	4
Sutton	1	1	4
Uxbridge	0	2	4

Newmarket defeated Uxbridge at Uxbridge on Wednesday last week, by a score of 9 to 5. Marks, the left hand pitcher for Uxbridge was taken from the box after the first innings because he was clouted all over the field. Clark his successor was hit hard in the 5th and 9th innings. McHale for Newmarket pitched a more steady game, errors being responsible for Uxbridge notching 5 runs. The fielding feature of the game was supplied by Reynolds of Uxbridge. At one time he made a long dive for a high ball and robbed McHale the batter of a three-bagger. Empire, Babe Sheppard of Toronto handled the game in fine style.

After being awarded the game at Newmarket against Stouffville on June 1st, which was not finished on account of darkness, Newmarket advised Mr. F. L. Button that they were not disposed to take the game on those conditions, and offered to play it over again at the end of the series if it affected the league standing. Newmarket's good sportsmanship didn't last long however, for when the papers were forwarded to the Association there to sign, they refused to do so. Since Newmarket made the offer to Stouffville their team played at Uxbridge and met with a victory. This changed the heads of the canal boys so badly that they expect to clean up the league, so they are now content with winning on paper. So be it!

By trimming Sutton 6 to 3 on Friday afternoon on the local field Stouffville is away to a nice start in the ball league. Sutton failed to show the same brand of ball they played at home against Uxbridge, when they won by 1 to 0. Their star pitcher Learyd was hit heavily in the first half of the first innings allowing Stouffville to tally five runs, while Sutton was snout out.

In the first of the second innings Sutton notched their first tally, getting in one run. In the second half Learyd and his team steadied down considerably, and Stouffville failed to get a man past first.

In the third Learyd got to third base, but the next three up didn't reach first. Bowdway tallied for Stouffville in the last half, with Reesor caught out on second.

Sheppard made home in the first of the fourth for Sutton, bringing their score up to two. Bruels was left on third. Stouffville went out one, two, three.

The game was uneventful from this stage to the first of the eighth, when Stouffville nearly blew up. Sutton filled the bases, and none out Bruels stepped up to bat and made a sacrifice hit, bringing in Treloor, still two on bases and one down. Excitement was high, but the locals didn't lose their heads. Galbraith worked hard from the block. Hill stepped to bat, and sacrificed, making two out, then Taylor who got around to third was caught making home, thus the only serious innings ended, with only one run, and Sutton lost their only chance to snatch a victory. Galbraith had three strike outs while Learyd had seven. Red Forsyth played a star game on third bag.

Just before the game was started Burkholder who plays first base, had his thumb badly split by a ball, and was put out of the game. Bill Sanders, one of the old guards, filled in his old position, which is not easily done without practice.

The line ups:—  
Stouffville—Galbraith, Reesor, Sanders, Bowdway, Forsyth, Clendinning, Storry, Dales, Todd.  
Sutton—Learyd, Prosser, Taylor Treloor, Sheppard, Cook, Bruels, Hill Chapelle.  
Umpire Graham, of Toronto.
