The next regular meeting of the Stouffville U.F.W.O. will be held on Tuesday, July 17th at the home of Mrs. Wm. Hunt, Bethesda.

Orilla trimmed Beaverton in the northern section of the Tri-county league last week by a score of 22-1. The asylum town must have some ball players to pile up a score like that.

The vital statistics for the township of Whitchurch for the month of June showed births six, marriages two and deaths two. The previous month there were fourteen births. In Stouffville for June there were no births, with but one marriage and one death.

The moose team exhibited at the celebration in Stouffville on Dominion Day are owned by Mr. J.T. Turner of 990 Woodbine avenue, Toronto, and they are being cared for on the farm of Mr. Dewes south of Stouffville on the 7th concession. The owner, we understand values the animals at \$5000, and has received an offer of \$2500 for them. So far as we can learn, they are useless excepting for show purposes.

The reduction in the County tax rate this year will mean almost a drop of one mill to Stouffville ratepayers, provided the council do not require the money for other purposes. The decision of the county not to extend the good roads system this year, may have been responsible for the reduction by that body.

Uxbridge heads the baseball league, and last Friday defeated Sutton at Uxbridge by a score of five to two. This is the same score that Newmarket downed Stouffville with on the local diamond the same day. While the game here provided good entertainment for the spectators, it was marked by many errors on both sides. While the teams were fairly well matched, the locals always failed when it came to a pinch, and good batting was needed. On several occasions they loaded the bases, but failed to score. The reverse was the case with Newmarket. Stouffville has the material for a good team, but they appear to lack good honest practice. This Friday the boys go to Sutton when they hope to get over to the winning column again. Let's go and cheer them to victory.

The Chautauqua in Stouffville last week was fairly well attended considering the other attractions on at the same time. This year the program was much improved over the previous year, and we believe every ticket holder was well satisfied. The opening day's lecture by Evans, who is nephew of David Lloyd George and the lecture on the closing night by Cope, who has earned the nick name of "Kill the Blues Cope" were instructive and entertaining, carrying something for everybody whether young or old, rich or poor. H. W. Holderby's lecture the third afternoon was highly commented on by many. He also spoke at the Mennonite camp here the same day. For those who like travelogue talk McDowell had it on the second day. It has been decided to have chautauqua again next year for which ticket sale has already been pledged to an amount over 300.

Work on the local hydro lines is being pushed along.

Dr. Barker will not be in his office on Saturdays during the summer months.

Today (Thursday) the local Orange Lodge will attend the "walk" at Sunderland.

The public Library will be closed on July 23rd, opening on August 8th, as librarians are having holidays.

When in need of counter check books, remember the Tribune office. We can save you money on any style book.

Earl Drewey of Ringwood has leased the Delos Morris farm on the 2nd concession near Altona and takes possession next fall.

"I congratulate you on the great improvement in the Tribune," writes W. D. Johnston of Toronto, in renewing his subscription. We are glad the old boys continue to take an interest in their native heath, and The Tribune will endeavor to merit their appreciation.

Over half the 1923 is past. Opportunities pass with the passing of the days. Have you missed the opportunities that came your way? To improve your mind; to improve your health; to improve your bank account; to widen your circle of friends; to make peace with your enemies; to boost your town and community; to do a kind act and a hundred and one other little things.

On Sunday afternoon the local Loyal Orange Lodge paraded to the Christian church for divine service. The town band accompanied the members and assisted in the service of song. Rev. M. Morton delivered a sermon appropriate to the occasion. The title of his remarks were "Lest we Forget", using the text "What mean ye by this service," a question asked the Israelites at the passover. The discourse was greatly appreciated by the large body of men and church attendants present.

The Stouffville Women's Liberal Club elected the following officers at the last regular meeting: Hon. Pres. Mrs. Harry Carpenter, Hamilton; pres., Miss E. Sangster, 1st Vice. Mrs. A. D. Bruce, Unionville; 2nd Vice Mrs. Geo. Lee; Rec. secretary Mrs. W. H. Clark; Cor. secretary, Mrs. Blake Sanders; treasurer Mrs. Lud Hoover; Executive, Mrs. Mowat, Mrs. C. Widenand and Mrs. John Hatcliff; Miss Alma Baker and Miss Ada Barkey, North York; Mrs. H. Boyd, East York; Mrs. A. Carruthers, South Ontario; Mrs. Delos Morris, North Ontario.

A new feature of Chautauqua this year was the children's story hour each morning at 10 o'clock. Miss Edith McCune, the story girl, in marvelously quick time won her way to the hearts of all the children at the very opening and young folk wouldn't miss story hour for a good deal. Her program of entertainment was highly instructive as well as entertaining. While the morning hour was especially for young folk older ones attended, and one morning two ladies both over 80 years of age were present, and with their years of wisdom they said it was good to be there. This is the first season the story hour has been attempted on the four day circuit, although it is a strong attraction on the six day circuit.

Sunday church services usually pass off quietly these days and with out any disturbance. However, something akin to confusion and consternation happened in the local Methodist church last Sunday morning. The service came to a close, the benediction pronounced, still the congregation stood riveted to their positions, at least those long steeped in Methodism. What was wrong? Why not disperse? Suddenly the pastor remembered! "The collection The collection," he exclaimed. "It had been overlooked, but the formality was quickly gone through and matters became normal again. One attendant who is in his 80th year, and who had given one son to the Methodist ministry, stated that it was the first time in his experience that such a thing had occurred on Sunday.

Mr. and Mrs. John Sanders are distinguished citizens in our midst for they are amongst our very oldest inhabitants, and have just reached the 50th anniversary of their wedded life. Mr. Sanders is 73 years of age, while his life partner is nearly two years his senior. It was away back in 1869 (55 years ago) when Mr. Sanders landed in Canada from his native home in Devonshire, England. He settled in this locality right away and was married at Hagerman's Hill, his wife being a native of Markham township being born on the 6th concession. Mr. Sanders recalls that on his wedding day he was loaned an umbrella. Last Saturday when in that village he called in and returned thanks for the loan of 50 years ago. His first position when a young man here was with the late Edward Wheler, and Mr. Sanders ploughed as the first job assigned to him the land from the station about 80 rods north and up to the 9th concession. This ground is now dotted with houses. Mr. and Mrs. Sanders have three sons living, William and Blake of Stouffville and Rev. Edward Sanders of Rosetown, Sask. The family are among the very oldest on the membership of the local Methodist church who are still attendants with the local body. We join with the citizens in complimenting Mr. and Mrs. Sanders on having been honored with long years of life together.

At this time in Stouffville there have been so many attractions that even the old time strawberry festival was crowded out, and the season is passing off without even one being held.

On page 2 of this issue, will be seen a picture of the special train which hauled the press party to the Maritime provinces, every county in this province being represented. While many counties had four and five representatives and their wives, York county had but two, one being the publisher of the Tribune and his wife. Our story of the trip is held out because of the demand for space.

One of the largest picnics of the season will be held at Robt. Ratcliff's farm home west of Stouffville on Saturday, July 21st, under auspices of Emanuel Baptist choir, Toronto. The evening program will include an hour singing of gospel songs, led by Rev. J. M. Smith and the church choir. On Tuesday, July 10th, 1923, at the Ringwood Christian church by the Rev. Mr. Morton, Esther Oletha daughter of Mrs. Emma Maria Brownsberger, was married to Bruce Willson, son of Mrs. Isabelle Morton. The church was well filled with guests and friends. After the service the bride and groom, followed by their guests, went to the home of Mr. and Mrs. Albert Reesor, the wife being a sister of the bride, where all had a time of real enjoyment. Mr. and Mrs. Morton went for a trip through Muskoka. They both expect to go to Porto Rico as missionaries sometime in September. We wish them a life of enjoyment in their new field of service.

A very pretty wedding took place at Hope Methodist church, Toronto, on July 4th, when Ida, only daughter of Mr. and Mrs. Cadwalder, 191 Lunsden avenue, was united in marriage to Lloyd Hill, eldest son of Mr. and Mrs. Wesley Hill, of Stouffville. The bride wore a gown of ivory cation crepe and pearls and was attended by Miss Sarah McKinley and Miss Winnie White, cousin of the bride, carrying showers of cream and pink roses. The bridegroom was attended by Mr. Horace Gray of Ballantrae. The immediate friends returned to the bride's home where buffet luncheon was served. The ceremony was performed by the Rev. Dr. J. Ferguson an old friend of the bridegroom's grand uncle, the Rev. Newton and Edward Hill. Mr. Hill will reside in Detroit.

Mrs. Dawson mistook the cellar door for the one entering to a stairway up. At the time of the accident her parents Mr. and Mrs. Elias Lehman also Mr. A. G. Lehman and Miss Ida of Stouffville were there spending the day. It is fortunate that Mrs. Dawson was not fatally injured and her friends will be glad to know she is getting along very well.
