### THE CALL OF GEORGIAN BAY

Georgian Bay, that gleaming stretch of Lake Huron's waters, dotted with 30,000 islands of all shapes and sizes is one of the most delightful and popular of Canada's summer playgrounds.

It is so beautiful and there is so much to do—canoeing, bathing, fishing, yachting—all these delights await the lover of the water. On land there are sports aplenty—tennis, golfing, lawn bowling, picnicking, and dancing for those on pleasure bent and for those who are weary of the gay social whirl, hundreds of alluring trails over wooded heights and camping grounds where primitive pleasures restore the faded spirits of the city dweller.

The shoreline of the Bay is dotted with resorts to suit every taste. The breezes from across the broad expanse of Lake Huron are always cool and invigorating, and the waters abound in black bass, maskinonge, salmon trout and other fish. Hotel accommodation is good.

All the chief points on Georgian Bay are reached by Canadian National Railways and descriptive booklet may be procured free from any of their agents.

A view of the Valley of the Kings where King Tut's tomb was discovered, will be one of the features of "Cleopatra", the Spectacle to be produced before the Canadian National Exhibition grand stand.

### EDITORIAL COMMENT

Beware of what you say. No one can reckon the influence for good or evil of what is said. "The seeds in an apple can be counted, but no one can count the apples in a seed."

Sugar is dropping in price. Evidently the profiteers in the big centres couldn't stand the abuse being heaped upon them, or perhaps they have made enough to satisfy them for a while.

In the County of Ontario for the quarter ending July 31st, \$7,790 was collected in liquor fines. There were 29 prosecutions, according to the report of License Inspector C. A. Mason of Oshawa.

In another part of the province a farmer is being sued because an autoist ran into his cattle and damaged his car to the extent of \$200. To our way of thinking, the farmer should get damages for his cattle being injured. The autoist who doesn't know enough to slow down when passing cattle on the road, hasn't brains enough to drive a car. There is too much rush and speed these days, which is accountable for nearly all the accidents.

### FOURTH LINE UXBRIDGE

The raising at Ed. Evans on the 5th line took place on Wednesday this week. A good number from this locality assisted in the operations.

Robert Rawson sent back a line from Sudbury stating that everything was going fine on the trip to the western harvest fields. Two other boys who left here for the West were Douglas Dickinson and Frank Collins.

The baseball match between the Uxbridge and Mount Albert ladies baseball teams took place here last week and resulted in a victory for the local team by one run, the score being 19 to 20. The next game will be played at Sandford.

Dr. Mills who succeeded Dr. Cody about ten months ago has sold out his medical practice to Dr. Carruthers of Stayner. Dr. Mills has been very successful in his practice and will be much missed in the community, having made many warm friends during his short residence here. He expects to take up hospital work.

Mr. Stewart Travis who operates a threshing outfit, met with a serious accident on Monday morning. While in the act of putting a belt on a pulley, his coat caught in the machinery and drew his arm under the pulley, breaking his arm near the shoulder. If it had not been for the prompt action of one of the men who was assisting, the results might have been much more serious.

### MARRIED FIFTY YEARS

A notable event in the life of Mr. and Mrs. Harvey P. Appleton, well-known residents of Unionville, was the celebration of their golden wedding anniversary, on Friday, August 17th, at Unionville. Many members of the family and numerous friends gathered together for the day. Mr. and Mrs. Appleton live on the sideroad between Markham and Unionville, and are widely known in the community.

Both were born at Langstaff, grew up and were married there. Mr. Appleton was engaged in farming until his retirement a few years ago, and he and his wife were active in all local affairs. They are members of the Methodist church. Osman K. was a member of the original Princess Pats, and fell at the battle of Viny Ridge.

A few of those who spoke briefly at the celebration were Rev. Mr. Wilkinson, Geo. Champion, William Regan and Dr. Hore, of Markham, all of whom voiced the hearty greetings of the whole countryside in best wishes for the future of the couple. Wm. Pettit, of Lemonville, who was "best man" at the wedding, added a few words of congratulation and good cheer.

A well filled purse of gold was presented to Mr. and Mrs. Appleton by the members of their family, while many gifts were received from neighbors and guests.
