

FALL PAIRS

Markham	Oct. 4-6
Beaverton	Sept. 17-19
Oakwood	Sept. 17-18
Orillia	Oct. 2-3
Lindsay	Sept. 19-22
Midland	Sept. 27-29
Sunderland	Sept. 25-26
Zephyr	Oct. 2
Coldwater	Sept. 20-21
Port Perry	Sept. 13-16
Fenelon Falls	Sept. 14-15
Oshawa	Sept. 10-12

A former councillor of Whitty J.M. Kenny has to appear before a magistrate to answer the charge of taking an affidavit knowing it to be untrue. This is in connection with his taking the oath of qualification as councillor last January. Some time ago Mr. Kenny was served with notice by Councillor Conlin's solicitor calling upon him to resign his seat in council because he was not qualified at the time he took his oath of office. Mr. Kenny did not resign and it is presumed the present action is the outcome.

LOCAL HAPPENINGS

School re-opened on Sept. 4th after the glorious holidays.

Dressmaker—I am prepared to do any kind of Dressmaking at home Victoria street, Mary Grose.

Comfortable Room and Board for School children after Sept. 1st. Apply Box 107, Stouffville.

Miss Jessie Grice who lives in the first house east of the Baptist church was an exhibitor in crochet work at the Canadian National Exhibition.

A Stouffville man was heard to calculate why the water in Musselman's Lake is so clear each morning. He says the face rouge all settles at the bottom each night.

In reaching for a window blind W. H. Shaw, slipped and fell, sustaining two fractured ribs. In future, W. H. says he will always want one foot on the ground no matter how high he goes.

C. W. Barker writes from Regina to renew his subscription to the Tribune. He states that he does it with pleasure because he is delighted with what he terms, "such a newsy paper." The Tribune each week is better than a letter to absent friends.

Quite a number of invited guests attended the opening ceremonies at the Canadian National Exhibition week ago Saturday when they witnessed the commencement for another season of the greatest annual fair in the world, which is headed this year by a citizen of Stouffville, Mr. Robert Miller.

The efforts of the reeve to have the York County Highways Commission provide an outlet for the water which formed a frog pond in front of the Nova Scotia Bank to Ward's garage, were successful last week. Cliff Pipher and his men put in sufficient manholes to carry off anything short of a Johnstown flood.

When we call attention to the shabby appearance of vacant lots on Main street and many boulevards in the town, we do not wish to be regarded as in the kicker's class. Such criticism, we hope, will eventually do good. Speaking of kickers reminds us that a cat scratches, a dog bites, a bee stings, a heart loves, a jackass kicks—we shun the latter.

The latest information we have on the hydro situation in Stouffville is that the line should be finished here and the power turned on by October First. The line from Yonge street to Mount Joy is completed and most of the construction done from Mount Joy to Stouffville. Inside the corporation work is still retarded on account of the telephone companies not having their lines moved in the east end of the town.

Mrs. Esther Bassingthwaite, died suddenly at her home, Big Lake, Manitoulin Island, on August 22nd, 1923, in her 88th year. Mrs. Bassingthwaite will be remembered by some of the older residents in and around Stouffville as she spent her girlhood and early married life near Altona. She is survived by three daughters and two sons, Miss Elizabeth, Benjamin and Harold of Big Lake, Mrs. Hatley, of Toronto and Mrs. Darius Fields of Stouffville, also one brother Mr. Jesse Lehman of Indiana, U.S.A.

A "bee" was held last week at the bowling green to paint the club house. We didn't hear who selected the colors.

Last week Orillia easily defeated Aurora in the O.B.A. semi-finals, in both games. Orillia baseball team is a strong aggregation.

In the absence of a picture theatre in Stouffville, the Eaton girls this summer attended the Strand Theatre in Uxbridge once a week, from their summer home at Shadow Lake.

\$200 cash payment and the balance spread into 12 payments will put you in possession of a new Ford touring car with starter equipment. Read the advertisement in this issue of the local dealer's R. E. Brown's.

August 23rd was the last day for filing appeals against the Voters' List for the Village of Stouffville. It is remarkable that not a single appeal was lodged, and there will therefore be no need to hold a Court of Revision to hear the usual complaints.

Mr. and Mrs. Percy Stover have moved to their new home recently purchased from Noah Baker in the east end. Mrs. Gray who lived opposite the Queen's Court property has moved into the house vacated by the Stovers on Market street.

As a result of getting a silver in his hand, Joseph Wild, a resident of the east end and a C.N.R. section man, has been seriously ill. Blood poisoning set in and more than one occasion the skin on the whole palm of the hand had to be scraped off. The patient is now up and on the way to recovery.

Most of the harvest is in, and the farmers are engaged in threshing and plowing again. Fall wheat is a good yield, and oats are said to be the best in some years. Sweet clover too, was a big yield, so our farmers are fortunate this year when so many places are affected by the drought.

While Stouffville is out of luck in getting a new post office building, the present accommodation is to be improved. Work is expected to start next week on the installation of a furnace under the present building in the Ratcliff block, also additional space is to be provided in the public office as well as in where the mails are sorted and made up.

September 1st was the last day on which our taxes could be paid without a penalty being added. Up to that time something over \$10,000 was paid in, which is about the same amount as last year. This means however that more taxpayers than last year paid the first instalment before the penalty was added, as the rate is lower. Collector Harry Perry is still open to receive money on tax account. The last instalment is not demanded until December.

At the request of the directors of the Canadian National Exhibition, Stouffville Band, about 35 strong, played at the exhibition grounds on Wednesday this week, on the lawn in front of the Administration building. No doubt the worthy president of the C.N.E. was instrumental in having such an honor bestowed upon Stouffville's musical organization, and the boys and citizens generally feel deeply honored.

While assisting in putting up some bunting at the Coliseum on the C.N.E. grounds Tuesday this week, Thos. Graham of Graham Bros., Clarendon, sustained a nasty cut on the head when he fell to the ground some feet. He was rushed to the emergency hospital and later to the General. His injuries were not of a serious nature as reported, and on Wednesday he was able to be about again.

There is a serious overcrowding at the public school and in the Continuation rooms as well. On Tuesday when school reopened there was 200 pupils in attendance in the public school and 73 in the continuation. These figures will increase some as other pupils return. The increase in the continuation room is 33 pupils, while throughout all the rooms seating accommodation is taxed. If this situation continues the school board will be forced to add a couple of additional rooms to the building. There is only a slight change in the personnel of this year staff, which is in the primary room. The teachers are Principal Archie Stouffer and Miss McKinnon in the Continuation school. Public school—Principal Paul Boudway, Miss Huxtable, Miss Spoffard and Miss VanStickle.

On Saturday, Sept. 1, 1923, a quiet but pretty wedding took place at the home of Mr. and Mrs. Isaac Barkey, Stouffville, when their youngest daughter Marjorie Maurice was united in marriage to Leslie Harold Williamson of Toronto, son of Mr. and Mrs. David J. Williamson of Stouffville. The ceremony was performed by Rev. Geo. E. Coulter in the presence of immediate relatives. To the strains of the wedding march played by Miss Annie Lehman, the bride entered the drawing room being given away by her father and wearing a gown of Sand Canton Crepe and carrying a bouquet of Ophelia Roses and Lily of the Valley. After the ceremony a wedding dinner was served, and the happy couple left by motor for Toronto where they will reside. The bride travelled in a suit of navy blue tricoteen with Sand Panne Velvet hat. The bride was the recipient of many useful and pretty gifts.

An Uxbridge man claims to have a straw hat 50 years old. We sympathize with him. Our's looks it.

Stouffville baseball team won two games on Labor Day in Toronto from the Woodbine Veterans. The boys were entertained at a banquet and dance in the evening.

Sympathy is expressed for Mr. and Mrs. Kenneth Coulson of Toronto whose baby girl of two days old died on Tuesday. Kenneth Coulson is a son of a former reeve of Stouffville, Robert P. Coulson.

Miss Myrtle F. Beebe, teacher of piano and theory, will reopen her class in Stouffville Thursday, Sept. 6th. Miss Beebe will be in her studio Wednesday evening, all day Thursday and Saturday evening after 6.30 and requests her pupils to get an early start in the term on account of examination work, also new pupils have applied which will make it difficult to get all placed in the limited time.

This week Mr. and Mrs. Wesley St. John of Glasgow moved to Aurora where he has taken a position with the Continental Match Co., a newly organized concern, whose new factory is just being completed in Aurora. Mr. St. John is one of the shareholders of the company. The St. Johns have been connected with Stouffville for many years, and when the Continental Match makes a strike with the public as successfully as the famous Eddy, we hope Mr. St. John will return to the old town and build his castle here.

The choir of the Methodist church and Garrett Mission Circle, surprised Miss Abbie Collins at her home Monday night, it being the eve of her marriage to Mr. Charles Neal of the C.P.R., formerly of Clarendon. The arrival of the guests was announced by much honking of horns and hilarity. After an hour spent in games the bride-elect was presented with an address read by Miss Gertrude Todd, and a cut glass berry bowl and vase by Miss Eva Hoover and Miss Emma Winn on behalf of the choir and Mission Circle. Miss Collins replied appropriately. Refreshments were served, after which the party broke up, with singing "God be with you till we meet again."

The drowning accident at Musselman's Lake on Saturday night is said to be only the fourth fatality of its kind there in 50 years. Three of these occurred the past three summers, a young man being drowned last year, and a girl the year before. Away back nearly half a century ago before such a thing as a summer cottage was dreamed of at Musselman's a farmer was drowned there, and it was a long time before his body was recovered. With the number of campers at the lake, such accidents are more likely to occur. Delos Graham purchased the dragging apparatus used to recover the body of Mullin, so that in future if such an unfortunate thing should occur, there will be no delay in recovering a body.

GOODWOOD

Mrs. LaFraugh of Toronto visited her sister here recently. Quite a number attended the Institute social on E. Wagg's lawn and enjoyed the affair immensely. N. Maye has taken a position in Oshawa for a time. C. W. Harper, who has punched more dough than most of the ladies in Goodwood, was in town recently. Miss Gertrude was with him. Miss Robinson who has been home for the holiday season resumed her teaching duties again this week. Mrs. Harry Flumerfelt and daughters were recent visitors here. Mrs. Reynolds of Markham has been visiting her sister-in-law Mrs. R. Hope. Mr. and Mrs. Foksett were on a motor trip to Toronto. Mrs. Cooper and daughter-in-law (Martha) have gone to Parry Sound for a visit. Mr. and Mrs. Bert Sharpe and two children of Toronto were visiting relatives here. Miss Legate and her father are enjoying the car, and so are many of their friends, who have been indisposed. Mrs. Harper is able to be out again, and has been spending a few days at the lake. Miss E. Johnson has returned to Toronto again. Both our ministers in the Baptist and Methodist churches have resumed their duties again after holidaying.

Shortly after midnight, Thursday Edward Luke, a young man in the employ of J. Lewington, an Oshawa florist, was held up at the point of a pistol by two unknown men near Thornton's Corners, two miles west of Whitty, on the Kingston road, who relieved him of \$1.75 in cash and two packages of cigarettes.

ACCIDENT AT GOODWOOD

A bad accident occurred opposite Dr. Darling's residence in Goodwood at 10 o'clock on Tuesday night when Mr. and Mrs. Fred Batson and his sister from Toronto were thrown out of a buggy and severely bruised. Up to Wednesday afternoon the horse which caused the trouble had not been recovered.

At this point there is a steep hill down which the parties were driving when the horse which is a registered four-year-old, suddenly bolted into Dr. Darling's driveway, completely turning over the buggy. The woman was severely shaken up while Mr. Batson sustained a nasty cut across the nose. Dr. Darling rendered quick aid, and Mr. Batson was soon able to proceed in quest of the runaway animal, which was last seen in the vicinity of Stouffville. The buggy was badly smashed, and a portion of the harness remained on the horse.
