LOCAL HAPPENINGS

Merry Christmas to all!
 Porter's headquarters for choice Candles and Nuts for Christmas.
 Fancy Stationery, Cards and Booklets in abundance. Market Drug Store.
 The store windows are nicely decorated, and each emphasizes the fact that Christmas is at hand.
 See that the Tribune gets a report of your Sunday school or day school concert. We appreciate having them sent in.
 Mr. Burnett, of Markham has moved into Ed. Baker's house here in the east end. He is local distributor for the Canadian Oil Co.
 Methodist Christmas Tree and Entertainment, Friday, Dec. 21st, in the Auditorium. Admission 25c. children 10c.

The window in Baker's music store contains a good pencil sketch picture of a chariot race, drawn by Mr. L. Lounsbrough of this town.

The Aurora-Banner suggests that all merchants leave on their window lights during the Christmas time, so that those who are unable to get down town in the day time, may see the display at night.

Mr. Ambrose Stoyer purchased the driving horse sold at Lloyd Turner's sale last week for \$110. He will be engaged hauling the bread wagon through the country for a few years, and should make a good animal for the purpose.

Will some of your friends miss your friendly greetings this Christmas? If you have forgotten someone, it's not too late to step into the Tribune office and have us print you a dozen or more personal cards, with your name neatly printed on.

Mrs. Susan Reynolds has sold her house and lot on Victoria street to Wm. Yanzant of Altona. Mrs. Reynolds has lived on Victoria street for more than twenty years, but being quite feeble and of advanced years, she will now make her home with her daughter near Goodwood.

Bread took an unexpected drop in Stouffville one day last week, but it will not affect the family purse, for it was merely the load on the wagon that dropped. The old sorrel horse that pulls the local bake wagon about the streets, got a bit excited, and dashed up Main street like a real charger. The wagon went over and narrowly averted colliding with an automobile. Fortunately little damage was done.

The streets of Stouffville are now well lighted after dark, and the council have placed the lights fairly general over the town. Now that they are all up we have ninety-three 100 watt lamps, and they will cost the ratepayers \$23 per year, each or a total of \$2139. If our hydro creates a surplus this year, this bill will be less in 1925. Most people will agree that it is money well spent to have our streets lighted well at night. If all the lights were put up that were demanded of the town fathers, it would have required another ninety-three.

See "The Old Nest" at the Auditorium on Christmas night.

Good storage for Autos and Furniture. Apply A.H. Lawson, Phone 2704.

Holstein cow sale at the Mansion yards this coming Saturday, Dec. 22nd.

Big juicy oranges are got at Porter's. The famous Blue Goose and Neapple, Floridas.

Prime Christmas Beef, fresh pork and sausage for the Christmas season at M. Tait's butcher shop. Orders delivered. Phone 3501.

According to a letter received by a friend in Stouffville, turkeys are selling in Saskatchewan at 12 1/2c. per pound. In Toronto the price is around 30 cents.

As Tuesday next is a public holiday, we would ask our correspondents to mail their budget of news on Monday if possible, and send lots of it. We have not heard from some quarters for quite a spell, but now that the season is not so rushed we hope for more frequent letters.

To our many friends and generous customers, whole affection and friendly feelings and patronage we have cherished during the past year, may the joy of achievement, the joy of contentment and the peace which passeth all understanding be yours this Christmastide and through the coming year. A. Grubin.

Friday, Jan. 4th has been definitely set as the date for the Grand Band Concert and Moving Pictures combined, under auspices of the Stouffville Citizen's Band. Capt. John Slatter of the 48th Highlander, conductor. An elaborate program of good music by the Band is being arranged. Come and assist the boys to secure funds to continue their tuition during the winter.

At their annual meeting on Monday afternoon of this week the Reid Memorial Mission Band of St. James Presbyterian church appointed their officers for the ensuing year. They are as follows:—President, Margaret Mackenzie; 1st Vice Pres., Hugh Thomas; 2nd Vice, Janet Button; Secretary, Geo. Crawford; Treas., Edna Watson; Organist, Eric Collard Social committee—Ted Courtney, Helen Todd, Janet Button.

The "Mary Haig" Sr. Mission Band of St. James Presbyterian church held their annual meeting at the home of Mrs. E. A. Button on the evening of Monday, Dec. 17th. The following officers were appointed for the year 1924:—President, Jean Mackenzie; 1st Vice, Alice Byrne; 2nd Vice, Ida Mowder; Secretary, Isabel Aitchinson; Treas., Jessie Walls; Organist, L. Mowder.

We have been asked to lodge still another complaint against the boys. This time they have been throwing stones at the new electric light bulbs on the streets in the east end and Mr. Nendick has had to replace no less than six the past week or ten days. As these lamps run into considerable money, the boys are causing a serious and unwarranted destruction, and parents should sound a note of warning in the homes, which it is hoped will have the desired effect, otherwise some one will be hauled before the bench.

The Presbyterian Sunday School anniversary which was held on Friday evening last, turned out to be a splendid success, the weather being ideal, and the church filled to the doors. The program was varied and interesting, one of the outstanding features of the concert being the impersonation of Harry Lauder, by Luella Gayman, who appeared in Highland costume. This was acknowledged to be one of the best impersonations ever seen in Stouffville. At the close Santa Claus appeared and presented every boy and girl a bag of candies. Dr. Smith officiated as chairman.

The municipal pot is simmering slowly. That there will be a contest here for the reeveship is quite probable. Reeve W.E. Moyden will defend his position on the hydro by running for office again, and the opposition we hear mentioned is John Dougherty and probably Amos Lehman. Those three were in a three cornered contest last year it will be remembered, finishing at the poll in the order in which the names are here mentioned. Both Fred W. Silvester and Dr. Bates are being urged strongly to enter the contest for the council. The old councillors are still reticent, but we understand Mr. Beebe will be in the field again.

There was a mild explosion in the Tribune sanctum the other morning, in which the proprietor of the local picture theatre, Mr. Sidney Schmidt, and the Tribune editor, had an exciting time. Mr. Schmidt set off the fuse when he took us to task for condemning in our last issue the picture entitled "Enemies of Women". He looked upon it as a personal attack, but we had no thought of Mr. Schmidt when we criticised the picture. We believe he is sincere in his effort to put on clean shows, but no one suggested that he selected the picture for the Board of Trade. Had the selection been left to him, we believe there would have been a different picture shown. However, the row was on, saw bones cracked and tongues wagged from either side for the count. The picture show man retired to the street, however, he had given us a good lesson on criticizing moving pictures. We won't say what we thought, but we give Mr. Schmidt credit for lodging his grievance against the Tribune, at headquarters. We have been in the business long enough to value criticism. Call again!

WE EXTEND HEARTY GOOD WISHES TO ONE
 AND ALL FOR A JOYOUS TIME
 DURING THIS FESTIVE SEASON.

STIVER BROS

Don't fail to see the display of Toys at Porter's—Christmas Cards, Decoration Papereries, etc.

The picture theatre will show something special on Christmas night.

Call at H. Leadbetter's butcher shop and see the Christmas display. Choice cuts for the Christmas holidays.

Several good lines of Chocolates at the Market Drug Store. But if you want something extra choice, get Huyler's.

Typewriting—Miss Frances Katicliff is prepared to do typewriting for the public. Reasonable rates.

For Sale—A Mechanical Train for electricity, station, switch, poles and 100 lengths of track. Will operate from an electric light wire. Edison Wilson, Stouffville.

Are you a lover of good music song? Come to the Methodist church Sunday evening at 7.30, and enjoy the Christmas Cantata to be given by the choir.

There is little or no change in the local stock and grain markets this week. Butter 47c, eggs 60c and dressed chickens 20c. Turkeys are moderate in price, not over 25c. on Stouffville market. Geese 18c.

Messrs. F. L. Button, W. H. Todd, Dr. Ball and A. V. Nolan attended the B.M.B.C. Community night in Uxbridge, Tuesday and heard Sir George E. Foster on "The League of Nations".

Lemonville Public School Christmas tree and concert will be held in the new school on Thursday, Dec. 20, at 8 p.m. Good program of dialogues, drills, recitations, pantomimes, etc. Admission, adults 25c, children free. All welcome.

Mr. Adam Betz is in receipt of a letter from his nephew Frank Betz, from Coin, Germany, where he states there are three hundred thousand idle men. Prices are steadily advancing, but fortunately for Mr. Betz's nephew, he has a small piece of land on which he is able to grow a few potatoes and other necessities of life. A three pound loaf of bread costs 233 marks, a quart of milk 280 marks. One slice of bread, for they are now selling it by the slice, costs 75 marks. When one considers the mark represented 24c in Canadian currency before the war, you may gain some conception of the enormous cost of eatables. Eggs are very scarce in Germany judging from the prices quoted in the letter. They are sold at so much each, not by the dozen, and the price is 220 milliard marks a piece.

Our townsman, Mr. Betz, was born in Germany, but has lived here in this locality for sixty-one years, so that he is numbered with our very oldest inhabitants. He is of the opinion that the allied nations made a mistake when they stopped the war at the stage they did, for what Germany needed was a little of the destruction and punishment which that country meted out to France and Belgium. The German military machine must be broken, when it will be found that the German people would shun war just as our people do here in Canada.

It required 220 milliard marks to pay the postage on the letter Mr. Betz received. Just what that means, we don't know. The word "milliard" is not in the English dictionary. However, judging from the price asked for a small egg omelet in Germany, postage will be mighty high also.

Big special "Rags to Riches" at the Auditorium Saturday night, also the comedy "Under Two Jags".

WHITCHURCH MUNICIPAL

It is reported that David H. Russell may be a candidate for the reeveship in Whitchurch this year. His principals are economy and reduced taxes. In an interview with the Tribune he said: "Whitchurch spent \$19,446.83 on roads and bridges last year. Taxes went up and when they were all collected they still owed the Standard Bank \$15,900.43. This year a similar amount was spent on roads. Townships rates higher and still carrying a heavy load of debt. People are demanding lower taxes. The country is demanding it and the financial world is demanding it. We want the most careful men, and the best financiers to put us out of debt and yet serve all the people to their best interest."

MILK

BECAUSE in any sickness in a family the mother is the one that suffers the most, in many cases not less than the patient. That is why the mother is always on guard for the good health of the entire family. It is always her aim to get the safest possible food available. The safety of food is not the thing that you can afford to take any chances on. The milk we sell is absolutely the safest under the present circumstances in this town. The sterilizing of milk bottles and cans has been a bylaw in this town since 1916 but was never carried out by any milk vendor. We are the first to carry it out in the most satisfactory way. The sterilizing of milk bottles is the most important part in the cleanliness of the milk business. Your milk is handled in a plant sanitary and suitable for that business, such as Stouffville never had in its history before. We also deliver sweet cream and buttermilk.

Wishing one and all a Merry Christmas.

Stouffville Creamery Co.

GREETINGS

THAT YOUR CHRISTMAS MAY
 BE A MERRY ONE, and that
 the NEW YEAR may be filled
 with JOY and PROSPERITY
 IS OUR SINCERE
