## New Year's Greetings

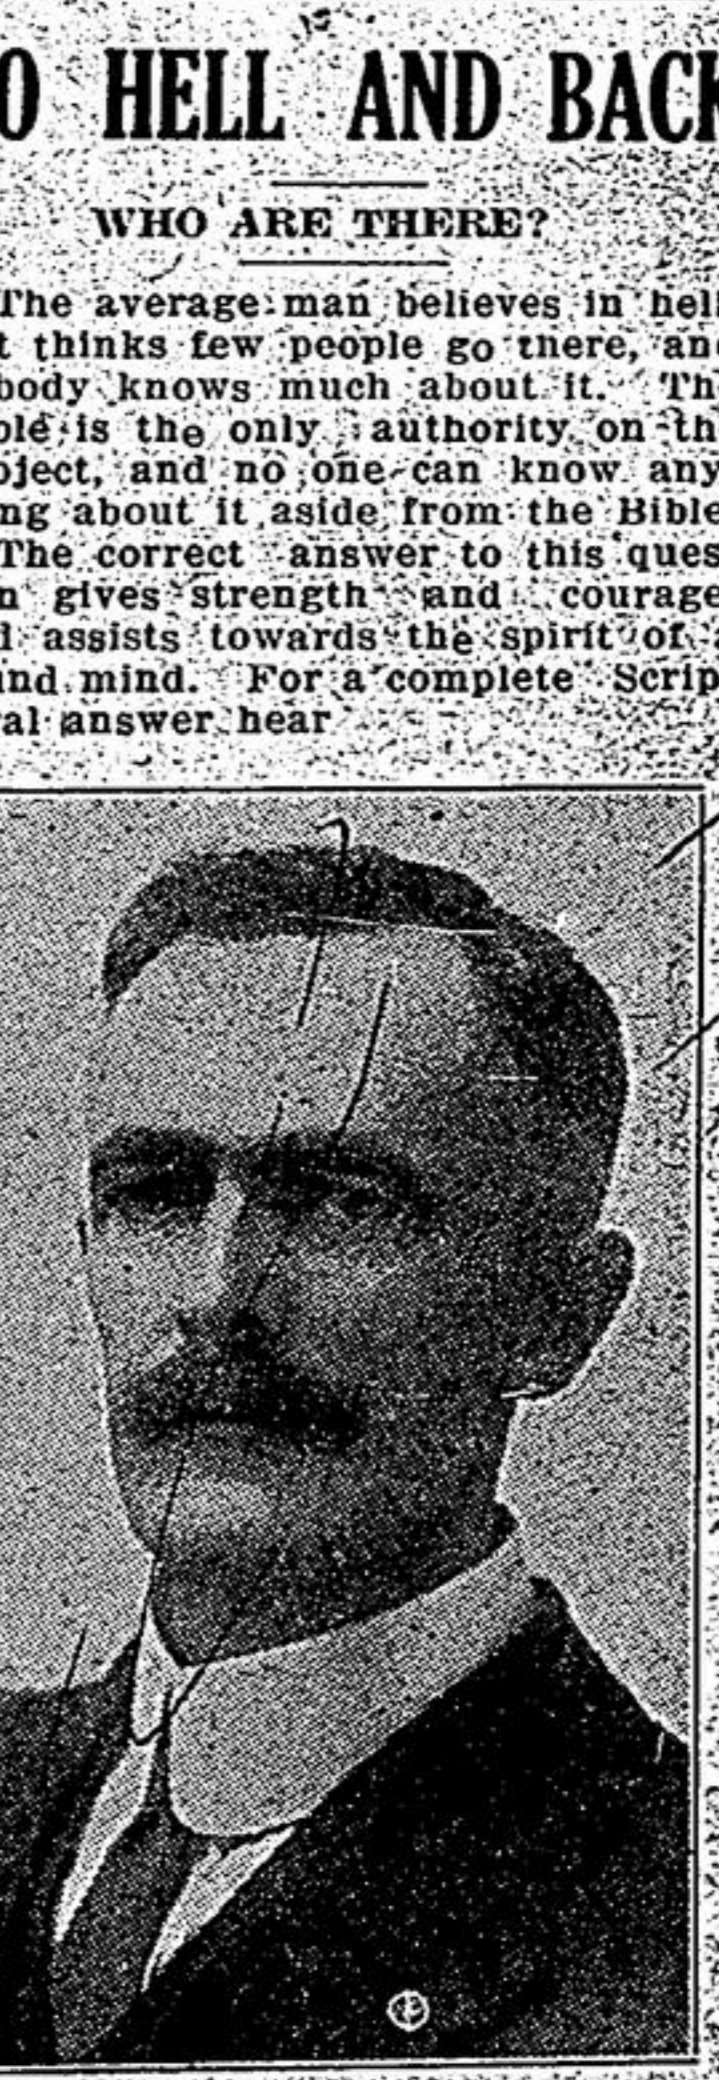

We feel that all of us—you and me—play a prominent part in making A Happy New Year by providing the means for that music without which the season would be dull indeed.

We want to give expression here to that age old wish that is ever new—a wish prompted by years of pleasant and, we trust, profitable business intercourse and intensified at this season of good will.

"And may you all live long and prosper."

GEORGE E. BAKER

**TO HELL AND BACK**  
WHO ARE THERE?  
The average man believes in hell, but thinks few people go there, and nobody knows much about it. The Bible is the only authority on the subject, and no one can know anything about it aside from the Bible. The correct answer to this question gives strength and courage, and assists towards the spirit of a sound mind. For a complete Scriptural answer hear

## The New Ford Touring Car

For the motorist who requires a good-looking car of unusual serviceability, the new Ford Touring Car is a splendid investment.

To the sturdiness and endurance for which the Ford is universally famous have been added new features which materially enhance the appearance of the car and add to the comfort of the passengers.

The new radiator is higher, giving greater cooling efficiency—the hood and cowl are larger affording increased leg-room, and the steering post is braced for easier driving. With roomy accommodations for five passengers, the new Ford Touring Car is undoubtedly the most practical general utility car on the market.
