### CLAREMONT

On Saturday morning, Jan. 19th the death of Melissa Alice Coates, wife of Wm. R. Coates, occurred at her late residence in Huntsville, at the age of 27 years. Mrs. Coates had been ailing for about five months with diabetes but her condition was not thought to be serious. She was taken suddenly worse on Friday, Jan. 18th and passed away the next morning at 2.30. The deceased had only been married nine months.

On receipt of the news of her sickness her two sisters, Mrs. D.A. Pugh and Miss Jennie Morgan left for Huntsville and arrived at her home a few minutes after she had passed away.

On Saturday evening at 8 o'clock at her late residence there was held a service conducted by the Rev. Mr. Skeene, being largely attended by friends and members of the band of which her husband belongs.

The funeral met at her parents' home, Mr. and Mrs. D. M. Morgan's, Claremont, Jan. 22nd, service being conducted by Rev. Mr. Osborne, assisted by Rev. Mr. McClellan, taking his text from Luke 24: 6. "He is not here, He is risen" which he delivered in a very impressive manner to a large gathering of sorrowing friends.

Mrs. Coates was a girl, with a lovable, sweet disposition, and was a great favorite with all who had the pleasure of her acquaintance.

Among the many floral tributes were wreaths from the Anglo-Canadian Leather Co. Band, and Ladies of the Baptist church, Huntsville, also A. H. Boomer, manager, C.N.R. Telegraph, Peterboro.

Interment took place in the Union Cemetery at Claremont. The pall bearers were: Clifford Soden, Nor-

man Graham, Morgan Hill, Maitland Anderson, Fred Evans and Magnes Morgan.

There is left to mourn her loss, a sorrowing husband, her parents Mr. and Mrs. Morgan, five sisters, Mrs. D. A. Pugh, Claremont, Mrs. Leslie Feasby, Uxbridge, Mrs. A.E. Ormerod, Greenwood, Jennie and Laura at home; two brothers, Roy of Claremont and Alex. E. of Toronto.

### MARKHAM

About ten o'clock Tuesday last week Levi Weber was found lying on the floor beside his bed in a semi-conscious condition. He had got up during the night, suffered a stroke. His right side was completely paralysed and he was unable to talk distinctly when found. He might easily have died from exposure had it not been that Martin Ramer, a farmer on the 7th con., brought his motor car down to be painted, and found all the doors locked and was unable to make anyone hear. Knowing that Mr. Weber lived over the shop, Mr. Ramer suspected something had happened and notified the neighbors and Constable Heberton forced the doors and found Mr. Weber in a helpless condition as stated. Dr. MacDonald was immediately called.

Mr. Weber's son, Carl, of Peterboro, was telephoned and arrived on the six o'clock train, and if his father's condition permits he will be taken to Peterboro hospital. Mr. Weber is well known as a business man in Markham, and is a son-in-law of the late H. R. Wates. Since the death of his wife he has "batched it" over his shop, generally going to Peterboro to reside with his son, Carl, during the winter months. This winter he decided to stay in Markham and keep his business going.

### BALLANTRAE

Wedding bells are ringing. Nothing but the song of the buzz saw is heard in this neighborhood. Longfellow is very successful at digging wells. Give him a try.

Miss Fern Reid and Miss Maisie Miller were visiting at Ross Young's. If thirty-two is freezing point. What is squeezing point? Two in the shade.

Sloans Champion is the best cigar, cool, refreshing and lasting, sold at tobacco farm. Just try one.

We are glad to hear that the children are recovering from the whooping cough in this vicinity.

We wonder who the gentleman was that waited at Aurora for the car and let it go by thinking perhaps the next one might travel faster.

### BETHESDA

Quite a number are suffering from bad colds just now.

Job Scott has installed a radio. Some music now, Job.

Miss Koaf of Markham is visiting her cousin Mrs. Ralph Allen.

Mr. and Mrs. W. Graham of Petchville visited the latter's brothers and sister, Miss Allen and Mr. Allen on Tuesday.

Sorry to report that Miss N. Taun one of our popular young ladies now teaching at Atha, is sick with diphtheria. Her mother is with her.

F. J. March received a message last week that his brother David was seriously ill in the west. We extend our sympathy to Mr. March in his anxiety.

### MARKHAM T.P. COUNCIL

At the adjourned meeting of the Markham Township Council considerable discussion took place in respect to certain road work in the south of the township. It was agreed to spend \$500 more to complete gravelling on the 8th line south of Markham village.

A bylaw was passed appointing Anthony Forster assessor for east half and Nelson Smillie assessor for west half at a salary of \$225 each; and S. M. Hutchinson and Abner Summerfeldt auditors at a remuneration of \$10 each.

Councillor Clarry objected to the appointment of Mr. Forster whose appointment was moved by Reeve Gohn, but was overruled on division.

Townline commissioners were appointed and appropriations made as follows: Whitchurch—the reeve and Mr. Campbell, \$300; Pickering (north half)—Mr. Smith, \$150; south half, Mr. Clarry, \$150; Scarboro (west of Milliken)—Mr. Stiver, \$150; Scarboro (east of Milliken)—Mr. Clarry \$250; York—Reeve Gohn, \$100.

Discussing the completion of the gravelling of the 8th, Mr. Clarry was of the opinion that the men on the 8th should give a lot of work free gratis as they had already pulled a lot and they would be well paid.

Mr. Clarry was appointed a commissioner to look over the 8th concession south from lot 1 to 6 in regard to gravelling the same and on condition that free gratis work be done he was authorized to spend a sum not to exceed \$500.

A resolution was passed that the rate for road work up to April 1st next be for teams 50 cents per hour and for laborers 25 cents per hour.

The appointing of road commissioners, after some discussion, was left over until next meeting of council on Monday, Feb. 4th.

## Why Ford Predominates

Proof that Ford predominates is to be found in the fact that 50 per cent of all cars in Canada are Fords.

Ford predominates because it supplies the essentials of adequate, economical transportation.

Ford has been the pioneer in the automotive industry; has blazed the trail in every fundamentally sound transportation principle.

Ford service is an outstanding example of Ford predominance. Authorized Ford service is to be found wherever motor cars are used—always capable, business-like and prompt.

More than 4,000 service stations in Canada are assurance of this.
