### EDITORIAL COMMENT

Ross Brown, the Ford agent, says Henry is the one Ford that will not run.

A woman may exaggerate other things, but it is different with her age.

The Board of Trade, under Dr. W. A. Sangster, are asking all kickers to kick toward the goal.

New regulations are coming in governing standard hotels. Duncan Heise, D. J. Alchison and Norman McLean, three local knights of the road, are hoping that they will include the changing of the jar of crackers and the bottle of pickles each week.

As there are a number of Measle cases in town, it would be well to thoroughly probe every case where children are absent from school a few days, to make sure that children with mild forms of the disease are not allowed to run at large. It is from these cases the disease is spread, and now is the time to nip in the bud any serious outbreak.

The chairman of Uxbridge School Board announces that they expect sixteen extra pupils at the opening of their new \$55,000 high school. As that town is abandoning what was considered a perfectly good school building until just recently, it looks like a lot of money—\$55,000—for 16 additional pupils. It further exemplifies the unreasonable demands of the Provincial Government in the interests of education.

In two years the rural debenture debt of Ontario increased by nearly 56 millions. Isn't that startling! What will happen in Ontario municipalities if it should come to the worst and the taxes collected were only sufficient to meet current expenditures. Just the same course would have to be taken as in Battleford, Sask., which is about the size of Stouffville, and which is insolvent largely through borrowing some two hundred thousand dollars to build a power dam which was utterly valueless. The bondholders have sent out a call for funds to determine how far they can legally go in collecting the town's debt.

### GOODWOOD

(Crowded out last week)  
Mrs. C. Cooper visited her sister-in-law Mrs. J. Cooper.  
The old fashioned snow storm of last week made our village very picturesque.  
Mr. and Mrs. Ed. Davis returned last week accompanied by Mrs. Fockler of Markham, who spent a few days with them.  
Samuel Whittleton of Saskatchewan came home to see his mother who has been very ill, but is improving. Mrs. John Whittleton of Toronto is also here attending her mother-in-law.

### MOUNT ALBERT

(Too late last week)  
Miss Ruby Hayes of Sutton spent the week end at her home.  
Geo. Burnham, drover, shipped three car loads of live stock from here on Saturday.  
The Women's Institute will hold their annual banquet on the evening of March 12th. The gentlemen will furnish the program this year.  
Mr. Bohme of Toronto spent a week at the home of his son, W.H. Bohme, manager of the Dominion Bank here.  
Mr. and Mrs. Austin Card of Sandford spent Sunday at the home of the latter's mother, Mrs. Vandewater.  
The C.N.R. have placed a night operator in the station here, the work being too much for the regular agent.  
Our village presented a rather deserted appearance for a few days last week on account of the almost impassable condition of the roads, which were blocked with snow in every direction.  
Lorne Stokes who is attending Medical College in Toronto was a recent visitor at his home here, also Kenneth Wagg from Business College spent a couple of days with his parents, Mr. and Mrs. O. Wagg.  
Joseph Jardine is moving his garage business from Mr. Burnham's shop to the rear of J. F. Cook's blacksmith, believing this to be a better stand for his business on account of being more centrally located.  
Mrs. Middleton who has been confined to her home through illness for the past month or more, died on Sunday morning in her 53rd year. The deceased came from England some years ago and was employed the greater part of her time as a nurse. She possessed a kind and cheerful disposition and was beloved by a wide circle of friends. The funeral on Tuesday afternoon was largely attended, interment taking place in Mt. Albert cemetery.

## DISTRICT DOINGS

With the final words, "The order is granted," issued by the Ontario Railway and Municipal Board, Oshawa becomes a city at twelve o'clock, March 8th, 1924.

The Quarterly Official Board of Victoria Square and Richmond Hill Methodist churches, at the last meeting, expressed hearty appreciation of the faithful pastoral work and pulpit efforts of their pastor, Rev. H. S. Warren, and gave him a unanimous invitation to remain the third year.

At a meeting of the York County Council all the county constables were dismissed and the following constables re-appointed, their appointment to take place from April 1—George Stewart, Wm. Brimmacombe, George Thompson, Thomas Kirk, William Myers and W.E. Martindale.

The old boarding house at the lake shore road, Jackson's Point, Lake Simcoe, for many years kept by Joseph McNeil, and known as "Glen Sibbald" has been purchased and generously donated by a Mrs. Bonnick, to the "Samaritan Club", to be used by ex-service men and will be known as "The Valdal Rest Home" in memory of Mrs. Bonnick's daughter Valdal.

Walter Rollings has sold his farm of fifty acres, part of lot 10, con. 4, Markham, to W. L. Clark of Agincourt, for \$9,000. Since Mr. Clark purchased the farm a few weeks ago he has sold ten acres off the west part to a Toronto man for \$2,000. This part will be used for market gardening. Mr. Rollings is moving to Norfolk County, near Port Dover to take charge of a fifty-acre fruit farm belonging to his uncle. He will hold an auction sale of registered Ayrshires and other live stock and farm implements on March 7th.

Potatoes growers of Zephyr district in Ontario County, are organizing a co-operative marketing association. They intend to go in for certified seed, for which the demand in Ontario is far from being met, and to market the seed direct. Messrs. W. J. Rynard, Myers, Miller, Lockie and Silverside are active in the work of organization, and have had the assistance of R. F. Crossgrove of the Dept. of Agriculture.

At the 46th annual meeting of the Canadian National Exhibition Association held in Toronto last week, Robert Miller of Stouffville was re-elected president, Col. Fred H. Deacon, the owner of Glenburn farms, south of Stouffville on the Unionville road, was elected by acclamation to the Board of Directors, to succeed Joss Russell, who retires through ill health.

On Thursday, Feb. 14th, Edward Graham Oldham passed peacefully away at the residence Lot 22, Con. 1, Scarboro. His serious illness was brief, blood poisoning setting in immediately after an operation for mastoid. He was the youngest son of the late William Oldham and was born in Whitechurch Township, York County, and resided there until his marriage, when he moved onto a farm in Scott Township. He farmed there for a few years, then bought property and settled in Scarboro and his farm, fine residence and well equipped buildings speak for his success as a farmer.

### GOODWOOD

Miss Haynes was sick a few days but is recovered.  
Mr. and Mrs. Foksett spent a day in Markham recently.  
Mr. and Mrs. W. J. Slack visited at Mr. Shaver's on Sunday.  
Miss Jessie Todd has H. Longfield and wife assisting her at present.  
Mrs. Isaac Wagg spent a few days last week with her daughter in Uxbridge.  
Mrs. Maye, sr., is leaving for Oakville with her daughter to spend a time. We are glad she is so much improved.  
E. Morgason was in Stouffville one day recently and purchased something for the kitchen shower held Friday evening. The supply was short in Goodwood, but the storekeepers may stock up in case of another shower.  
On Friday, Feb. 29th, an enjoyable time was spent at the home of Jesse Tindall by about 35 members of the Young People's League and other friends. Much interest was taken in the contests, while Miss Myrtle Watson entertained some of the older ones with piano selections. Owing to the approaching marriage of two of the family, the friends took this opportunity of remembering them with a few useful articles or kitchen shower.

The finest legacy that a father can leave his son, is a good name and a good education.

### NOW IS THE TIME TO PLAN YOUR SPRING PLANTING

In the warm comfort of your home this is the time to figure out how to make your land abundantly fertile this year.  
Use Ontario Fertilizers. They are considered best by thousands of successful farmers. Judiciously used, they save expense and labor. Let us tell you why. Facts and figures about the results of Ontario Fertilizers will surprise you.
