

CHURCHHILL

Albert Clark is called to Toronto to serve on Jury on April 1st.
Messrs W. Paisley and T. Kellington are on the sick list, and we wish them a speedy recovery.

Bert Paisley spent Sunday afternoon and evening at the home of Joe Martin.

Don't forget Endeavour every Thursday night at eight o'clock in the Christian church.

Albert Paisley had a successful sale last Friday which brought him in the neighbourhood of three thousand dollars.

We welcome Mr. and Mrs. Chapman and family to our midst, although we have not all had the opportunity of doing so personally.

Miss Velma Martin left on March 19th to spend a few days with her brother, at Craighurst before resuming her training at St. Andrews Hospital, Midland.

A very pleasant evening was spent at the home of Albert Paisley recently. On account of bad roads not so many were present as would like to have been. We will all miss the Paisleys.

Wilfred Lazenby had a lively experience when he emptied the cutter rather unexpectedly and left a small hole in the snowbank. Mr. Bert Paisley has engaged with Mr. Fred Winn of Stouffville for the coming summer.

LEMONVILLE

Alfred Dixon is all smiles over the arrival of that boy.

Mr. and Mrs. R. Drury of Dixon Hill visited his father's, C. Drury's last week.

Miss Ethel Saunders has returned home after being with her cousin Mrs. Ridell of Ringwood.

Farmers are engaged in repair work in readiness for the spring seeding, which we hope they will be at in a few weeks time.

Last Sunday was Missionary day in the Sunday School, with Miss Coultix in charge. A missionary collection was lifted.

Rev. Dr. Williamson, our pastor, occupied the pulpit last Sunday. He delivered an impressive sermon. Next Sunday an evening service will be held.

Mrs. J. Holman of Toronto spent a couple of weeks with Mrs. M. Cook and daughters. Also Mrs. Ed. Penock and two sons were guests of their mother last week.

Omitted by mistake from Lemonville public School report of last week. Primer class—Albert Richardson, Lewis Wells, Elda Hutchinson, Reta Wells, Blake Yake. May Coultix (Teacher)

RINGWOOD

Robt. Wilson of Toronto visited in our busy center last week.

Miss Alma Brownsberger has been on the sick list. We hope for a speedy recovery.

Mrs. Sutton of Welland spent a few days last week with her daughter, Mrs. Jesse Grove.

Arthur Bassett was a Toronto visitor on Tuesday this week. Also Wm. Pipper visited the Queen City the same day.

A number of our people are suffering from colds. The weather is starting in quite backward this month.

Cars and trucks are beginning to pass this way again, since the roads are getting into shape. We'll soon need a traffic cop.

There is no truth in the statement that a Ringwood lady is applying for a divorce because her husband keeps live frogs in the bath tub. As frogs are more plentiful around the lake, the report must refer to Ballantrae.

We are still waiting for hydro rates here. Further south a number of services have been cut in, and we understand the system from Yonge street to Stouffville is making a neat surplus on this its first year of operation.

A popular marriage took place in Stouffville on Wednesday last week, when two of our people embarked on the journey of life together, namely Mr. George Johnson and Miss Erma Vague, only daughter of Mr. and Mrs. Thos. Vague of Baker Hill. The knot was tied by Rev. G. E. Coultier of Stouffville at the parsonage there. The newly weds will take up their home a half mile north of Ringwood. Success to them.

Vulcanite Hexagon Slabs
Most Satisfactory for Re-Roofing

You will get the greatest satisfaction from your re-roofing job if you use Vulcanite Hexagon Slab Shingles or Vulcanite Roll Roofing. Vulcanite Roofing lays readily right over the old shingles.

Vulcanite Hexagon Slabs are easy and economical to apply because of their extra width and because they space automatically, saving time and money. Their patented design makes the roof double thick everywhere—giving absolute protection—a pleasing, tile-like appearance—a solid, fire-resisting roof for years and years.

Let us show you samples of Vulcanite Hexagon Slabs, and other high-grade Vulcanite roofings. Prices and estimates on request.

It always Bakes the Same

Sometimes your home-baking does not turn out quite so well as usual. A variation in the quality of the flour will cause trouble.

Home bakers who use Quaker Flour always get the same good results.

Quaker Flour does not vary. It is tested every hour during the milling process. It is always the same—it always bakes the same.

Home-made bread is easy if made the Quaker way. Write for our tested recipes. They are free.
