IN COOKING and BAKING BY ELECTRICITY

An Invitation

To our women friends, especially those living in town where Electric Cooking is now possible and fairly cheap. Come to our store THURSDAY, APRIL 24 or FRIDAY, APRIL 25th, where an expert in operating Electric Ranges will be demonstrating these two days. It will be interesting to see cooking done in the ideal way — Electrically.

LOCAL HAPPENINGS

Cultivator Points at B.E. Beebe's shop.

Nice showing of Easter Hats at Mrs. F. Wilson's.

D. M. Helse's household goods were moved to Toronto on Tuesday by motor trucks.

Farmers started plowing in Scarborough on Monday. In this vicinity it will be delayed a few days, as the heavy land is still wet.

Mr. Alf. Hoover left for Stayner on Wednesday to set up some implements for the Massey-Harris Co. This is Mr. Hoover's twenty-first continuous year with the company in this capacity, and his length of years with them is a good testimony to the kind of service he has given during all that time.

The Veteran Orangeman, Mr. Truman Holden, was in Cannington on Tuesday evening, attending a special function of Cannington Lodge, when he presented the members eligible with the Past Grand Jewels. Three years ago Mr. Holden reorganized this lodge, which has since been in a flourishing condition.

Messrs. Jacob, Yake and Jacob Boadway were in Unionville on Monday attending the auction sale of goods belonging to Mr. Frank Boadway, a cousin to the former first mentioned Jacob and an uncle to the latter Jacob. Frank Boadway recently sold his four acres of land at Unionville for the sum of \$8000. The property had good buildings, which partially accounted for the high price.

The Stouffville Felon Society was duly assembled on Tuesday afternoon to deal with an alleged theft case, the first in more than a year. The complaint was filed by Mrs. F. Miller, who alleged that certain articles both from the main floor and upper story of the Mansion House has been taken, some of them very recently. While the hotel had been closed for business all winter, the doors were not locked, and strong suspicion is being cast as to the parties who removed some of the goods in question. If they wish to escape the wrath of this old and honorable body, quick restitution should be made. Failure to comply with this notice may result in a thorough combing of the haunts of the suspected ones. At the meeting on Tuesday, the two veteran members, Messrs. Isaac Reaman and J.J. Rae were present to hear the evidence of Mrs. Miller.

Points for any kind of Cultivator can be had by calling on B.E. Beebe

To-morrow is Good Friday and a public holiday. All places of business will be closed. Easter, Monday is a bank holiday only.

The Eaton Girls' Club are arranging to hold a concert in Stouffville some time in May. They are said to have a good troop of minstrels.

Elias Baker who lives with his daughter, Mrs. Jess Cober, 8th concession, Markham, was a caller at the Tribune office on Friday, renewing his paper for the 36th time, or since the Tribune was first published. Mr. Baker is a native of Bethesda.

'Canada's Golden West' was the subject talked about and shown on the canvas in the Baptist church on Monday evening this week. The picture and talk merited a much greater attendance. In addition several good selections were given by local talent.

Tennis—All those who are interested in Tennis are expected to be present at the meeting to be held in the Council Chamber, on Thursday evening, April 24th, at 8 o'clock. Work on the courts must be started and the committee would like to have your opinion and your fees.

The household goods belonging to the estate of the late Mrs. Eli Valentine will be sold by auction at the late residence in the east end of Stouffville, on Saturday next, April 19th. Sale at 1.30 o'clock. See bills for further particulars.

The farm stock and implements belonging to the estate of the late Melville Kester were sold at the farm just east of Stouffville on Thursday last. There was an immense crowd and good prices were realized by Auctioneer Silversides. The farm of 50 acres was also offered by auction, and although one or two tempting offers were bid, they did not quite come up to the reserve price, and a sale of the lands was therefore not consummated.

The annual meeting of the Garrett Mission Circle was held at the Methodist parsonage, on Wednesday, April 9th. The following officers were elected for the coming year: Hon. President—Mrs. Coulter. President—Miss Waters. 1st Vice—Miss A. Morgason. 2nd Vice—Miss J. Burkitt. Cor. Secy—Miss Enna Helse. Rec. Secy—Miss Eva Hoover. Treasurer—Miss B. Winn. Supt. Christian Stewardship—Miss N. Stiver. Supt. Mite Boxes—Miss Iola Burkholder. Librarian—Miss Middleton. Pianist—Miss Anne Lehman. Assistant Pianist—Miss Middleton.

The Board of Trade should keep in mind that the Better Stock Train didn't stop at Stouffville, but steamed right through this burg during Monday night of last week for Uxbridge. A protest should be lodged for the same thing may happen again next year. Although Stouffville is located in the heart of one of the very finest stock and dairy sections in Ontario, we were passed by and the fact is the train never made a stop on this side of York County at all. Newmarket, the home of the District Representatives of Agriculture and the village of Maple were the places the seven cars of stock with its staff of lecturers put up in the County. The train was sent out by the Ontario Dept. of Agriculture.

The Stouffville Band Concert in Ratcliff's hall on Thursday night last week, drew a good sized audience, and the boys took in about \$100, of which at least \$80 will be net. The concert was a genuine treat, each selection by the band or other individuals seemed to create a particular interest, so that everyone is on their toes praising the whole affair. The band itself, had made noticeable strides toward perfection since their last public appearance, and Bandmaster Slatter, (48th Highlanders) and his men may be justly proud of their achievements. It is the intention to hold a series of concerts during the coming summer in the open, and they will no doubt be big drawing cards. On Thursday evening Mr. Robt. Miller, Pres. of the Canadian National Exhibition, made a splendid chairman, and besides various numbers by the band, the following took part in the program: Violin solo by Will Barkey, Scotch songs by Luella Gayman, violin solo by Mr. Fawcett, instrumental duet by Donald Hodgins and George Lawson, elocution by Stanley Rose, vocal solo by Miss F. Morgason, instrumental flute by Donald Hodgins.

A regular meeting of the School Board was held on Friday evening. Chairman Dr. Smith presided, and other members present were Messrs. F. Roybotham, D. J. Aitchison and A. E. Booth. It was decided that those continuation pupils who fail to pass on the term work, and still wish to try the mid-summer examinations would be sent to Markham, again this year. Owing to the very small number of these pupils it comes much cheaper to send them to Markham, than to hold the examinations in our own school. Conditions at the school were discussed with the two principals, and there now appears to be more satisfaction with the general conduct and progress of the school. When the following accounts were ordered to be paid, there was considerable comment against buying brooms from the T. Eaton Co. It is likely they will be purchased from our own merchants in future. T. Eaton brooms \$2.25, electric light \$2.00, W. Crossen, coal cartage 48 tons at 75c, \$36.00; W. S. Cook, pea coal \$24.32; blackboard \$3.49.

See our Hats for girls at a very special price at Mrs. F. Wilson's.

B. E. Beebe has a good supply of Cultivator Points of all kinds.

Children, remember the story hour at the Library every Saturday at 2 until further notice.

Dr. Dales gave an excellent talk at a meeting of the Women's Institute on Wednesday afternoon.

The Mansion House hotel was reopened for business on Wednesday, with two Toronto men, W. Miles and Peter Dynes in charge.

Try J. L. Turner's for good fresh Groceries, Fancy biscuits, Oranges Lemons, Bananas, etc., at lowest prices.

You may buy the Toronto morning papers, by the month, the week, or single copies, at the Tribune office. Try the morning papers and get the superior news.

The regular meeting of the Altona Women's Institute was held at the home of Mrs. H. Slack, on Wednesday, April 9th. There was a good number present and all report having had a splendid time.

Messrs. George Watson and Ira Anderson shipped a car of work horses from Cannington to Toronto last week, also Chas. Williamson and Albert Davis shipped a car from Beaverton.

J. W. Reesor's auction sale of Jersey cattle at his farm on the 9th just west of Stouffville, realized good prices on Monday. Mr. Reesor was forced to reduce his Jersey herd owing to the ill health of his wife. One heifer milking only a year sold for \$135, Patterson of Agincourt being the buyer. A Jersey cow and young calf went to a Mr. Ramer of Unionville for \$119. Geo. Winn bought two yearling heifers at \$50 each, while a Jersey calf sold at \$50. Four weeks' old pigs sold at \$3 each.

A meeting of the Lawn Bowlers was held in F. L. Button's office on Friday evening, April 11th, and the following officers were elected: Hon. Pres.—W. J. Brown. Pres.—Dr. Ira Freal. Vice Pres.—Sam. Armstrong. Secy. Treas.—D. H. Rusnell.

The Executive will be composed of the officers and skips. The Lighting committee is F. L. Button, Dr. Sangster, S. Armstrong and W. R. Sanders. The membership committee—Ben Doten, Geo. Saunders and Fred Silversides.

D. H. Rusnell was appointed caretaker of the green with assistance when required.

It was decided to hold the tournament on July 16th, and notices be sent out as early as possible. The executive will meet at Button's office in two weeks time.

The ever vigilant Board of Trade is planning to continue its work of community service. You are all aware how the children, young and old, enjoyed the slide which was provided for their amusement last winter. In the light of this success and in order to continue the children's delight the Board feels encouraged to plan the building of a swimming pool for their summer recreation in the park. This of course requires money. Not much from many will provide the requisite funds. As a means of raising the necessary amount the Board has decided to put on a concert on Friday, May 2nd. The program will take the form of an old-fashioned minstrel show put on by the Famous Hottentot Minstrels of Toronto. This minstrel troupe of young Toronto business men has been in great demand for church and similar entertainments in Toronto and vicinity for the past several years and the Board is fortunate in obtaining their services. We can guarantee you the best evening's entertainment that has been offered in Stouffville all winter. Come and drive dull care away. Remember the date Friday, May 2nd. Sgd: Program committee.

On Friday evening members of the Methodist church and Sunday school joined hands in giving a "send-off" to Mr. and Mrs. D. M. Helse and family, who are leaving Stouffville this week to live in Toronto. The presentation of beautiful cut glass was carried out by W. H. Shaw reading the address, and Miss Anne Lehman formally presenting the gift. On behalf of the W.M.S., Mrs. Sanders presented Mrs. Helse with a life membership pin, Mrs. Helse having made herself a life member some time ago. Both Mr. and Mrs. Helse made short replies, feelingly conveying their deep appreciation for the kindness, extended to them. Rev. Mr. Coulter acted as chairman and after giving some wise counsel, enjoining all to look on the bright side the following representing church, Sunday school and Ladies Aid, made brief speeches, all of a eulogistic tone of the work done by the Helses in the various departments of the church, also expressing regret at their departure, and wishing them God-speed in their new home. A. G. Lehman, Alex. Scott, Milton Harris, A. E. Booth, Geo. Dowsell, Mrs. Shaw, Mrs. H. W. Sanders and Robt. Silversides. Refreshments were served, and a social half-hour spent at the conclusion of the speeches.
