A number of local farmers who are milk shippers to Toronto have been notified to discontinue their regular shipments, owing to the surplus of milk arriving in the city. Those who sell their milk to the local creamery have a steady market all year and are therefore not confronted with the difficulties of the city shipper. The creamery has just received a large shipment of new cans, to take care of the increased business, including those who are shut off from selling in Toronto.

Perhaps the first "touring home" automobile ever seen in Stouffville was here over the week end. The occupants were Mr. and Mrs. J. Sherman of Jacksonville, Florida who visited her cousin, Mrs. Alex. Scott west end. Their car is composed of two rooms with sleeping quarters and a kitchen. It is a huge affair, but is nevertheless capable of getting over the country in quick order. Since they left home on May 14th the Shermans have travelled through Virginia, Georgia, North Carolina and coming over the Adirondack Mountains came along the St. Lawrence to Montreal and Toronto. On their return they will go back by Chicago and as far west as the States of Wyoming and Montana then back to Michigan and South through Ohio.

A successful barn raising was held on the farm of W. Paisley on the 6th Line of Whitechurch last Saturday. The event passed off without any mishaps, and in record time. Mr. Paisley is having his barn remodelled and brought up-to-date as well as providing increased accommodation for his stock and grain. The work was in charge of John Ashenburt of Goodwood. About one hundred sat down to the splendid dinner which was made gay by the presence of about 25 women who looked well after the wants of the hungry workmen.

A fire, the origin of which is still a mystery, occurred last Thursday morning. The alarm was rung at 3.30 a.m. and the citizens were directed to the south-east part of the town by the big blaze from the barn of Wm. Davis, on the Wm. Bruel's property. The fire was first seen by the crew on a passing freight train who notified people near the station. The barn was a total loss and a cow, pigs and some fowl were also destroyed. There was \$200 insurance on the building held by Mr. Bruel's who informs the Tribune that he will build again this summer.

Mr. Davis held a very small insurance on the live stock. The fireman gave what assistance they could but owing to the fact that the property was outside the corporation limits the fire was very hard to reach.

"The Express Limited" under the auspices of the Women's Institute was greeted with a crowded house in Ratcliff's hall last Thursday night. The play was a three act comedy and was given by Uxbridge talent. Mrs. W. F. Marquis the authoress, taking one of the leading roles. The first two scenes were laid in the living room of a western rancher's home, and the third was an autumn scene near a small flag station from which the play derived its name. It would be very difficult to mention any character in particular, as all the parts were so well taken. A special mention might be made of "Tommy" and "Mary," the latter "just the maid" and the former the "chore boy" who was always susceptible to a queer feeling around his heart, which usually occurred when any lady was present. Mr. Stanley, St. John of Toronto, entertained the audience by piano solos between acts. The Women's Institute are to be congratulated for bringing such a good concert to Stouffville. The proceeds of which amounted to about \$100.

Unionville branch of the W. I. reported at the W. I. District meeting held at Scarborough, Saturday last, the handsome gift of \$3,000. to their institute from one of their old boys to be used in building a Memorial Hall, which the ladies intend to go ahead with. Last year this same branch were donated grounds for a park from Mr. Eckhardt, once a resident of Unionville. The Stouffville Institute are wondering if we have any old boys who would like to see a Memorial Hall built in Stouffville. This is one thing our Institute would like to see accomplished. Our motto—For Home and Country.

CARD OF THANKS

YORK COUNTY BASEBALL LEAGUE

The opening baseball game in Stouffville of the York County League was held here on Saturday when the locals notched a victory over the lads from Newmarket. It was an exciting game from the first throw of the ball, but at no time were the visitors allowed to score; while Stouffville made one run in the first innings and two in the second; but after this never a man passed over the home plate for a count. After the second innings both teams played like professionals, although the visitors made the most number of errors, and several times these misses nearly cost them another run. Lennox, the new pitcher on the local line-up played a star game, and in fact every man played his position to a nicety. The crowd was larger than at any game last year, and all went away delighted with the good brand of baseball.

The line ups:
Newmarket: Hugo, Tran, McHale, Epworth, Scot, Foran, Malycan, Robinson and McHale.
Harold Forsyth, E. Clendenning, Lennox, N. Dales, Underwood, Max Reesor, Mill Storry, M. Clendenning.
The score by innings:
Newmarket 0 0 0 0 0 0 0 0
Stouffville 1 2 0 0 0 0 0 0—3
Referee H. Barlow, Toronto.

Richmond Hill vs. Stouffville
With Lennox pitching a no hit and no run game, Stouffville won its second consecutive victory and remains at the top of the York League. The home team showed all-round superiority and deserved to win. The Hill pitcher was handicapped by very poor support in the field as well as the bat, having 11 errors marked against them. Stouffville boys ran wild on the bases. We wish the boys the same luck at Newmarket this Friday. Let's go, everybody.

Richmond Hill defeated Aurora by 7 to 4 at the former town last Saturday in the York League. Up to the ninth innings the score stood four all.
