WRECK NEAR LINDSAY

Local Auctioneer Among the Eight Persons Hurt

Last Thursday afternoon, June 12th, the C.N.R. mixed train to Toronto, which arrives here about 3.45 was derailed two miles west of Cambridge about one o'clock. The train in charge of Conductor W. McCarthy and Engineer W. Brumfield, left Lindsay at noon, the accident occurring shortly after the stop at Cambridge. Eleven freight cars, one baggage-smoker and one passenger coach made up the train. Suddenly from some unknown cause six of the cars left the rails, and although the brakes were applied immediately, they bumped along for a short distance, then rolled over and down an embankment. The majority of the injured were in the passenger car which is reported to have turned over twice before striking a telephone pole. A special train accompanied by doctors and nurses was at once rushed to the scene and the injured removed to the Ross Memorial Hospital at Lindsay.

Mr. F. W. Silversides, our prominent auctioneer left his home in Stouffville on the Tuesday previous and had gone up to Minden, north of Lindsay, where he bought a car load of cattle and was on his way home on the Thursday afternoon. Mr. Silversides happened to see an acquaintance in the passenger coach and had just gone in to have a chat when the shock came. As he jumped up he was thrown against the car seat, suffering head and arm cuts, face bruises; but more serious back and internal injuries. At the time of going to press he is still in the Lindsay hospital and reported to be in a very grave condition. The Tribune joins his many Stouffville friends in wishing him a complete recovery.

Mr. Taylor Parkin, a man eighty years old of Uxbridge, and a recent visitor in Stouffville, is also in the hospital, very seriously injured, having several cuts and hurt internally. Others in the accident were: A. Hodgins and H. Blanchard both commercial travellers from Toronto, S. Dumond, of Woodville, County Constable and J. Gregg, a traveller from Seaford, all four still in the hospital. Patrick J. White of Lindsay and George McKim of Millbrook both received medical attention, but were able then to proceed home.

Big doings in Stouffville on July 1st. Baseball, Football and other sports. Concert in the evening. Watch for big posters.

DISTRICT DOINGS

The users of Hydro in the town of Uxbridge are pleased that they are to have a reduction in their hydro rates. Domestic service rates have been reduced approximately 25 per cent and the minimum rate has been reduced to \$1.50 instead of \$2.00. The power rates are also to have a substantial reduction.

During the storm last Thursday afternoon the barn on the farm of George B. Little, about four miles northwest of Agincourt was struck with lightning and totally destroyed. With it were lost two valuable farm horses, valued at \$500, the total loss being estimated at about \$500. The building was a comparatively new one, having been erected less than four years ago.

This week, from June 15th to June 19th, is Anniversary week in Belleville, where a celebration takes place to mark the 140th anniversary of the landing of the United Empire Loyalists in Upper Canada. Arrangements have been under way for some time for the entertainment of a large crowd including a historic pageant with five hundred taking part, which will commemorate the landing of the Loyalists.

Within the past two weeks attempts have been made to break into and rob the Unionville and Agincourt C.N.R. stations. At Unionville the attempt was successful, the thieves getting away with between \$200 and \$300 worth of express freight goods. Suspicious characters were seen lurking around the station prior to the robbery and the county police are working on the case. At the Agincourt station there was no loss, an entrance not being effected.

Last Thursday, June 12th, was Commencement Day at the Ontario Ladies' College, Whitby, and thirty-one graduates of the class of 1924 were given their diplomas and medals and also presented to His Honor Lieutenant-Governor Cockshutt and Mrs. Cockshutt, who held a reception in honor of the Golden Jubilee of the Institution. BASEBALL NEWS

On Friday afternoon last one of the best baseball games ever played in Newmarket took place between that town and Stouffville. While the score was 3 to 2 in favor of Newmarket, it must be admitted that the score indicates the game practically throughout. It was simply a case of either team getting the break.

The writer's opinion is that Stouffville this year have the best baseball team that they have had during the past five years. The boys will certainly give a good account of themselves before the season is over. They deserve the best of support and that is half the battle. Now lets all get together and boost our ball team.

The following is a summary of the game by innings. It was agreed to play only seven innings, according to schedule, as it was a twilight game.

First Innings
Stouffville—Boadway grounded out, Molyneux to McHale; Forsyth flied out to McHale; Glendenning grounded out, Scott to McHale.
Newmarket—Hugo grounded out to Underwood; Turan fanned; Glendenning did not come in fast enough for McHale's fly and he was safe on 1st; Epworth's hit to centre field scored McHale; Scott grounded out to Boadway to Underwood, 1 run.

Second Innings
Stouffville—Lennox passed; Dales flied out to Turan; Underwood grounded safe to right field; Reesor flied out to Robinson; previous to Storry grounding out to B. McHale.

Newmarket—B. McHale grounded safe; Hugo sacrificed and was safe; B. McHale on 2nd; Turan hit by a pitched ball and now the bases all have a tenant. On McHale's roller, both B. McHale and Hugo were caught at the plate, but he was safe on 1st; Epworth's single scored Turan; Scott out, Lennox to Underwood, 1 run.

Fourth Innings
Stouffville—Molyneux could not handle Lennox's hot grounder and he was safe on 1st, the same player fumbled; Dale's grounder; Underwood passed; Reesor flied out to Robinson; Lennox scoring after the catch; on a passed ball Dale's went to third and Underwood to 2nd; Storry fanned; Turan failed to handle Collard's grounder and Dales scored; Boadway grounded out, Scott to McHale, 2 runs.

Newmarket—B. McHale out, Lennox to Underwood; Hugo out, Boadway to Underwood; Turan flied out to Forsyth.

Sixth Innings
Stouffville—Dales grounded safe and Underwood followed suit, but Dales was caught going to 2nd; Hugo dropped Reesor's easy fly, but caught Underwood at 2nd, and after the same base was too far from 1st for Reesor and the side was retired.
Newmarket—McHale flied out to Boadway; Epworth doubled and Scott's hit scored him; Scott's lead off 1st put him out; Foran fanned, 1 run.

Stouffville at Willowdale
In a hard fought game on Tuesday Stouffville again finished on top. Willowdale secured an early lead in the second inning when Lennox hit Epworth and Peacock brought him home with a three base hit. In the sixth a three base hit by Dales brought in the tying run. Stouffville finished up strong scoring two runs in the seventh innings on wild pitches by Cawtell when the bases were filled. Lennox turned in his usual good game and held the home team to three hits.
