The Annual Men's Day held at the Methodist Church Uxbridge was favored with perfect weather and a large crowd, both lower floor and gallery being filled for the afternoon service, when Hon. E. C. Drury was the chief speaker. The speaker opened his address by quoting Phillip, Gibbs, the great authority on conditions in Europe, who said that man will be able to blot out civilization as it is known today, but the speaker thought not, as the Christian church is the only force that will save civilization from destruction. The church holds the key to industrial relations of brotherly love between employee and employer. He touched upon prohibition and the benefit and influence it was to the coming generation, and closed with the well known biblical quotation "What think ye of Jesus, who is called Christ?" SCHOOL BOARD

A special meeting of the School Board was held in the house of knowledge on Friday evening last, to consider the applications of teachers for our school. The members present were: Dr. Smith, chairman; Truman Holden, A. S. Stouffer, J. D. Atchison, F. C. Rowbotham and A. E. Booth.

The Secretary read a communication from H. O. Klinck, resigning from the staff, also from Miss Card who would not sign the contract on account of certain information she had received. She had understood that the position was open and that she would not accept the principalship less than \$1200, but was willing to accept the third book at \$1000, if the Trustees would consider it. They laid it on the table.

There were 15 applications for Public School teachers. Moved by F. C. Rowbotham seconded by A. S. Stouffer that the application of Miss Grace Martin of Coldwater, be accepted, at a salary of \$1100, for the 4th room, and as assistant principal. Carried unanimously.

Mr. Paul Boadway sent in his application for the third room at a salary of \$1100. Then came a warm discussion, and after the pros and cons, some of the members of the board thought they could not give any more than what they were giving for the other rooms. Mr. Holden thought they should give Mr. Boadway a chance, and asked the board if they had any complaint against Mr. Boadway. No reply.

Mr. Stouffer and Dr. Smith made it their business to see a number of the parents to learn if they had any complaints in reference to Mr. Boadway, and they all stated they were well pleased with him, and hoped the board would see fit to re-engage him. Moved by A. S. Stouffer seconded by Truman Holden that they offer Mr. Boadway \$1000, and to see at once, if he would accept it. The chairman Dr. Smith voted for the motion, and the remaining members assented. Therefore the motion was shelved.

After this the board considered other applications and the following were picked out:

Moved by A. S. Stouffer seconded by Truman Holden, that they give Miss Ruth Hargrave of Dundalk, at a salary of \$1000, first choice. Carried.

Moved by A. E. Booth seconded by F. C. Rowbotham, that Miss Gibson of Kellsworth, be second choice. Carried.

Moved by A. E. Booth seconded by A. S. Stouffer, that Miss Grieve of Beaverton, be third choice. Carried. It was decided by the Board that the Secretary get in communication with the above, and to engage either one of the three in order given.

Then came up the applications for the assistant Continuation teacher, there being three names before the Board, that of Miss Stiles, Newmarket, Miss Jackson, Toronto and Miss Gardhouse, Thistleton.

After a little discussion on the merits of the applications it was moved by J. D. Atchison seconded by A. S. Stouffer, that they engage Miss Mabel Gardhouse, at a salary of \$1300 for the Continuation school which was carried.

The Chautauqua Committee will meet in the Council Chamber on Friday evening at 8 o'clock. A full attendance is requested.
