## DISTRICT DOINGS

When Magistrate T. H. Brunton of the York County Police Court, overhauled an American tourist some days ago on Yonge street, travelling 48 miles an hour, he brought him to Newmarket court and confiscated his car. It then developed that the American was rushing a patient in state of collapse from West Virginia to Gravenhurst hospital. The Magistrate forgave the speeder and sent him on his journey at a greatly reduced speed.

One of the most prominent workers for the Liberal-Conservative party in North Ontario was removed by death last Thursday, after a long illness of Mr. J. Blanchard, at the age of 76 years. He was born in Scott Township and after teaching for a few years went into farming in his home township, Mr. Blanchard was for years president of the Liberal-Conservative Association of North Ontario, and for three years Reeve of the Township, besides having held the Township offices of Councillor, clerk, assessor and school trustee.

Mr. and Mrs. James Oldham of Mount Albert held their annual picnic in honor of their sons, daughters and grandchildren, on Friday, July 25th, in their private park, "Fern lawn." Those present included Mr. and Mrs. W. Meek and family, Mr. and Mrs. A. A. Mustard Dr. and Mrs. S. S. A most happy afternoon was spent. Especially pleasing was to see the children enjoying the boating, swimming, racing and games of ball, not to mention the fun which young and old alike enjoyed on the merry-go-round.

On the eve of their departure for Toronto last week, Mrs. John F. Paterson and Bruce Paterson were tendered a farewell reception by the members of the Unionville Presbyterian church at the home of Mr. and Mrs. Thos. Burnett. On behalf of the congregation, Rev. Frank Rae, minister of the church, voiced the appreciation of the members in the affording interest always manifested by Mrs. Paterson in her church duties, while James A. Gibson, one of the elders, on behalf of the congregation, presented her with an electric iron. Mrs. Frank Rae invested her with a life membership button, and Mrs. Crawford, teacher of the adult Bible class, added a word of appreciation. Afterward luncheon was served.

The picnic held at Heydinschke Park to celebrate the 25th anniversary of the Whitty branch of the Women's Institute was much enjoyed by those who attended. About one hundred sat down to tea, after which Mrs. Roberts, president of the Whitty branch, called on Mr. Putnam, of Toronto, Supt. of Women's Institutes, who congratulated the branch on the wonderful progress made in 25 years, and wished for their continued prosperity and advancement. The minutes of the 1st annual meeting were read by Mrs. J. B. Mitchell, the first treasurer. This was followed by a reading by Miss Stevenson, of Claremont which was much enjoyed. Races were then taken part in by Presidents and ex-Presidents, past members and present members. Representatives were present who joined the branch 25 years ago. The branches represented were Pickering, Kinsale, Claremont, Brooklin and Whitty. Before dispersing Auld Lang Syne was sung.

Tuesday's baseball game resulted in another victory for Stouffville in the York-Simcoe League. Our boys journeyed to Aurora, winning out by a score of 8-3. Only six innings were played, it being a twilight game.

Stouffville snatched another victory in the York-Simcoe League on Saturday afternoon on the local diamond when they beat Willowdale by 6 to 1. The game provided some interesting spots at times. The visitors notched their only tally in the second innings, although they managed to get to second base on one or two other occasions. The Willowdale pitcher did some nice twirling, but received very weak support. The locals played a fairly even game. The score by innings:  
Stouffville . . . 0 1 3 0 1 0 0 1 x-6  
Willowdale . . . 0 1 0 0 0 0 0 0-1

## CHICKEN THEIVING

For some time chicken theiving has been going on in the vicinity of Glasgow, until last week's depredations gained an alarming extent. On Wednesday afternoon this week County Constable Pennock made three arrests following up information he had gathered. Those taken into custody were M. Tindall, Ross Raymer and another man named Staley. On account of the affair being outside York County, the local Sherlock Holmes called in a constable from Uxbridge, as it appears our men are confined to making arrests within the county. The accused men were taken to Uxbridge to appear before Magistrate Hamilton. It is estimated that the farmers in the district affected have lost about \$1000 worth of poultry.

## QUESTIONS TO BE ASKED AT COMING PLEBISCITE, OCT. 23

- (1) Are you in favor of the Ontario Temperance Act?
- (2) Are you in favor of Government control?
- (3) Are you in favor of the sale of beer and light wines in licensed premises?
- (4) Are you in favor of the sale of spirituous liquors in licensed premises?

## JACKSON'S POINT

Mr. and Mrs. Fred Silvester spent Monday at Lakeview.

Mr. Lloyd Turner of Stouffville, tried out our bowling green on Civic holiday.

Mr. and Mrs. A. S. Leaney have returned to Stouffville after a month's holiday here.

The Lennox picnic, the largest picnic in the world, kept up to its former reputations, both in point of attendance and enthusiasm displayed. There were over 5000 people present, and the program carried out was both varied and interesting. The big drawing card was the presence of Hon. Arthur Meighen, former Prime Minister of Canada. Mr. Meighen is a convincing, as well as an analytical speaker. The day ended with the usual display of fireworks.

The annual Lakeview Bowling Tournament, Jackson's Point, took place on the Lakeview green on Saturday and Monday. There were about ten rinks of the best bowlers of the province competing. The interest was very keen and the events were attended by a large gallery. The rink that finally proved the winning one, was skipped by Dr. Paterson, of Cleveland, the other members of the team sharing in the prize being Ross Paul, Toronto, Dr. Smith, Stouffville, and C. H. Burrows, of Detroit.

On Saturday evening the annual game for the children took place at Lakeview, all were kept on tiptoe from beginning to end of the lengthy program. The most laughable events were the pillow contests, the blindfolded man's race and the ride of the Royal Canadian Dragoons. The big sensation of the evening was the arrest of the matron of Lakeview House, she was brought before His Worship W. B. Sanders, J.P. and pleaded guilty to the accusation made by Messrs. Livingstone, Christie and Bennet, that she was giving permission to the serving of undressed chicken to the guests of Lakeview House. His Worship gave her a severe reprimand, and she was bound over to keep the peace for the period of a year. At the close of the trial she was complimented by His Honor at the cleverness and dexterity displayed in the pleading of her own case, and an application, presented her with a two pound box of Laura Secord's.

## RED WALKER QUITS TURF STRING SOLD TO BEDWELL

William ("Red") Walker, one of the pioneer horse owners on the Ontario turf and probably the oldest trainer, has decided to quit the race game in this country. "Red" will, it is rumored devote himself to his farm in Southern California.

According to information which has leaked out, H. G. Bedwell has purchased Walker's horses, contracts on two boys and other assets. The horses include such performers as So It Goes, Black Shastar, Vanpatrick, Cote D'Or and ten others. Jockey J. Stevens is now under contract to Bedwell with another lad Walker has been developing. The price Bedwell paid Walker for the stable was \$11,000, according to reliable report.

Many of the horsemen were surprised when apprised of the reported transfer. It was said to be a real buy on the part of Bedwell, who has now an extensive string, and his representatives have made him money on the Canadian circuit this year.

Mr. Walker is a brother of Mrs. D. Yake, of Coppan, Alta., formerly of Stouffville and is also well known in this locality being a native of Uxbridge township.
