A great deal of petty thieving in connection with automobiles is going on in Markham. Reports have been received of siphoned gasoline, stolen tires and tools. Since this has been reported for some time and apparently no efficient action taken, several car owners have announced their intention of keeping a shotgun within reach to protect their property. There is a decided suspicion as to the identity of some of the offenders.

Young Girl wants position, light house work. Apply to Box M. Tribune.

An Ice Cream Social is to be held on the Ringwood School Lawn on Wednesday, August 13th. A good program will be provided.

The Young People's Mission Circle will meet on Monday evening, August 11th, at 8 o'clock in the Mennonite Church, Stouffville. Mr. Peter Shupe, a singing teacher from Toronto, will be with us to address the meeting on "An evening with the Hymn Writers." Selections from the various composers will be sung by the audience. Come along and help. Everybody welcome.

Mr. Ambrose Stover, the local bread manufacturer, increased the price of bread on Friday last by one cent a loaf or from eight to nine cents. The cause of the increase is the sharp advance in the price of flour, which has advanced from around \$5 to \$8 per barrel. The increase of a cent a loaf is not quite sufficient to cover the increased cost of the flour.

Harry Wellman of Glasgow, has we understand, been recently appointed as a County constable for the County of Ontario.

Rev. Reuben Stillwell of Uxbridge will have charge of the morning service in the Methodist Church, while Rev. Geo. E. Coulter is having his holidays.

Perhaps the largest crowd of the season was in town on Saturday evening last. Every available bit of space on the Main street was in use for a few hours. Stouffville's the hub of the district on Saturday night.

Mr. Hugh Boyd of Ringwood, may consider himself the prince of the local followers of Isaac Walton, for one day last week he caught a trout in the Altona creek measuring fourteen inches.

The death occurred very suddenly at Claremont, on Saturday, August 2nd, of Mary Jane Boyer, widow of the late A. W. Mackay in her 74th year. The funeral was held from her late residence on Tuesday, for interment in Claremont Union cemetery.

Mr. T. Williamson has returned to Stouffville after visiting for a couple of months in Saginaw, Michigan.

The regular monthly meeting of the School Board will be held in the school building Friday evening this week.

The first fields of early grain have been cut the past few days, and expectations are for a bumper harvest in this section.

Keep in mind the big Liberal Demonstration to be held in honor of Hon. Mackenzie King in Markham, on Saturday, August 16th. See advertisement regarding program in this issue.

The repairs to the reservoirs from which the town water supply is got have been completed, and both reservoirs were thoroughly cleaned and are now rapidly filling with water, hence the restrictions as to the use of water are now cancelled.

Stouffville baseball team has entered the tournament to be held at Barrie on Monday, August 11th, during the annual sports day in that town. Besides the field sports there will be water sports and track events. Here's hoping the boys bring home the "plunder."

Last Friday evening two horses belonging to Bert Stewart of Uxbridge township were killed by the Canadian National Flyer, near the 4th concession in that township. The animals got through the fence onto the track from a pasture field. We understand the company reimbursed Mr. Stewart to the extent of \$100 which was the amount of his claim.

One of our local gardeners, Mr. R. McKinnon, has purchased the John Hutchinson farm of 16 1/2 acres, situated on the tenth concession, just north of Stouffville, for the sum of \$3250. The property is equipped with extra good buildings, and Mr. McKinnon takes possession next April.

Brillinger Bros. have a record field of oats on their property in the west end. Over a large area of the field the grain is standing some six feet in height, and exceptionally well filled. If it is saved from any severe winds or storms, it is likely to be one of the finest crops harvested in this section.

At the home of her brother-in-law Joseph H. Mertens, west of Stouffville, Ada Leathers died, last Wednesday, July 30th, in her 52nd year. The deceased was born in Cashel, but had been almost a life-long resident of Stouffville and vicinity. The funeral was held from her late residence on Friday, August 1st for interment in Stouffville cemetery.

Bringing to a close two months of travel in the British Isles, Belgium and France, with a party to Canadian newspapermen, the local publisher, A. V. Nolan, arrived home on Sunday. The party sailed from Glasgow on the Montclair and arrived at Quebec.

In the short time at their disposal the Canadians visited many places of interest, as well as being received by the King of the Belgians, the president of France and finally by King George at Buckingham Palace. Ten days were spent in London during which time the party visited the Empire Exhibition at Wembley. This great fair, in our opinion, cannot eclipse the Canadian National, Toronto. It is not as large in area, but still it has proved an exceedingly successful venture in bringing together the products of a vast empire, stimulating trade materially.

In the next issue of The Tribune a series of letters will begin describing our trip in greater detail.

Mr. Ross E. Brown, deserves due credit for the excellent moving picture entertainment put on in Stouffville on Wednesday evening of last week under auspices of the Ford Co. of Canada. The views were not only delightful to look at, but they were of an educative character showing Canada's inland waterways of which most of us know too little. Pictures of boats, as well as alligators and alligator farms in the south. The production of Ford cars and tractor, are of interest. It is estimated that some 800 people saw the pictures which were shown in Memorial Park.

Last Thursday evening, at the band concert on Mr. Harvey Lawson's lawn there were thirty-six members of the bandmen present, which was the largest local band ever to play in the home town. Complimentary remarks were heard on all sides, regarding the success the band has become, and also from Dr. Burkholder of Chicago, himself a member of a band and orchestra. The band, consisting of thirty-four members played at Lennox picnic on Monday and will play at Sutton tomorrow (Friday) when individual members will assist in solo work at the concert in the evening.

Following an illness of some months duration, borne with Christian patience and fortitude, Mrs. John W. Ratcliff passed away on Tuesday morning of this week. Since last February her illness was regarded as most serious, but notwithstanding this, the end came as a shock to her many friends. The late Mrs. Ratcliff was a woman of kind Christian character, exemplified through her family and the untiring work she did on behalf of the local Baptist church, where she will be keenly missed. Born in East Flamboro, she came with her husband to Stouffville about 22 years ago. Besides her husband, who is a member of the local firm of Ratcliff & Co., there survives a family of five children, namely, (Margaret) Mrs. John Morton, of Alberta, (Elizabeth) Mrs. Loney, wife of Rev. C. Loney of Hamilton, Mrs. H.O. Kinck of Stouffville, Miss Harriet at home and Fred Ratcliff of Bowmanville. The funeral takes place this (Thursday) afternoon from her late residence at Stouffville cemetery.

Last Wednesday evening, July 30, an unique event took place on the lawn of Mr. E.J. Davey, the occasion being a banquet given by the friends and neighbors to Mrs. Geo. Robinson on the occasion of her seventy-sixth birthday. About twenty-five sat down to dinner, and when the inner man was done full justice to, the social side was exemplified in keeping with the occasion. Dr. Ira Freil one of the oldest neighbors was elected to the chair and Dr. Smith to the vice chair. Dr. Freil in proposing the toast to the guest, Mrs. Robinson, made reference to her estimable qualities, and general disposition which helped to make life a pleasure to herself, as well as to her neighbors. Dr. Smith in responding for the guest, referred to her many life activities, in social and church life, and her willingness to always assist in every line of work which tended to the uplift and betterment of our town. Mr. Hodgins and Mr. and Mrs. Davey also testified to her good qualities. All present joined in extending to Mrs. Robinson many congratulations and hoping for many more such gatherings as this one. The gathering closed by all joining hands and singing "Auld Lang Syne"

The garden party on the lawn of Mr. George Talbot last Wednesday evening was a grand success. A splendid supper was served for which Lemonville Ladies are noted.
