VIVIAN August 26th - The religious meetings of which we made mention some while ago are still taking place at the home of Mr. Baker.

Our road along here is wet as usual. Probably we shall get accustomed to it by and by. A certain party whose car was creeping through the snaky ruts, asked us what kind of country he had arrived at.

Some days ago the government inspectors passed through here and inspected the corn growing in this locality to make sure whether the European Corn Borer was doing its bad work here as in many of the Ontario Counties.

Also in all quietness Vivian's forest is growing. When we speak of a forest, some people venture to smile and say: "Where are your trees?"

During a recent thunder storm, lightning struck the house of Robt. Lavender of Goodwood. The flash struck the chimney and passed down into the stove, knocking the lids helter skelter about the room.

Lavender, who happened to be in the house was stunned by the shock, but is now fully recovered. The chimney, of course, was demolished and a number of shingles were torn from the roof.

WHITCHURCH VOTERS LIST

Whitchurch Township Voters List has just been issued from the office of The Tribune for the year 1924. The list constitutes the names of all those who are entitled to vote at municipal elections and at elections to the Legislative Assembly. A copy is posted up in every school house and at the office of the clerk. Electors should examine one of these lists to see that he or she are properly on. In case your name is omitted apply at once to the clerk, and if you are entitled to vote you may be added at the Court of Revision.

This voters list contains the names of 1750 persons in the six polling divisions, of which 648 are liable to serve as jurors. Sub-division No. 1, comprising the whole of concessions 1, 2, 3 and 4, from lots 1 to 17, is much the heaviest division in the township, it having 427 names. The smallest division is No. 6, which includes the 7th concession from lots 18 to 35, the eighth from lots 20 to 35 and the ninth from lots 21 to 35, all inclusive. In this division there are 193 names. However, the township of Whitchurch is steadily growing in the matter of names on the voters list, the summer resorts at Wilcox Lake and at Musselman's being chiefly responsible.
