Mr. Dan Hall has purchased the 100 acre farm on the 7th concession of Whitechurch, just north of Lemonville, owned and occupied by Mr. A. H. Ramer, for the sum of \$11,000. This is one of the cleanest farms in the section, and contains excellent soil and first-class buildings. Mr. Hall owns 50 acres of land just above this place, on which there are no buildings. Mr. Ramer has lived on the present place for 45 years, moving there when it was mostly bush and had to be stumped. We understand he paid \$6,500 for the place at that time.

The Echo of Hamiota, Man., contains an account of an address and presentation made to a former Stouffville girl, Mrs. E. J. Venables (nee Lizzie Perry) daughter of Mrs. C. Perry of Stouffville, in recognition of the 25th anniversary of her wedding, by the Women's Auxiliary of Christ Church, Hamiota. Mrs. Venables was the recipient of a pair of silver candlesticks, and a congratulatory address. She was completely taken by surprise when she was called upon at a meeting of the Auxiliary held at the home of one of the members.

Prof. Art. Edmunds, Canada's Championship boxer, as well as the world's feather-weight wrestler, is frequently in Stouffville, these days in company with John W. Calhoun, Canada's largest returned man. These two distinguished visitors may be seen any day trudging into town from Dixon Hill, where they are spending two weeks' holiday. Mr. Calhoun weighs 440 pounds, and is only medium height. He was given but a short time to live by the Soldiers Medical Board, but at that time Prof. Edmunds, who specializes in physical treatment for fat reducing or flesh increasing, took up his case, and hopes to restore Calhoun to normal. We must admit that he has a big job on his hands, but he now has a healthy patient to work on, and declares that ere long he will reduce Calhoun in weight by 100 pounds.

The fans who attended the Huntsville-Stouffville baseball game in the former town last Tuesday, speak in high terms of the splendid treatment which was accorded our team. Not a vulgar or rough remark was heard from the northern fans, and we hope Stouffville boys and girls, and older people too, will display the same courteous manner, at the return game here Friday. Members of the club have asked The Tribune to throw out this request to the citizens.

The Markham Economist has this to say respecting the Judges and Horticultural Society fair: Reeve A. F. Wilson and Mr. Albert Wide-man were the Judges. Wednesday last at the Stouffville Horticultural Society's initial flower, fruit and vegetable show held at the curling rink: The Stouffville Society was only organized a few months ago and judging by the fine exhibit and large attendance it is already a popular organization in our sister village. A live horticultural society is almost sure proof of a town of pretty homes and well kept boulevards.

Last Saturday, Luther and William Garbutt of Edmonton, Alta., arrived in Stouffville with a car of stock, consisting of 12 horses and 11 cattle with which they expect to locate on a farm in this vicinity. Miss Ivy Saunders also performed in her usual capable way, while Mr. Fossett of the Standard Bank staff rendered several violin selections. Mrs. Geo. T. One of their numbers particularly well received, was a melody of old songs, composed or arranged by themselves. The Kitchener band, consisting of several Institute members, added more joy and laughter to the program. Reeve J. S. Dougherty acted as chairman, and the proceeds at the door amounted to \$23., somewhat low on account of the small admission fee.
