LARGE CROWD HEAR FAREWELL ADDRESS

Last Sunday evening, Rev. W. M. McGuire, conducted his final service as pastor of the Stouffville Mennonite church, having been transferred to the Toronto City Mission on Brunswick Avenue. The occasion was marked by a crowded church, representative of all the denominations in Stouffville, and the surrounding country. Standing room only could be had when the service commenced.

A number of the church officials were invited to seats on the platform with the pastor, and when the reverend gentleman at the close of the sermon made reference to his departure from this field, there was an apparent feeling of regret throughout the large congregation for the "Boy Pastor" as Mr. McGuire had been termed, was admired not only by his own flock, but had found a warm place in the hearts of many of our townspeople through his cheery manner and christian character. Especially was this the case with the younger people.

The text of the farewell address was chosen from the words of Jesus as recorded in Matt. 28: 46, "Rise and let us be going." This is the challenge to the church at Stouffville and elsewhere, to carry on in the faith, for now we see through a glass darkly, but soon we shall see Him face to face.

The speaker paid a fitting tribute to the staunch support given him during the three years on this circuit, especially mentioning the way the young people had rallied to the church, and the inspiration afforded by the public testimonies of the older people.

At the morning service some fifteen children, mostly babes in arms, were presented for the dedication ceremonies. This is a very beautiful service, in which the parents bring forth the children, and the pastor taking them one by one in his arms, offers a solemn prayer for the young life, that it may be consecrated to the service of God.

SEVERE STORM VISITS YORK

During the severe electrical storm which passed over York County early Sunday evening, lightning started several fires, mostly to the south of Stouffville. The storm was also the cause of the Metropolitan Railway between Toronto and Sutton being put out of business for one hour. In Stouffville the hydro was knocked out four or five times, but was quickly restored. The trouble was not local, but rather on the main leads at Yonge street.

On the farm of Clyde Burr near Burtonville, Markham Tp., three buildings were struck and fired at the one time. Harry Leadbetter, who was on his way to Stouffville, attended this fire. Guards and three trusty prisoners from the jail farm were sent to fight the blaze with a chemical extinguisher.

Sunnybrook Farm, owned by Kilgour's just outside Toronto was also struck, and fired. The barn with the season's crop, were destroyed. Another barn was burned over in Vaughan Township, belonging to Wm. Hutchinson.

Stouffville district escaped fortunately, although the rain came in torrents and the lightning flashed in an alarming way, such as has not been seen here for a long time.

Bayley, M.P.P. of Winnipeg, labor representative, will address a meeting in the interest of the Prohibition cause on Wednesday evening, October 15th, at 8 o'clock, in Ratcliff's hall, Stouffville. The Women's Institute will be held at the home of Mrs. Robinson at 3 o'clock, Thursday afternoon, Oct. 9th. Will the ladies kindly remember the "cast off clothing" shower.

There was a big run on Rye, here last Tuesday, it going from \$1.00 per bushel up to \$1.25, then at the last dropping to \$1.25. Government control must surely be expected to carry by the rye people at least.

The Australian Medicine Co. who were here all last week, left Miss Viola Alsop a beautiful cut glass dish and biscuit jar, she being the most popular lady in the community and received the most votes. Mr. Joseph Alsop also received a beautiful little pair of bran-new shoes for being lucky enough to have the largest feet of those present last Friday night.

The rally service at the Methodist church last Sunday was a good success, considering the disappointment by Mr. Gold being unable to be present and at a last minute call Rev. Mr. Legate ably took his place and gave us a sound talk on the O.T.A. and somewhat criticized the Uxbridge paper for having the adv. in to vote against the O.T.A. Mr. Bert Gold and Miss Gregg of Uxbridge, sang some beautiful duets and solos accompanied by Miss Gold on the organ.

MARKHAM FAIR A GREAT TRIUMPH

Never in its long and marvellously successful record of 72 years, has the Markham fair, scored a greater triumph than that of Saturday afternoon, and never have the patrons received better value for their money, whether in viewing the products of the farm, the splendid work of the women in fine arts or the dairy, or in the wonderful racing events, carried out by the committee in charge.

That the general public, men and women, urban or country, love a good horse race, was abundantly shown, when before a grand stand capacity audience and with more than 10,000 people on the grounds the best line of trotting, pacing and running events ever put on in Markham was carried out.

Cash gate receipts will total \$3,500, and it must be remembered that every exhibitor sported a complimentary badge. Stouffville and vicinity was well represented.

In the main building one of the leading exhibits was put on by the Stouffville Creamery which occupied a prominent space in the centre of the hall. The Ringwood garage also carried an exhibit of tires and offered special bargains. Baker Bros. of the Standard Garage, Stouffville, were on the grounds demonstrating the Star Car.

CAN THE LIVING COMMUNE WITH THE DEAD?

Spiritism! True or False?

A. G. CAMERON

of International Bible Students Association, will speak in Auditorium Theatre, Stouffville, Sunday, Oct. 12, at 7:30 p.m. Owing to the ignorance of the Bible's true teaching on this subject many bright minds have been over-reached by this influence; among these are the late William T. Stead, the greatest of modern Journalists; Professor Lombrose, the great Scientist; Professor James Hyslop Crookes, the great Chemist; Sir Oliver Lodge, Sir Arthur Conan Doyle, Reverend Fielding Ould; Rev. Arthur Chambers; Rev. Charles Tweedale; the late Archdeacon Wilberforce and many others.

Do You Know Why?

Can You Discuss the Matter Intelligently?

To be forewarned is to be forearmed. You owe it to yourself to attend this lecture.

Do not deceive yourself into believing that "where ignorance is bliss" is fully to be wise.

In the Last Days, "God shall send them a strong delusion," 2. Thess. 2: 11. Seats free. No collection.
