### ALTONA

The Altona Women's Institute held their annual meeting at the home of Mrs. L. Hodgson on Wednesday, the 8th inst. After community singing and the business of the Institute had been concluded, an interesting program was enjoyed with Mr. E. Lehman as chairman. The following numbers were given: violin solos by Mrs. Burkett, J. Melton and Mr. Raymer; piano duets by Mrs. Gould, Mrs. Stafford and Miss Nora Stapleton; recitations by Misses Raymer and Sinclair; vocal duet by Mr. and Mrs. Stafford; piano and mouth organ selection by A. Meyer and J. Melton. Scars and Turner's quartette gave several selections in their usual happy style. Mrs. R. Harding gave a splendid paper on our motto which is "For Home and Country." She reminded the voters to do their duty on Oct. 23rd. Before singing God Save the King, a hearty vote of thanks was tendered the hostess and those who assisted in the program. Refreshments were served to 160 people, a very large attendance.

**Election.** You are the government. A vote for Government control means that we citizens want to go into partnership to sell booze. And who will be our customers? Our own and our neighbors' children. And do we want to act as agents to sell booze for brewers and distillers to our own sons and daughters for a paltry profit? Then vote dry.

### BAKER HILL

There was a great silo filling at Eli Mairs on Friday. It was different from the usual event of this kind for the filling was not only of corn, but weaners, cider, bread and butter, and the silos filled were human stomachs. Fred Middleton acted as the Lord Chamberlain and invited all the young folks. He made a thorough job of it too, for Markham township was well represented along with Whitby church. Jesse Cook was stage manager for the evening, and everyone enjoyed the boiled corn which Fred cooked to a nicety. Frank Harvey's mill squeezed out many gallons of cider, and all this with weaners made from the best animals (we don't know what kind) procurable made the most appetizing feed known of for ages.

## SALE "PAPER" MUST BE SOUND

WHEN the last animal has passed through the auction ring, when every implement of the farm equipment has been sold, what then? The vast majority of farm auction sales are conducted on a credit basis, but if the sale is to be counted a success a trained banking expert must pass judgment upon the soundness of all settlements.

# Booze Must Not Come Back!

## Only By Voting Can Ontario Citizens Defeat the Desperate Liquor Interests

THE lawless liquor traffic dies hard. But good citizenship is a patient executioner in Ontario. Again and again Ontario citizens have registered their determination that the moral and economic waste caused by booze must cease. On October 23rd the men and women of this Province must tell the self-seeking liquor interests still more emphatically that booze shall not come back. A half-million majority for continuance of The Ontario Temperance Act is language that brewer, distiller and bootlegger will understand.

### O.T.A. is Hated for Its Good Work

Desperate because the O.T.A. has cut down drinking by 90%, the liquor trade seeks the death of the finest temperance measure Ontario has ever had. Distiller, brewer and bootlegger are arrayed against the forces of reform. The issue itself is sharply drawn, but John Barleycorn is using a new disguise. Only his desperation can explain his reckless effrontery and his astonishingly low estimate of the common sense of the people.

No good citizen, familiar with the miserable conditions before The Ontario Temperance Act brought sobriety to the homes and happiness to the women and children, would deliberately vote for a return to the bar-room. Yet today Ontario faces, as the only alternative to the O.T.A., a step that will lead to conditions in some respects even worse than the open bar produced.

### Rally to Its Defence!

The same sordid story comes from every province where so-called government "control" has been blindly adopted. More drinking, more drunkenness, more crime, more accidents, more misery, more waste—and, above all, infinitely more of the curse of bootlegging. This prospect should send every earnest man and woman in Ontario to the polls on October 23rd to vote for the continuance, strengthening and vigorous enforcement of The Ontario Temperance Act.

To legalize the sale of booze for beverage purposes, though in sealed packages, is to re-establish the liquor shop

without the former restrictions of the licensed bar-room, and bring back the treating system, the hip-pocket flask, and the drinking club. To vote for government sale is to bring back to old Ontario the free dispensing of that bottled misery which will blight and destroy the hopes, the character, the life of young and old in every community where liquor shops are permitted to exist.

### Your Ballot is Your Weapon

You know that, but you must VOTE. Your weapon, the ballot, must be used. Vote yourself, and use your influence to have every qualified elector within your home and your place of work do likewise. The only votes counted will be those placed in the ballot box on October 23rd, 1924.

Apathy and over-confidence have lost many a good fight. The liquor trinity—bootlegger, brewer and distiller—are at work, night and day. Foil their efforts by polling an overwhelming majority for The Ontario Temperance Act. Mark your ballot thus:

1	Are you in favour of the continuance of The Ontario Temperance Act?	X
2	Are you in favour of the sale as a beverage of beer and spirituous liquor in sealed packages under Government control?
