**EDITORIAL COMMENT**

The people of Ontario were not fooled by the old gag "its time for a change". It's never time for a change from good to bad, nor from bad to worse.

The salaries of excise and custom officers in the employ of the Dominion Government who receive \$2400 or less are to be substantially increased. The average man in Ontario has to do with far less than \$2400 per year, and those with a greater income here in Stouffville could be easily counted. The man that can't live on an income of \$40 to \$45 per week ought to let someone else have a try at it.

Education costs for each pupil in the schools of Ontario has just doubled during the past five years, according to figures given out by the Minister of Education in his report. The increase affects both primary and secondary schools, but is more marked in the former. The average cost of educating a child in public school is now \$53.07, whereas five years ago it was only \$26.74. The child who attends collegiate in this province pays on an average \$151.08 as compared with his older brother, who got by five years ago for \$83.13. Notwithstanding the increased costs, it is extremely doubtful if the graduates of our schools today are any better educated than those of ten or twenty years ago.

Following the judgment of the court, the Honorable Peter Smith and his co-conspirator, Sir Aemelius Jarvis, were taken in the police van along with a yagrant and a woman sentenced for disorderly conduct, over the Don where they await further disposition. The Hon. Peter is sentenced to three years in the penitentiary and Sir Aemelius to six months in the common jail. Between them they must pay back the sum of \$600,000, the approximate sum they defrauded the province out of before they get their release. As Jarvis was a millionaire before he went into the stealing game, he no doubt will have the necessary cash to fork up, although it is generally supposed that the Hon. Peter's bank account had not swelled to such proportions. Other charges are pending against the former Provincial Treasurer which may further lengthen his term. Truly, the way of the transgressor is hard.

It is very amusing the way those Toronto electors howl over the result of the plebisicite vote. So enraged are they that they start a quarrel with anyone who happens from the country districts. One lady from Stouffville, who sells produce on the St. Lawrence market had some regular customers refuse to buy her supplies because they were "sore" over the O.T.A. being substantially sustained in the country districts. We all know how long the city folk could do without the products of the farm, and anyway they are a poor lot of losers, those "wet" voters of Toronto. They say they will not be controlled by the farming vote, but why shouldn't they be controlled by the country which often has to spend thousands of dollars in the winter months through the government to buy supplies for the "bread-line" in that city?

**MENNONITE BROTHERS IN CHRIST GEN. CONFERENCE**

The General Conference of Mennonite Brethren in Christ Church of the United States and Canada was held at Brown City, Mich. from Oct. 15th to 22nd. It is a select body which meets each quadrennium to consider matters of doctrine and polity and to plan for its work in the future.

The organization effected on Wednesday, when Conference convened was as follows: Rev. H. B. Musselman, Bethlehem, Pa., chairman, Rev. C. I. Scott, Milford, Neb., vice chairman; Rev. A. B. Yoder, Elkhart, Ind., secretary; Isaac Pike, Stouffville, Ont., asst. secretary; Rev. J. A. Huffman, Marion, Ind., press reporter.

The early matters of business before the Conference were the reports of editor of the Gospel Banner, Rev. J. A. Huffman, and the Executive committee of the church, of which Rev. Samuel Goudie, Stouffville, is chairman, which committee has charge of the publishing work of the church. These reports showed splendid growth in the literary work. The publishing house is located in New Carlisle, Ohio, from which the periodicals are distributed throughout the land.

The Mennonite Brethren in Christ Church is one of the younger and aggressive branches of the Mennonite body, and maintains missions in many cities and towns, both in the U.S. and Canada. Foreign missions are also conducted in Africa, India, China, South America and the near East. The report of the United Missionary officials, the missionary organization of the church, showed splendid progress, a large number of missionaries having been sent to the foreign field during the quadrennium.

A recommendation brought to the Conference for a Bishop was defeated on the last day of the Conference.

The ministers' reading course was revised and enlarged.

On Tuesday afternoon, Rev. A. B. Yoder, Elkhart, was elected editor of The Gospel Banner, to succeed Rev. J. A. Huffman, Marion, Ind., who had served 12 years. The executive committee of the church was elected as follows: Rev. S. Goudie, Stouffville; Rev. S. Cressman, Kitchener; Mr. Isaac Pike, Stouffville; Rev. C. I. Scott, Milford, Neb.; Rev. O. B. Snyder, Battle Creek, Mich.; Rev. J. S. Wood, Port Huron, Mich.; Rev. A. B. Yoder, Elkhart; Rev. W. H. Moore, Goshen, Ind.; Mr. A. B. Yoder, Wakarusa, Ind.; Rev. H. B. Musselman, Bethlehem, Pa.; Rev. W. G. Gehman, Easton, Pa.; and Rev. O. K. Brunner, Philadelphia, Pa.

At the closing meeting on Wednesday evening, a vote of thanks was tendered the people of Brown City for their hospitality to the members and visitors attending the General Conference during its session.
