EDITORIAL COMMENT

In South Ontario where the O.T.A. majority was 5204, every one of the eight municipalities returned a dry majority. In fact out of the 65 polling sub-divisions in the riding, only eight returned a wet majority, and all of these were in Oshawa.

One of our exchanges publishes the "Ten Commandments for Motorists" and another the "Ten Commandments for Fire Prevention." The Orillia Packet remarks that if people followed the original ten commandments there would be much less need for the modern imitations.

A special staff was at work at the Parliament buildings, Toronto, filling in the cheques to be sent out in payment of the O.T.A. election. In all some 24,500 cheques will be sent out. It is understood that the Government estimate of \$500,000 for carrying out the vote will show a slight credit balance when all the accounts are paid.

Representatives from every part of the Township of Markham were present at a meeting in the Methodist church, Unionville, called to form a permanent committee, favorable to the retention of the O.T.A. and formulate plans for Federal action and a "dry" Canada. Satisfaction was expressed at the result of the plebiscite voting from a provincial standpoint and a permanent committee was named. A. D. Bruce of Gormley, presided.

A unique case in the birth of twins is reported from Cedar Grove. Hore of this place was the attending physician at both events. This is a very unusual occurrence, though similar cases have been reported in Europe and the United States. Markham Economist.

PICTURE PUZZLE GAME

Elsewhere in to-day's issue will be found a large advertisement announcing a Picture Puzzle Game arranged by The Mail and Empire which will no doubt prove very interesting for our readers; and especially for the "little folks." The contest consists of ascertaining how many objects or articles in the picture start with the letter "B", and cash prizes are awarded to those finding the largest number. Our readers have already won liberal prizes as a result of competing in similar contests, and there is no reason why some of the awards should not come to residents of this vicinity. Anyhow, there is nothing like trying.
