## NYALS LAXACOLD

A laxative cure for Lagrippe, Coughs, Colds, Headache and Neuralgia.

Cure your cold in a day and a night by using Nyals' Laxacold. It is a pleasant and safe tablet treatment that does not upset the stomach.

There is no quinine in Nyals' Laxacold. Quinine is a valuable drug, but many people do not bear it well. Laxacold is agreeable to everybody. It acts on a new principle. It stimulates the secretions, acts directly on the mucous membranes to control the catarrh and then plays its part as a mild but effective tonic laxative. Price 25c.

## HONORARY JOB GOES BEGGING

The School Board on Friday evening turned into a salaried position, an appointment which had up to this time been filled by some of our citizens in an honorary way, when on motion they offered Mr. Harry Perry the job of truant officer at the above figure. The school regulations provide that the school board shall appoint a truant officer, and this coupled with information showing that there is quite a lot of truancy, forced the board to make the position more attractive. Mr. Perry refused to act without pay and the members could suggest no one who would accept the position for the honor of it.

Dr. Smith raised the question of members overstepping their authority in dealing with complaints, whether real or imaginary, at the school between parent and scholar, and that one member had gone beyond bounds in this regard but after considerable argument, Mr. Aitchinson moved, seconded by F.C. Rowbotham, a vote of appreciation for the good work being carried on by the staff, and the confidence of the board in their ability. The resolution was carried unanimously.

Messrs. Archie Stouffer and A. E. Booth were appointed a committee to have charge of beautifying the grounds next spring and summer, the expenditure on same not to exceed \$15.

The principal's report for the Continuation school showed the number on roll as 81, with an average attendance of 79.5. For the public school Miss Martin reported 188 on the roll, with an average attendance of 170.

Accounts passed by the board amounted to \$314.45, the new desks purchased because of increased attendance accounting for \$207 of this amount.

Dr. Smith chairman, presided, all members being present, including T. Holden, D. J. Aitchinson, F. C. Rowbotham, A. E. Booth and A. Stouffer.

## ODDFELLOWS' SOCIAL

On Monday evening this week the Stouffville I.O.O.F. lodge held a social evening in their rooms over Button's hardware, when they had as their guests, ladies of the town and the Rebecca lodge of Markham, as well as a number from the surrounding country. An excellent luncheon was served, and in addition a particularly bright program was rendered, assisted by the local orchestra under the leadership of Wm. Dougherty. Mrs. Arthur Brown of Markham, on behalf of the newly formed Rebecca Lodge of Markham, outlined in an able way the work of such an organization, its aims, objects and advantages, and as a result the formation of such an organization of ladies may be undertaken in Stouffville at some future date, a number of ladies having signified their willingness to join. A particularly pleasing feature of the evening was the presentation of Past Master's Jewels to Dr. F. A. Dales, W.R. Sanders, W. J. Thompson and Morley Barker, each of whom, as their jewel of office indicates, had occupied the highest office, that of District Deputy Grand Master.

## "SPEEDY" GROVE WEDS

On Wednesday this week the marriage took place at the home of the bride's parents on the outskirts of Uxbridge town, of Miss Vera Johnston, daughter of Mr. and Mrs. Graham Johnston, to William Spedy Grove, son of Mr. and Mrs. Henry Grove, 9th line, Markham. The ceremony was performed by Rev. J. R. Baldwin, pastor of the Baptist church, Uxbridge, and was witnessed only by the immediate friends of the bride and groom. After a short honeymoon Mr. and Mrs. Grove will locate on the Grove farm south of Stouffville.

The population of Oshawa is now 16,000 as shown by the latest assessment figures.

## TERMS THE BIBLE "THE DIVINE RADIO"

Owing to the cold weather, which really was not dangerous to be out in, the Mennonite church was scarcely filled to capacity on Sunday evening to hear the Rev. S. C. Pinnock, a returned missionary, deliver his address on behalf of the Upper Canada Bible Society. The other churches in town were closed for this mass meeting.

Mr. Pinnock is a fluent speaker, and having had more than thirty years experience as a missionary in darkest Africa, was able to tell personal experiences there, which held his audience in rapt attention throughout the entire time of his address. The speaker said he deemed it a great privilege to speak in the Mennonite church in Stouffville because it is the church in which Rev. A. W. Banfield was ordained some fifteen years ago while on furlough from Africa where he has labored for 23 years. Mr. Banfield is now in charge of the largest section in that heathen land, and is just now engaged in translating the books of the prophets so that they may be printed in another language to suit the needs of one more of the many dialects of that country. Up to the present time the bible society had translated the book into 568 languages. He characterized it as "The Divine Radio", and said it was the policy of the Society to supply free to the missionaries all the books they can use in their work. To keep up this work, more and larger subscriptions are required from the people of this and other lands.

In Africa it is not a matter of preparing the type for the book and printing the copies, but it must be reset hundreds of times because of so many languages.

Interesting experiences were told of Mr. Pinnock's missionary life, wherein he mentioned various forms of heathen worship and he held that of all the African people the Mehommedan was the hardest to convert to their teachings. Many of the tribes worship different forms including the devil. Devil worship was observed, not because the African loved him, but rather because they were afraid of the devil. They brought their gifts to him, so that he might not do them harm. But they showed one streak of good sense. The devil was never allowed into their homes. Altars were set up in the homes and churches for the gods, but the devil's altar was always out in the street. In this matter the heathen displayed more sense than many people in Christian lands who take the devil into not only their homes, but into their hearts.

Prior to the service, the officers met in the basement of the church and re-elected Mr. J. M. Grove of Ringwood as president and Mr. Harry Kinck as secretary-treasurer. The vice-presidents are the ministers of the various churches in the districts, who will have power to appoint one layman each to their committee. The objective for this year is \$1000 from the Stouffville district.

"The clack, clack, of wooden shoes on the streets of Walkerton," says the Herald paper of that town, "of a Saturday evening has become quite common of late as the numerous newly arrived Dutch and Russian immigrants, who are now in this community, assemble in the village to fraternize at the weekend." From a once over of the cobble stone streets of French and Belgian towns we appreciate the reason for the wearing of wooden shoes.

## LORNA RAMER WINS CARTER \$100 PRIZE

This year one of the Carter Scholarships for Ontario is bestowed upon a Stouffville girl, Miss Lorna Ramer, daughter of Mr. and Mrs. Eli Ramer. Miss Ramer is to be congratulated in standing first in the whole County of York, and thus being awarded the \$100 scholarship. She was a pupil of Markham High School last term when the award was actually won, and is at present attending Normal School in Toronto.

Edgar Burch of Scarborough and Jean S. Reesor of Markham, came second and third in York County.

These scholarships are provided for under the will of the late J. I. Carter of Sarnia, and are awarded to the three candidates who obtained the highest marks on not more than ten papers of the 1924 annual upper school examinations in each of the twenty-four counties or groups of counties in Ontario. The values of the scholarships are as follows:

1. To the competitor who obtained the highest aggregate, \$100.

2. To the one who ranked second on the aggregate, \$60.

3. To the one who ranked third on the aggregate, \$40.

Cheques for the amounts awarded will be issued by the Provincial Treasurer in due course.

## OTHER LOCAL BRIEFS

There are over 18,000,000 automobiles in use in America today.

A party wishes to purchase an Aladdin hanging lamp, in good repair. Apply Tribune office.

Wm. Crookery, B. A. S., Ontario County Agricultural representative, will be at the Glasgow school house with moving pictures, along educational lines, on Friday evening, Nov. 23rd. The public invited.

Last Sunday was Auto-go-to-Church Sunday in the Claremont churches when every one who had an auto was supposed to bring it to church and with it bring some shut-in or some family who have no way of getting to church.

Carmichael Bros. seed merchants, of Cannington, have on exhibition in their show window two turnips grown on the farm of W. H. Sproule, con. 13, Brock, one of them weighing 1 3/4 lbs. and the other 1 1/2 lbs.

Mr. A. Goudie, of Toronto, who spent Thanksgiving in Stouffville at the home of his brother, Rev. S. Goudie, met with a serious accident in Toronto a few days ago. Alighting from a wagon he fell fracturing his hip, which will confine him to bed for a couple of months.

Dr. Doolittle, who is an authority on good roads, automobile camps, and general town improvement, will give a public talk in Ratcliff's hall on Monday, Nov. 24th at 8 o'clock. Dr. Doolittle carries with him an excellent lot of pictures which will be put on the canvas. The Board of Trade are arranging to serve light refreshments, and the public in general are invited to attend. There will be no admission fee. Be sure and keep Monday evening open for this public affair.

Some time in October a heifer belonging to Milford Rose of Ballantree strayed from his property, and although the animal has been advertised for several weeks, Mr. Rose is unable to locate his property. The animal is a dark red, with a ringworm over the eye and on the neck, and with horns. Farmers with large herds should look over their stock and make sure they have no cattle which do not belong to them. This animal should be easily recognized.

Owing to their being no quorum the I.U.F.W.O. meeting which was called for this week is postponed until next Tuesday, Nov. 25th, at the home of Miss Wright, Ringwood. Every member is especially urged to attend, as this meeting will be the election of officers, and other important matters are to be dealt with. See that you are present. The hour is 2.30.

We are glad to hear that Almer Cooney, an ex-pupil of Stouffville school, has been appointed principle of St. Mary's Separate School, Toronto, which has an attendance of over 300 pupils. His former school mates here will wish to extend to him their heartfelt congratulations, and wish him every success in his work.

The engine on the "flyer" jumped the track about a mile south of Uxbridge, on Monday evening, while rounding one of the cork-screw curves. The train was brought to a halt before any damage was done to the coaches, but the train was several hours late as a result, a wrecking crew from Lindsay having to be sent for.
