## IN THE SPRING

Every one should take a Blood Purifier and Blood Builder to free your system of impurities accumulated during the winter months. These impurities if not removed from the circulation gradually form poisons which deteriorate the condition of the blood and allow other diseases to obtain a more ready entrance to the system. Pure blood is essential to good health. Good health is everything. For spring-time lassitude, pimples, rashes, and all impure conditions of the blood we recommend

**NYAL BLOOD PURIFIER**  
\$1.00 a bottle.

## FARM DEAL OF SOME MAGNITUDE

Russians Assume \$112,000 Liability

Last week Mr. Isaac Pike of Beth-  
esda, took several of the Russian  
families from this locality to Mark-  
ham, where the main body of them  
entrained for Western Canada to  
take up farm lands.

Seven families from this section  
have undertaken what looks like a  
gigantic task, and to some of the  
local Mennonites it looks almost like  
an impossibility. These families  
have banded together and purchased  
2800 acres of land south of Winni-  
peg, at \$40 per acre, totalling \$112-  
000, which also includes the stock  
on the place, consisting of 80 cattle,  
(some only yearlings,) forty horses,  
one tractor, one threshing outfit,  
sufficient implements, and all neces-  
sary seed grain for this spring plant-  
ing. There is on the property four  
barns and four houses.

As there was no initial payment,  
the interest charges alone will ex-  
ceed \$6000 the first year.

It is said that these families are  
willing workers, but even then their  
financial obligation is so great that  
only a bumper crop would put them  
away to anything like a fair start  
this year. However, we all wish  
them well, and it can be said of them  
that if it is a possible undertaking  
at all, these are the people to make  
it go.

## COUNCILLORS MEET TO DISCUSS S. L.

In an effort to arrive at a better  
understanding of the provisions in-  
volved in the "Highways Improve-  
ment Act," passed last year by the  
Legislature, and as applied to the  
townships of Markham, Whitchurch,  
King, Vaughan and Gwillimbury, the  
councils of these municipalities met  
J. A. Macvicar, of the Highways De-  
partment, at Aurora, Monday after-  
noon, and threshed out the matter  
pro and con. Reeve Tom Legge, of  
Aurora, was in the chair, and the  
meeting was harmonious, though  
spirited.

Under the provisions of the act as  
at present constituted, all munic-  
ipalities in order to participate in  
the Government bonus, are obliged  
to do away with the statute labor  
plan of other years, and adopt the  
new system of a government super-  
intendent, named by the township  
councils, and in the building of new  
highways conform to a certain stand-  
ard. This the township of Whit-  
church has so far declined to do,  
thereby forfeiting the grant or  
bonus, which in the case of road  
construction amounts to 30 per cent.  
of the outlay, and in the case of  
the road superintendent, 50 per cent.  
of the total.

Though passed in 1924, the "High-  
ways Improvement Act" is only now  
being enforced for the first time, and  
objection was taken to the new  
regulation by Reeve Morgan Baker  
of Whitchurch, and ex-Warden  
Seneca Baker, on the ground that  
the pioneer work having been car-  
ried out locally the system sought  
by the department would add un-  
necessarily to the cost of the munic-  
ipalities and take away the right  
of self-government.

Mr. Macvicar stated that the govern-  
ment was desirous of building to  
a standard, that the system of  
statute labor had outlived its use-  
fulness and that under the new rul-  
ing, infinitely better results would  
be obtained. Others present favored  
the new plan, so long as the control  
of the highways was centred in the  
township councils. Out of 386 munic-  
ipalities, less than 80 still retain  
statute labor in Ontario.

## SUTHERLAND-REIVE

The marriage of Jessie, youngest  
daughter of the late Mr. and Mrs. W.  
N. Sutherland, Toronto, to Howard  
Sloan Reive, son of the late Mr. and  
Mrs. T. B. Reive, Markham, took place  
quietly in St. James' Square church  
parlors, Toronto, Wednesday, Mar.  
11th. The Rev. D. N. Morden officiated.  
Promptly at 3 o'clock to the strains  
of Lohengrin's wedding  
march, the bride who was unattend-  
ed entered on the arm of her  
brother, Mr. Davidson Sutherland,  
and wore a becoming ensemble  
costume of russet pasha cloth, trimmed  
with beaver, and a tulle hat to  
match. After the wedding ceremony  
a buffet supper was served at the  
home of the bride, 21 Rose Ave. Mr.  
and Mrs. Reive left on the afternoon  
train for New York, sailing from  
there for Jamaica and Panama and  
on their return will reside in Mark-  
ham.

Under the new liquor laws now  
being brought into force by Premier  
Ferguson, there is no change in the  
penalty for the first offence of the  
bootlegger, but a second offence  
means a jail term without option,  
and in addition a fine may be im-  
posed.

Mr. and Mrs. N. E. Reesor cele-  
brated the 50th anniversary of their  
marriage on Tuesday, March 17th,  
at the old homestead, lot 11, 10th  
line, Markham, which has been in  
possession of the family for over a  
century. About fifty or sixty near  
relatives and friends gathered to  
offer congratulations.

## WRECKING CHURCH

Work of demolishing the Baptist  
church building on Main street, east,  
commenced on Monday morning. The  
material will be taken to the site of  
the new church on the corner of  
Main St. and O'Brien Ave., where it  
will be used in the erection of the  
new structure, which will be about  
40x70 or 80 in size, of concrete and  
brick. The removal of the old  
church takes away one of the fam-  
iliar structures in Stouffville. It  
was built fifty-one years ago, when just  
a few of the present worshippers were  
young members of the church and  
Sunday School. The estimated cost  
of new building is around \$14000, of  
which \$8,600 is now subscribed.  
The building committee is composed  
of Isaac Boadway, Henry Brillinger,  
W. Waddell and John Turner.

## TWENTY YEARS AGO

From the Tribune file of April 27,  
1905

Richard P. Chapman of Bethesda  
died suddenly in his 61st year.

Butter sold today for 21-22c.  
pound, and eggs at 12c. dozen.

Pearson's orchestra plays at Ewer's  
restaurant every Saturday night.

Mr. Lud. Wideman disposed of six  
beautiful monuments in as many  
days.

Stouffville Fire Brigade will hold  
a firemen's demonstration concert on  
May 24th.

D. W. Heise and Peter Steckley  
are advertising the customary notice  
to creditors in connection with the  
estate of the late Lydia Stover, late  
of the Township of Markham.

Rev. C. H. Hainer organized special  
Easter services in the Christian  
church. Crowded congregations were  
the result. The Baptist and Presby-  
terian young people, assisted in the  
service.

The local farmers are indignant  
about the manner automobiles are  
travelling the roads, and are delig-  
hted over the bill now being enacted  
in the Ontario Legislature.

It requires that the automobile  
shall be brought to a complete stop  
when meeting a horse-drawn vehi-  
cle, at least one hundred feet away  
from it; and that it shall not move  
again until either the horse, has  
passed it or its driver has signalled  
his consent. If the horse is "frac-  
tious", the driver can demand that  
the motor car be ditched, and he can  
also require the man in the motor  
car to help him to get his horse  
safely past it. All this will tend to  
give the motorist the exercise he  
needs after riding so rapidly through  
the fresh air. If he comes up behind  
a horse-drawn vehicle, his case is to  
be even harder. Then he must stay  
behind until the man with horse  
signals him that he may pass. And  
he must stay a hundred feet behind  
where the gasoline odor will not in-  
convenience the driver. Should the  
man in advance be in no hurry and  
have an objection to gasoline fumes  
from an automobile in the rear,  
the motorist is likely to break no  
records while dawdling along behind  
his farm wagon waiting for his per-  
mission to pass.

Direct Toll Service to Toronto

The latest development in long  
distance telephone operating is the  
extension of the Toronto direct toll  
service zone to include Stouffville  
and other places in this district.  
This will mean that, on station-to-  
station calls from Stouffville to To-  
ronto, placing the call with a long  
distance operator is unnecessary. A  
Stouffville subscriber has only to say  
to the operator who first answers  
him, "Toronto Gladstone 4567,"  
or whatever the number may be. He  
will keep the receiver off the hook  
as on a local call and the connection  
will be established without any time  
being lost.

This service is also available from  
Toronto to Stouffville. The rates  
are graded according to the distance  
from Toronto. Stouffville is in the  
twenty-five cent zone, with an initial  
conversation period of three minutes.  
It is expected that this new facility  
of conversation with the city will do  
much to promote the unity which is  
so essential to the proper develop-  
ment of a prosperous metropolitan  
area.

A large crowd is expected in  
Stouffville on Saturday for the big  
ring sale of horses and cattle. Nearly  
100 head in all will be offered at the  
Mansion House Yards.

**MARRIED**  
Norton—Roberts — At "Pleasant  
View", Goodwood, on March 18th,  
1925, Mr. Walter Norton of Ux-  
bridge Twp. and Miss Florence  
Roberts of Markham Twp. were  
united in Holy wedlock by the  
Rev. Thomas Legate.

**DEATHS**  
Frisby—At Box Grove, on Friday,  
March 13th, Charlotte Tram, be-  
loved wife of John Frisby, in her  
76th year.

Sanderson—On Wednesday, March  
the 18th, at the residence of her  
son-in-law, Mr. E. Collard, White  
Rose, Elizabeth Brady, widow of  
the late John Sanderson, in her  
83rd year.

## WAR VETERAN PASSES BEYOND

We regret to announce the death  
of Murray Miliken Pijper of Lemon-  
ville who passed away at Hamilton,  
on Friday, March 20th, in his 27th  
year. News that he was in a critical  
condition reached Lemonville on  
Wednesday and his father Mr. J.  
Pijper immediately left for Hamil-  
ton and remained with Murray until  
the end.

Murray enlisted with the Signal  
Corps in Ottawa in 1917, but after  
reaching England was transferred to  
the Princess Pats and with his bat-  
talion he was among the first to enter  
France, after this town had been  
evacuated by the Germans during  
the closing stages of the war, and  
with them he returned to Canada in  
March 1919. For a while after his  
return he worked among the neigh-  
bors around home. During this time  
he loyally served the church to  
which he belonged, the Baker Hill  
Baptist church by regularly teaching  
a class in the Sunday school until  
his health which had been so weak-  
ened by his war experiences, com-  
pelled him to give up work. Through  
the good influence and assistance of  
the G.W.V.A. he was admitted to  
the Mountain Sanatorium at Hamil-  
ton, where everything possible was  
done for his recovery and where he  
remained until his death. His  
patience in suffering and his loyalty  
to Christian ideals is borne witness  
to by all who knew him.

The funeral took place at Baker  
Hill church on Sunday, March 22nd,  
and was in charge of Rev. C. E. Mc-  
Leod of Stouffville, who preached an  
appropriate sermon from Phil. 1-21  
"For me to live is Christ and to die  
is gain." A large and sympathetic  
audience had gathered to pay their  
last respect to one who had been  
held in high esteem by all who knew  
him. The pall-bearers were mem-  
bers of the G.W.V.A. which Associa-  
tion had undertaken all the funeral  
arrangements. Floral tributes were  
placed upon the casket by the  
family, the G.W.V.A., the nurses of  
the Sanatorium, the Young People's  
League of Lemonville, and Mr. G.  
Johnson of Pefferlaw. Murray  
leaves to mourn his loss his father,  
John Pijper, Miss Ferne and Ken-  
neth at home, and Walter in Stouff-  
ville.

**NEW IDEA IN MERCHANDISING**

ator dealer, Frank Baker, has ad-  
opted, in co-operation with hundreds  
of other dealers handling the same  
product, a new merchandising policy.

The second advertising message  
appears in this issue and the bal-  
ance of a series of interesting ad-  
vertisements will appear weekly dur-  
ing the next few months.

This new policy in merchandising  
the original Belgium Made Melotte,  
which has enjoyed an enviable re-  
putation here and throughout the  
world for more than thirty years, is

est calibre, who see a wonderful  
future in this stable product.
