MILK PRODUCERS TO ORGANIZE HERE

DAIRYMEN TO ORGANIZE LOCAL
In an effort to form a local association of milk producers in Markham Township and vicinity, a public meeting is being called for Findlay's Hall, Unionville, on Tuesday, April 7th, at 2 o'clock.

Many local farmers have felt for some time that a local association would prove a great benefit to the shippers here, especially when so many are in the milk business. Other sections adjoining Toronto and Hamilton which are not regarded as nearly so important dairy sections, see fit to have local associations affiliated with the Ontario Milk Producers' Association, so why should it not be good business in Markham and Whitechurch.

Deputy-Reeve John R. Campbell and Mr. Roy H. Crosby are taking the initiative in getting the farmers together.

AS A FARMER

A gathering of farmer Jews from all over Ontario, was held in Toronto last Sunday, for the purpose of organizing these people in the farm industry.

Mr. Jos. Borinsky, the local creameryman, he it said, is also a yeoman, for he owns a couple of hundred acres at Vivian, and he was honored with a place on the executive of the new organization.

It has been urged that the Canadian farmer Jews take up blocks of land in Western Canada, and thus have the advantage of a Jewish community, but the idea never gained much popularity.

The Toronto meeting was held in the Holy Blossom Synagogue.

MATCH FACTORY TO BE WOUND UP

Chief Justice Meredith in Toronto on Tuesday, made an order winding up the Continental Match Company of Aurora, incorporated in 1920. The stock issued was \$225,000, which is impaired to upwards of \$150,000. The company has never operated. An explosion wrecked its factory last December before the equipment was complete. When E. E. Shorttill, the practical man behind the concern, was killed.

The uncompleted building, which cost \$48,000 to erect would not bring more than \$30,000 or \$40,000. The petition was granted on the application of Fred G. O'Brien, M. P.P., representing W. A. Manning, who is the holder of a promissory note for \$2,000; and who is also a shareholder to the extent of \$8,750.

LEMONVILLE

Mrs. Kirby is improving in health we are glad to state.

A. H. Raymer and family moved to Stouffville on Wednesday. They will be missed in this section where the family have been located for 48 years. Lemonville people wish them long life and happiness in their new home.

Glad to see George McKuen home again, following an operation on his feet, at the Toronto General Hospital. The neighbors kindly gathered last Thursday and cut George's wood pile for him. His appreciation is beyond expression, and he surely feels it is good to live among thoughtful neighbors.

There passed away last Friday, William Cook, at the home of his brother, Albert, following a short illness, from pneumonia. Deceased was 69 years of age, and a son of the late Joseph Cook. Rev. Mr. Burgess conducted the funeral service on Monday, the remains being taken to Heise Hill cemetery for interment.

VICTORIA SQUARE

The "low-tre" contagion and the mumps according to rumor have hit us. The latter is most to be feared as it is very inconvenient.

The ladies of the Methodist church gave a tea and concert Monday evening. There was a fair turnout and everyone enjoyed the evening.

Saturday evening, 28th, the baseball club held a program and euchre party. About 60 were present and enjoyed a happy evening. Miss Mollie Collard won first for ladies in games and lone hands, and H. Collard won gent's first prize. Mr. Harry Nichols' gent's first for lone hands, while Messrs. Ross Nichols, F. Brumwell and Miss L. Gee won the consolations.

The comedy-drama "Backbone", presented under the auspices of the League was well received last Thursday evening. There was a fine audience and the cast performed their parts admirably. Miss E. Mortson and Mr. J. Frisby as Mrs. and Mr. Easton, furnished lots of fun. Indeed the two plays "In need of a Servant", and "Backbone", furnished a good evening's program. Miss McCague gave two excellent solos and R. E. and C. P. Sanderson made a hit with their songs. Rev. Mr. Warren was chairman. Between the second and third acts the young people through. Rev. Mr. Warren presented the director, M. A. Hitchcock with a Coleman lamp.

CONFER ON LOCAL CHURCH UNION

In view of the fact that the Methodist and Presbyterian church congregations of this town will come into the United Church of Canada after the tenth of June, steps are being taken to ascertain whether the two congregations shall worship under one roof after that date.

On Tuesday evening at a meeting of the Board of Management of the Presbyterian church, a committee composed of Dr. Smith, chairman, Geo. Urquhart, Frank Rae, Martin Tait, F. R. Crawford and Lloyd Turner, was appointed to meet a committee from the Methodist Board, when it is understood the matter of merging the two congregations will be discussed.

As soon as the Methodist Board select their committee it is expected that several conferences will be held.

The service at the Methodist church next Sunday evening will be conducted by the women of the congregation, as an Easter service.

An enjoyable evening was spent on Monday at the home of F. Bentley. There being plenty of music and games. The party terminated in the morning early.

We hear that Ronald was surprised that the boys could not get their instruments gathered up to give him a tune. Goodwood is always slow, but we are beginning to wake up.

JESSIE BECAME JESSICA

A story is being told of a young lady near Claremont who went to a boarding school. On the farm she was always known as "Jessie", but about the third letter she wrote home was signed "Jessica." Brother Tom replied to her letter: "Dear Jessica—Dadica and Mamica have gone to visit Aunt Livvica. Uncle Jimica is talking of buying a new machinica, but he doesn't know whether to buy a Fordica or Chevica. The old cowlica had a calfica. I was going to call it Nellica, but I changed it to Jimica, because it was a bullica.
