

Now \$105 Less

**Recent Price Reductions make Overland World's Lowest Priced FOUR-DOOR SEDAN**

with Sliding Gear Transmission

THIS beautiful five-passenger Sedan which showed an amazing sales increase of 72 per cent last year—is to-day \$105 less in price.

The same high quality and complete equipment are maintained. The Overland four-door Sedan is now not only the "World's Lowest Priced four-door Sedan with sliding gear transmission" but is the World's Greatest Value.

Overland's original "23 big-car advantages" continue to be engineered into this splendid car, as into the entire Overland line.

Bigger power—disc clutch—extra large, removable axle shafts—oversize brakes—comfortable Triplex Springs—big economy—are only a few of the advanced features that are making Overland such an outstanding success.

Competitive dealers and salesmen everywhere are questioning whether Willys-Overland can continue to produce such remarkable cars at such remarkably low prices. But let Willys-Overland worry about that!

See these cars today. Long, easy terms if desired.

In the death of Mrs. John Fergie, sr., which took place on Friday, April 3rd, Claremont has lost one of its oldest and most respected citizens. Born in Cumminston, Aberdeenshire, Scotland, in 1841, she came to Canada with her parents, the late Mr. and Mrs. James Duncan, and settled near Cherrywood, Ont., in the year 1856. She married John Fergie, who was also a native of Aberdeenshire, in 1859. After living near Cherrywood for a time they moved to the old farm homestead near Claremont, where they lived until they retired from farming, in 1897, and moved to the village where she lived until her death. Her husband predeceased her twenty-one years, also one son and one daughter. Mrs. Fergie is survived by two sons and five daughters, as well as a great many grandchildren and great grandchildren. Her surviving children are Wm. of Mt. Forest and John of Claremont, also Mrs. I. Neal, Mrs. R. Carson, Jennie and Annie of Claremont and Mrs. H. J. Stevens of Ochre River, Man. The deceased had been a lifelong member of the Presbyterian church and her kind and sympathetic disposition endeared her to all those who had the pleasure of her acquaintance. The sympathy of the community is extended to the family in their bereavement.

**Your Best Insurance is GYPROC**

PROTECTION against fire. Protection against cold drafts, vermin, repairs, deterioration—these are only a few advantages Gyproc gives your farm. Gyproc is fireproof wall-board made of solid rock. It comes in convenient ceiling-high sections that can be sawed and nailed like lumber. Light and easy to handle. Gyproc is durable and permanent. No repairs are ever necessary. Yet the cost of construction is less than lumber because Gyproc can be applied in half the time. Ask your carpenter or builders' supply agent about Gyproc.
