YORK FREE FROM DEBT.

The Tribune has just received
from the Bureau of Municipal
Affairs, issued by the Provincial
Secretary's Dept. of Ontario, a copy
of the municipal statistics for On-
tario. In the County of York there
are 25 municipalities, divided 12
Townships, 7 villages and 6 towns.
(This is exclusive of the city of To-
ronto which is also in the County.)
There are only four municipalities
entirely free from debenture debt,
namely the Townships of East York
and Whitechurch, the villages of For-
est Hill and Holland Landing. In
the case of East York and Forest
Hill they were so new when the re-
port was out in Dec. 1923, that they
scarcely had time to impose taxation.
In the rank of big debt that of
York Township carries the heaviest,
which is quite the reverse of its
name, sake. East York has a
municipal debt of \$3,424,733 and a
school debt of \$2,184,783.

None of the older settled town-
ships are in the enviable position of
Whitechurch, which has up to now
fought free of debenture debt. Some-
times, however, its a good thing to
go into debt and many municipalities
have reaped big benefits by doing so.
In the case of Stouffville we carry
a debenture liability of \$24,442
municipal, and \$22,228 school, and
still we are one of the lowest
taxed towns in Ontario. Our people
in the past went into debt for a
water system which is now a paying
investment, and just recently we
issued more debenture for a hydro
system which is also making us
money.

to be at the Sunday service, but
business did not permit.

S. R. Copland, of Mimico Township
lost track of one of his turkeys on
the 18th of January last. He thought
it had been stolen or had crawled
away and died. On the twenty-first
of March his boy was hunting eggs
in the barn. There was a likely spot
behind some hay close to the silo so
he crawled in and was surprised to
see the head of a turkey protruding
above the pile. He called his father
and they dug the bird out, it being
able to walk back to the other fowl,
and is in the best of health now and
laying eggs. It had subsisted on
nothing but what hay it could pick
up all that time and also had no
water to drink. It had crawled in
between the hay now and the silo
and could not turn nor back out be-
cause of its feathers. The bird
weighed 15 pounds when it got into
its prison and 7 pounds. Was its
weight when it came out.—Harris-
ton Review.

MANY ODDFELLOWS BRAVE THE HEAT

Those who were Oddfellows and
at the same time members of the
Masonic order, experienced a very
busy and warm time last Sunday
afternoon, as they attended both
the service at the Christian church,
and the funeral of the late N. E.
Smith, which immediately followed.
The church service was not as large-
ly attended because of the funeral,
however, the service seemed to be
enjoyed by all present.

The organist played a voluntary
as the members of the order were
entering the church. Two anthems
were, not only well rendered by the
choir, but were most appropriate for
the service. The pastor, Rev. E.
Morton, after reading a few verses
from 1 John 4, where the writer
seemed to be greatly inspired with
the thought of love, took the
Eleventh verse as a text, and spoke
of the subject of love. He referred
to God's love to man, and man's
love to God, and man's love to his
fellow-man. The speaker mentioned
the brotherly and friendly spirit
manifested among the members of
the Oddfellow Society; and said
that spirit of brotherly helpfulness
is what the church needs to possess,
in conjunction with her worship
toward God, and service for human-
ity. "If God so loved us, we ought
also to love one another."

Following the service, the Oddfel-
lows, headed by the band, paraded
to the cemetery. Here the graves of
ten departed members of the
order were fittingly decorated by the
placing of flowers on each grave. The
ritual ceremony of the order was
read by Messrs. Sam McKuen, N.G.,
and John H. Ratcliff, chaplain. The
band rendered a beautiful selection
fitting to the occasion which added
to the dignity and interest of the
whole proceedings. Visiting brethren
were present from Whitevale and
Markham, but the number was not
so great as on other years, owing to
the extreme heat of the day.

NINTH LINE MARKHAM

Mr. Ham has purchased a new
Overland car.

Miss E. Blair of Toronto, is home
with her parents.

Mr. Blair is improving the appear-
ance of his place by a new fence.

Mrs. Stouffer returned home after
spending a few days with relatives
in Toronto.

A number from this line attended
the raising last Thursday at Mr.
Spofford's on the tenth.

The trustees of our school have
put up a new fence at the front,
which makes a great improvement.

Truman Eagleson and his sister
have returned from London, where
they attended the graduation cere-
monies of Mr. Eagleson's brother.

THE LATE N.E. SMITH

After being a sufferer from chronic
nerve and spinal trouble which ren-
dered him almost helpless for the
past seventeen years, death came as
a welcome release to Nelson Edwin
Smith, the well-known auctioneer of
this territory of twenty years ago.
Mr. Smith died at his home in Stouff-
ville on Friday afternoon, June 5th,
1925, following a gradual weaken-
ing of ten days previous.

The late Mr. Smith was born 72
years ago last Jan. 18th at Bogart-
town, in the extreme north of Whit-
church Township, the eldest son of
the late Frank and Mary Smith,
farmers. N. E. Smith learned the
auctioneering with the late Salem
Eckhardt of Unionville, and soon
came to the front in this line of
business, for he was a big success
as an auctioneer, commanding a
large patronage. Forty-six years
ago he married Jane Guthrie,
daughter of the late Wm. Guthrie,
of Stouffville. They first located
at Ringwood, and to this union was
born three daughters, Mrs. Ira Lott
of Milton, and Misses Hattie and
Mamie of Toronto. There are two
grandchildren. The late Mr. Smith
is also survived by two brothers and
three sisters, being Oliver Smith of
Baliantrae, and Frank of Cleveland,
also Mrs. Carrie Ranger, of Charle-
voix, Mich., Mrs. Wm. Oser of Beld-
ing, Mich., and Mrs. Henry Zuelch,
of Fargo, Mich.

The funeral on Sunday was very
largely attended, being under direc-
tion of Richardson Masonic Lodge,
while the service was in charge of
Rev. Mr. Gibbons, rector of the local
Anglican church. Interment took
place at Stouffville cemetery.

A WARM SESSION WEATHER TO BLAME

There was a very light bill of fare
for the council to dispose off at the
regular June meeting on Friday
evening last. This was surely for-
tunate for all the councillors came
to the meeting with one exception,
wearing linen collars, despite a tem-
perature of nearly 85 degrees in the
council rooms. Reeve Silvester pre-
sided, and Councillor Sanders for-
sook the balmy breezes at Lakeview
House, Jackson's Point, long enough
to grace the council chamber. Coun-
cillors Borinsky, Silversides and
Cleaver were all there. The chief
order of business was the passing of
accounts for material and labor ren-
dered the municipality. The reeve
announced that the new signs to be
placed at the east and west entrances
of the town were now ready to be
hung, and requested the council to
decide on a proper location for them.
The cost of paint and artist work
amounted to \$31., and was passed
for payment. E. Penneck was voted
the modest sum of \$0c. for entertain-
ing 2 tramps and seeing that they
wasted no time in reaching the
next town. The remaining accounts
which were authorized for payment
are as follows:

J.S. Dougherty, postage, etc. \$ 3.35
J. Gower, cutting weeds 3.00
J. Silversides, labor 27.00
F. Cockerill, labor 33.60

REV. H. S. WARREN
The final draft made by the Sta-
tioning Committee of the Toronto
Methodist Conference has again
changed the personnel of the Min-
isterial Association of this Uxbridge
District. Instead of Rev. A. E. Owen
coming to Stouffville as announced
last week, he will go to Uxbridge,
and Rev. Herbert S. Warren of Rich-
mond Hill, will replace Rev. G. E.
Coulter in Stouffville. Mr. Coulter
goes to Allandale which is virtually
a part of Barrie.

Rev. C. W. Watch, chairman of
this district is put on the superan-
nuation list, and in this the United
Church of Canada loses a capable
and active minister, whose ability
may be recognized in some branch
of the new church, there being much
executive work to be done.

NO APPEALS ON ASSESSMENT

Prior to the regular June meeting
of the Stouffville municipal council
on Friday evening, the members
and reeve met at a Court of Revision
to hear appeals against the assess-
ment made this spring by Assessor
H. Perry. If any ratapayers were
dissatisfied with their assessment
they must now hold their peace, as
not a single protest or appeal was
lodged. The only work the Court
had to do was to confirm the roll as
presented to them. There are 186
children between the ages of 5 and
16, which is regarded as the school
age.

The assessment this year is virtu-
ally the same as that of 1924, ex-
cepting where improvements were
made, and then it is necessary under
the law to put on a boost if the prop-
erty was not too highly assessed
before improvements. The actual
increase in the total assessment
amounts to \$11,000, mostly made
up by new properties. While the
population is not going up in leaps
and bounds, it is at least stable, and
stands at 1086.

We have \$66,500 of the assess-
ment exempt from taxation. This
is divided \$40,000 against our town
school, and \$6,600 against the mun-
icipal buildings. It would not be
any use collecting taxes from these
properties, as the ratapayers would
only be taking it out of one pocket
and putting it in another. The law
takes the same view regarding church-
es, and as a consequence the seven
church properties in Stouffville are
exempt from taxation, totalling \$19,-
300.

KNOWLEDGE REACHES US THROUGH THE EYE

All through our life, much of our
enjoyment and most of our knowl-
edge has been gained by active use
of the eyes.
We use our eyes so constantly,
we neglect them so shamefully that
the slightest defect, if let go, can
become a very serious matter affect-
ing our whole lives.
A little attention now may work
wonders. Why not let us examine
your eyes this week?
