NO one would build with old-fashioned lathes and plaster if he knew the advantages of Gyproc. Gyproc is fireproof wallboard made of solid rock. It is cheaper than lumber, twice as durable and much more satisfactory. Gyproc Walls and Ceilings are permanent, strong, light, easy to handle—pure rock, yet it saws like wood.

Read the listed advantages of Gyproc Fireproof Wallboard in this advertisement. Then ask your dealer about it.

CLAREMONT
N. Burton of Woodstock, is here this week.
Luther Doves of Peterboro, spent a day last week with his mother, Mrs. Readman.
Amos Sharrard of Toronto, is spending a few days with friends here and at Green River.

The park committee had a splendid turnout at their celebration and concert, realizing over \$600 on June 3rd. Mr. W. E. N. Sinclair, our M.P.P. graced the occasion with his presence. He also donated to the park fund. F. M. Cooper and Len. Pikey had a large tent on the grounds, demonstrating their wares.
Hutchinson—On the 6th of May, in the town of Seaforth, there passed to eternal rest one of God's great gentlemen, not great in the sense of worldly renown, but great in all those qualities of mind and heart and life which constitute real greatness. Foster Hutchinson, a one-time resident of Pickering and Claremont was born in the County of Durham, February 17th, 1841, and was therefore in his 85th year. He was the last member of a large and long-lived family, consisting of ten members, six boys and four girls, each of whom lived to a good old age—the combined ages of all being within a few days of \$17 years, or an average of almost \$2 years, a remarkable record for such a large number. Each one of the ten was a total abstainer and a consecrated member of the church. Brother Hutchinson was predeceased by his wife, Margaret Ann Lawrence, a most loveable and noble woman, in 1911, and also by five of his six children, the sixth one now living being Mrs. Charles Adams of Seaforth. Thus Brother Hutchinson was tried as by fire, but this only brought out the beauty and greatness of his character, for no man could be more highly respected. Old friends here regret his passing away.

The Profits Lies In The Finish

IT PAYS to market cattle with the proper degree of finish. A quality product always commands a premium and is readily saleable at a profitable price. If you have stock which needs a little more time for finishing, and the feed is scarce, see the local manager of the Standard Bank. It is a simple matter to arrange a loan to carry the stock until a favorable market warrants a profitable sale.
