

"GOLD NUGGETS"
Subject of Notable Lecture at
Coming Chautauqua

H. TRUMAN GORDON.

H. Truman Gordon, well-known lecturer, will be heard at the coming Chautauqua in his interesting lecture "Gold Nuggets." This lecture is not only replete with illuminating facts relative to our individual and native interests, but is brimful of inspiration to higher and better things. It discusses the questions in which everyone is vitally interested and should prove a powerful incentive for progress in any community. It will make for better citizenship and truer loyalty to the nation, home, school and church.

GYPROC your attic

If you need more house room don't build costly additions. Just Gyproc your attic. Gyproc—the solid rock fireproof wallboard—will transform it into a warm, beautiful, livable third story.
Then, when you've finished the attic, start on other rooms. The results will be so gratifying that you will not be satisfied until the whole house is Gyproced. For further interesting facts see
