**A FATAL ACCIDENT WITH THE CHURCHES**

When the auto of Ralph Shank, 102 Federal Avenue, Buffalo, returning from a summer home at Markham, overturned in a ditch near Clarkson, on Sunday, July 26th, water from the engine fatally scalded little Marion Shank, aged 2. Despite the efforts of the doctors, one of whom gave his blood in an endeavor to save her, the child died early next morning at the Hospital for Sick Children.

The accident happened at Clarkson at 7:30 Sunday night, when Mr. Shank, turning out to pass a truck on the highway, saw another car approaching. Realizing he could not turn in again in time, and rather than take a head-on collision, he swerved into the ditch, where the car—a Ford touring—turned over on its right side.

Mr. and Mrs. Shank and their two little children were in the front seat, but all were uninjured by the actual capsize of the car.

**CLAREMONT**  
Twenty Past Masters of Brougham Union Lodge, A.F. & A.M., attended the Masonic Grand Lodge which met at Hamilton. Part of the consignment had a rather interesting time in reaching their destination. Two large cars were sent from Toronto to take them to Hamilton, but after travelling for a considerable time the drivers found themselves in Sunderland. Two large Cadillac cars were then sent out from Toronto with instructions to be in Hamilton by 8 o'clock. They made the distance, over 80 miles, in a little more than two hours. In some stretches of the road the speedometer showed 75 miles per hour. Of course this is a secret and must not be mentioned as some one may get into trouble with the speed cop. Needless to say, the occupants did not urge greater speed. They got there 10 minutes behind schedule time.
