

LOCAL HAPPENINGS

Bethesda ice cream social tonight (Thursday).

Reduced prices on Counter check books. Lowest prices ever quoted Tribune office.

The Plymouth Brethren have erected a tent on the vacant lot belonging to Mrs. Latchford, corner Main and Victoria streets. Gospel meetings will be held.

There is nothing that advertises a town like a good weekly paper. Last week the papers published in Newmarket, Markham, Uxbridge, Barrie, Aurora, Shelburne and Oshawa copied some item out of The Tribune for which they gave this paper credit, and thereby published the name of Stouffville in many thousands of homes last week alone.

The annual financial report of the Stouffville Methodist church, now the United Church, for the year ending May 1st, was handed to the members last Sunday. It shows that all financial obligations were taken care of, and while there was no noticeable advance in the membership, the finances advanced sufficient to meet the increased expenditure of the year, attesting thereby the loyalty of the membership. The total monies raised for every purpose was over \$6500.

The world's best. The Sport model is now only \$30.00. It is a beauty. We also stock a lower priced C. C. M. wheel. A reliable, easy running, strong Bicycle for only \$37.00.

Let us fix your boy up now.

SILVESTER BROS

Stouffville Division Court, Monday August 31st.

Lost—A roll of bills containing around \$100. Liberal reward. Tribune office.

The Stouffville Band was one of three similar organizations which assisted in the tooting at the Lennox picnic on Monday. As usual thousands were in attendance and many from Stouffville went up to the lake for the day. The band has also been engaged to play this week at the Sutton horse show.

The Stouffville Baptist Sunday school picnic took place on Friday at Lake Musselman. As usual it was important as Christmas to the kiddies of which two heaping truck loads were carried to the scene of enjoyment. In addition to the list of games and the boating, candy scrambles added extra interest for the young folk.

Edwin Forsyth's team of greys were nearly struck by the Sutton train on Saturday. They were about to cross the track at the Main street crossing drawing a load of coal when the train suddenly came upon them, apparently unseen by the driver. He was just able to pull them back on their haunches to save them being struck by the engine. It was an exciting moment for horses, driver and onlookers.

Horticultural Show, Sept. 16th

Lost—Roller Colter, between Ch. Markham and Stouffville. Reward Tribune office.

Edward Brown, merchant, at Victoria Square and some years ago at Cashel, died on Saturday following a recent illness. Interment took place at Victoria Square on Tuesday.

The brick work being about completed, carpenters are placing the roof on the Baptist church. The rafters are all British Columbia wood, of unusual length, being 30 feet long, which will give a decided steep pitch to the roof.

If any one doubts the value of The Tribune as an advertising medium you can safely refer them to Eli Mairi of the 8th concession of Whitchurch, who recently sold seven pigs and a cow from a three line ad. which cost him only 35¢.

There will be a full musical service by the men of the Business Men's Bible Class, Uxbridge, in the United Church here next Sunday evening. Mr. T. G. Gold, teacher of the class, will preach the sermon. The class orchestra and soloists will assist.

Next Saturday at 3 o'clock Stouffville will play Newmarket in baseball, and the return game will be played in Stouffville on Wednesday, Aug. 12th. As Newmarket are the winners and Stouffville the "runners-up" in the York Baseball League, these games are for possession of the King Cup, donated for teams in such standing.

Mr. Norman Hoover whose barn 50x96 in size, was totally destroyed by fire on July 28th, has let a contract for the erection of a new steel structure to be placed on the old foundation which had not been destroyed. The order for the new building was given to Thos. Brown of Markham, and after the material is placed on the ground, the erection is supposed to occupy a period of only fourteen days. Repairs have now been made to the foundation and the debris has been cleared away in readiness for building operations.

At the regular meeting of the Stouffville Horticultural Society last week, it was decided to hold the second annual exhibition of the organization on Wednesday, Sept. 16th. Mr. H. O. Klinck, the president, presided over the meeting, and it was decided to adopt the prize list of last year, to which a number of new sections will be added. The splendid show of last year will be an inspiration to the officers and the citizens in general to attain even greater things this year.

Another heavy storm passed over this district on Friday night last and thoroughly drenched the outstanding crops. The alike suffered considerably from the heavy down pour, although some farmers had this crop in the barn. The fine weather this week has enabled the farmers to make big strides towards gathering in the sheaves and threshing which will shortly be in order. It is likely to reveal a good yield in most grains.

The Walkerton Telescope truthfully says: "More and more it seems that the old fashioned custom of spending Sunday quietly and going to church and Sunday school is being thrown aside by many otherwise careful living people in favor of the pleasures of the auto. To get the wife and children in the car and sail away for a pleasant holiday is the idea now. It is not the children but the parents who are responsible for this new-fangled way of spending the Sabbath. It means a good time for everybody, but the old-fashioned Sunday is sacrificed. Surely we lose something worth while when we allow ourselves to drift away from the best traditions we have inherited from the fine old pioneers of this country."

After an illness of some 15 months the death took place on Monday, August 3rd, 1925, of David Stover, at the Newmarket hospital. The funeral on Wednesday was held from the home of his brother, Elias, on Church street, Stouffville, to the Reesor Mennonite church and cemetery, on the south townline of Markham Township. The late Mr. Stover was born in Pickering Township at the old homestead near Cherrywood, and all his long life of 71 years was spent in Pickering and Markham Townships as a farmer. He was a man of unusual quiet disposition and always remained a bachelor. Eight surviving brothers and sisters are as follows: Brothers—Simeon, the eldest, and Elias, Benjamin and Levi. Sisters—Mrs. Mathena Burkholder of Indiana, Miss Susan Stover of Markham Township, Mrs. Esther Cook of Whitchurch, and Mrs. Fannie Hare of Markham Township.

Sealed tenders are being asked for carrying the rural mail from Stouffville, to Ringwood, Bethesda, Lemonville and the intervening mail boxes, the computed distance for the round trip being 21 miles. The present carrier is Thos. Blackwell.

During the past week a number of tourist campers patronized the local free camping grounds at Memorial park. There should be a register kept so that visitors may record their visit, and at the same time offer any suggestions as to improvements that should be made for the comfort of the tourist.

Harvey Coulson, milk truck driver of Markham Township, narrowly escaped injury at the Unicorville railway crossing on Tuesday. The train struck the front end of the truck, as Coulson endeavored to stop his car, after seeing the train. He escaped uninjured, but the truck suffered considerably. His view of the track for any great distance was obstructed by a hedge.

As a result of being struck on the lip with a halter or bridle some years ago, Mr. Joan Lewis, successor to J. J. Rae in the grocery business here, suffered an injury which more or less bothered him to this day, and last week he entered the General hospital to have the sore spot removed. The operation was highly successful and Mr. Lewis is again home, gradually recovering from the shock of the operation.

Charlie Lintner, the 13-year-old son of Edw. Lintner, local blacksmith, was shot through the right foot on Monday, when he attempted to lift a gun into an automobile. The gun slipped from the lad's hand, and striking the ground, it discharged. The bullet lodged in the foot, but was removed later in the day at the Oshawa hospital, and Charlie is now recovering nicely. At the time of the accident the boy was visiting at the home of his grandparents in Cherrywood.

On Thursday, July 30th, Mrs. Geo. Robinson, one of our esteemed residents living in the centre of the town, reached the 77th anniversary of her birth. Although Mrs. Robinson didn't make the fact known, somehow the information leaked out, and as a consequence complimentary messages were conveyed to her in no small numbers by post and in a personal way. Also the Liberal Club of which Mrs. Robinson is the eldest member, completely surprised Mrs. Robinson by presenting her with a neat gift, emblematic of their good will and esteem. Mrs. Robinson is as bright and smart as many people at sixty.

Favored with weather conditions on Civic holiday that could hardly have been improved upon, our citizens turned out in large numbers to enjoy the day. It was the first holiday of the present summer season, when the weather conditions were perfect, and the citizens took the fullest advantage of the opportunities that it gave to participate in many ways of pleasant outings. From dawn to dusk there was cloudless sky, the brightest of summer sunshine, and the temperature was just right for the time of the year. Some of those who remained in town on Civic holiday state that it was the quietest day they ever experienced here. The day being warm most of our citizens went to some lake shore for a picnic. Those who stayed at home kept well off the main street.

Stouffville Girl's baseball team are springing into prominence by their speedy playing and ability to carry off the most coveted prizes. Last Saturday the girls attended the Catholic picnic at Richmond Hill and won first prize in the ball tournament, it being \$25. In the first draw they almost whitewashed Langstaff, winning by 30 to 2, and in the second round they drew the bye. Then they played for the championship against Maple, a fast team which had never been beaten this season. Stouffville pointed the way to them by the score of 12 to 10. The line-up—Florence Elson p., Rena Hare c., Eleanor White 1b., Marguerite Hodges 2b., Nora Tarr 3b., Blanch Slack s.s., Gertrude Dennie, Ivy Saunders, Helen Thorn, fielders. The girls go to Maple this Saturday and would appreciate more support by the citizens. How about it?
