GETS 33RD DEGREE

We notice by the Pittsburgh Post that Chas. Wesley Flint, who was born in Stouffville, a son of the late George Flint, Jr., and who received his early schooling here, was one of 82 candidates in Masonry to receive the thirty-third and last degree of the Ancient Accepted Scottish Rite in the Pittsburgh Masonic Temple. Thirteen States were represented by the men upon whom the final degree in Masonry was conferred. Charles Flint is, as most of our readers know, Chancellor of Syracuse University, and it is with a good deal of interest and satisfaction that his many friends in the town of his nativity learn of his advancement in the science of Masonry.

SUES COUNTY FOR \$10,000 LEG BROKEN IN ACCIDENT

Thos. A. Smith versus the County of York came up in hearing last week in Toronto. "What do you charge against the county?" asked Chief Justice R. Meredith of S. Jennings, counsel for the plaintiff. "Nonfeasance and misfeasance," replied counsel. "Ah! a highway accident," said his Lordship.

Smith claimed \$10,000 by reason of a fractured leg suffered in an automobile accident, between Beaverton and Sutton when the driver turned to avoid another car, and went into the ditch. The road narrowed at that point, the gravel was loose at the edge of the road, and the ditch was full of weeds, said Smith.

"Full of weeds," echoed his Lordship, "that would make it softer for you when you came down."

Cross-examined by T. H. Lennox, K.C., plaintiff admitted that the car had a great deal of engine trouble, and that the journey home was two and a half hours late.

95,254 COPIES SOLD

At the regular monthly meeting of the Board of the Upper Canada Bible Society, held this week, a report was presented by the Secretary giving statistics of the Scriptures sold by the society at their booth in connection with the Canadian National Exhibition. A total of 3,605 Bibles, Testaments and portions and 1600 motto cards were circulated, for which \$1,282.36 was received over the counter as cash sales, an increase of \$259.70 over last year's effort.

A comparative statement of the circulation of the Scriptures in the territory covered by the Upper Canada Bible Society also was presented, showing that for eight months to Aug. 31, 1925, 95,254 copies of the Scriptures were sold, an increase of 13,068, or approximately 16 per cent over a corresponding period in 1924.

Stouffville and district have an objective of \$1000, and collectors are now at work.

Three of our Stouffville citizens have already declared their intention of taking out Life Membership in the Society. At least two others are prospective members. As this is the 40th anniversary of the printing of the first testament in English, can we not add several more to this list? Persons wishing to get complimentary tickets to the Massey Hall rally to hear Robt. E. Speer on Sept. 30, should apply immediately to the secretary, H. O. Klinck.

FLOODS EXCEED SPRING FRESHETS

The heaviest rain storm in years, accompanied with lightning, passed over this section of Ontario early on Friday morning. Before the break of day rain came down in torrents, and while the lightning kept up almost a continual illumination, there was little serious damage done. Many of our citizens found they were the possessors of "wet cellars," something strongly protested in the past, but this wasn't of their making. In the business section, it required rafts to get across the basement without wet feet. The rain was so heavy that it placed it poured down the chimneys and spoiled the paper on the walls.

Many bridges were washed out and creeks flooded over worse than during the spring freshets.

Out at Ringwood the water rose above the level of the road, and flooded the highway in a manner, old timers state, not witnessed there in forty years.

The telephone in the house of Wm. Ratcliff, Springhurst Farm, Whitchurch, was fired by lightning. Smoke omitted from the instrument, but the fire was put out promptly. In front of John Brown's place at Lemonville two telephone poles were badly splintered.

On the farm of Carl Reesor, 5th concession, Markham Tp., two cows were killed, while one animal was of John H. Robinson, lot 31, con. 8, Markham.

Watch for posters giving further particulars. The public cordially invited to come, and hear the issues of the day discussed.

HOW FIRES STARTED

C. H. Cowan, Deputy Fire Marshal for Ontario, has just completed an investigation into the cause of serious farm buildings fires at the farms of J. W. Crozier, J. D. Lambert and E. R. Guy, in the Township of Reach and East and West Whitby all of which took place recently within a few days of each other, stated that all three fires were caused by spontaneous combustion due to the fact that hay and grains were placed in the mow and loft too soon after cutting, some being insufficiently cured.

In each case the owners of the farm buildings or neighbors heard rumblings like thunder, before the flames burst out, bearing out the fact that spontaneous combustion had caused the fires. The Deputy Fire Marshal was sent down to the Crozier fire near Manchester by Fire Marshal Heaton on request of the owner and he will make a report to him. The aggregate loss of the three farmers is estimated at over \$50,000. There was no evidence to establish incendiarism.

Stouffville is Mr. Von-Buseck's birth place, he being a son of the late Albert Von-Buseck who migrated from Germany about 1850, landing first in the States. In 1880 he located in Markham as a harness maker, where he married a daughter of the late Henry Wismer and after a few years moved to Stouffville, where he carried on business until his death. Theodore located in business in Sunderland, but retired a few years ago. Mr. VonBuseck called at The Tribune office, to intimate that he would like to see something done to fix up the neglected part of the Stouffville cemetery.

Fred Mowder is opening a dairy business in the west end, to be known as "The Snowwhite". Next week Stouffville will have two dairies.

Aurora War Memorial will be unveiled on Oct. 3rd at 3 p.m., by Lieut. Governor Cocksbut. Reeve Baker of Whitchurch, will be among the speakers.

UNIONVILLE RESENTS

An attempt is being made in Unionville to work up an agitation against Markham Township Councilors, for consenting to assume the 6th concession line, after being built by the County. A despatch from Unionville says:

"What promises to be a live campaign issue at the next municipal elections in Markham Township is the action of the township council, in the abandonment of the 6th concession of Markham, from Lot 10 to Ringwood, a distance of approximately eight miles. That the township can or will maintain the highway in its present high-class condition, is not regarded as feasible or probable on account of the heavy cost entailed.

The proposal to take over the 6th concession to the townline between Markham and Whitchurch, and the adoption of the 4th concession in the scheme adds to the feeling of resentment with which the scheme is viewed. For ordinary farm traffic the present roads are said to be all that the farming community demands, while the cost of upkeep is negligible compared with the proposed highways.

That the township council allowed the scheme to go through the county council without registering a vigorous protest will, it is considered certain, precipitate an election for every office, including that of reeve. It is charged that once the principle of abandoning a road built by the Toronto and York Highway Commission is accepted there is no assurance that any part of the system may be thrown back on the local municipality."

SIXTH LINE (Markham Second) BAPTIST CHURCH

Last Sunday evening the ordinance of believer's baptism was observed before a large congregation. Pastor W. G. Brown of the Orangeville Baptist Church, who was one of the leaders in the recent Alton revival in which more than six score souls stepped out for Christ and a new church came into being overnight, was the preacher of the evening. "The Choice" was his subject: "Jesus or Barabbas—which?" Pastor Brown is a grandson of the Rev. J. B. Moore who occupied the same pulpit and preached to some people more than a half century ago.

The people responded well to the freewill offering for the new lighting system and we are in hopes of having it installed and ready for Sunday.

The subjects for the coming Sunday are as follows: 11 a.m.—"How to get people saved—a Bible Method" 7 p.m.—"Worthless Religion"

The Sixth Line church, at their last business meeting invited the present pastor, Mr. W. S. Whitcombe B.A., to remain with them.
