One of the young men of town was summoned to appear before Magistrate Branton last week, charged with riding a bicycle on the sidewalk and using his jaw bone in an offensive way when reprimanded. A town bylaw forbids riding on the sidewalks, and others should take warning unless they also wish to contribute a ten spot to the exchequer.

A former resident of Stouffville, remembered by our oldest people, passed away in Toronto last week in the person of Mrs. J. F. Glennie. Deceased was 83 years of age, and when here lived on Church street. Of late years she resided with her daughter, Mrs. Stronach. Miss Glennie was born in Scotland, and was a member of College street Presbyterian Church, in connection with the United Church of Canada.

At the close of the service of the Missionary Society of the Christian church, at the home of Mrs. Lawson, Church street, last Friday night, her daughter, Dorothy Lawson, who went to Normal this week, was given a great surprise, when she listened to an address read by Miss Gladys Dougherty, after which, there were given to Dorothy, a club bag, a Boston bag, and a hand bag; all to help carry her burdens while absent from us. Miss Lawson has always been a great helper in church work. She has best wishes from her host of friends.

In our report of the automobile accident in front of Monkhouse's tailoring shop on Sept. 20th, we didn't attach the blame to any particular party for the collision. Mr. Vincent Wagg, who drove the horse and buggy which collided with the car, wishes it understood that he was not in any way in the wrong. He states that he saw the car and, while it came along very slowly straight for his horse, he fully expected the driver would turn to the side which he failed to do. Mr. Wagg has been reimbursed for the damage caused to his buggy and harness.

Judging from the prices received at the auction sale of the goods and chattels of the late Wm. Pearson, sold on the farm near Goodwood last week, prices for farm implements and stock will range high this fall. Although this was a very small sale, the total receipts amounted to \$1700. There were three small parcels of land offered and disposed of on the spot. Miss Martha Pearson bought the 12 1/2 acres at lot 7, con. 4, for \$425, Edgar Stark bought 5 acres at lot 9, con. 3, for \$95, and Arthur Pearson bought the 25 acres at lot 7, con. 3, for \$500, all in Uxbridge Township. There were no buildings on these properties and only one piece of land looked capable of raising a crop, that being the second parcel sold. F. W. Silversides welded the hammer.

The annual Conference of the Mennonite Brethren in Christ convened last week at Vineland, Ont. Many have said it was the best they ever attended. Not many changes were made by the stationing committee, and Revs. Bricker and Goudie were re-elected as Presiding Elders.

A most generous offer made by Mr. J. B. Shantz of Kitchener, Ont. was read and accepted. He offers to purchase a camp-ground just outside the Kitchener city limits and one at Stayner, Ont., for the church on very easy terms.

There will be two camp meetings held next summer, one on each of the above mentioned camp grounds, on the following dates: Stayner, June 30th-July 7th. Kitchener, July 14-21. A good deal of time was taken in planning for some real definite church extension work.

Next annual Conference will be held at Stouffville.

The weather man was smiling kindly for the second annual rural school fair at Stouffville on Tuesday of this week, and this made Manager R. J. Rogers and his staff from Newmarket smile too, as well as the hundreds of children. Although a record fair was held here last year, the exhibits were well up to the high mark set on that occasion, and the quality, in the opinion of the judges, is the best they had seen at any of the York County fairs this season.

The display of vegetables, flowers, etc., were shown in the curling rink, while the other attractions were put on in the park. The five stock could still be improved in the number of contestants, but there was some improvement shown over last year.

The fact that pupils' names were on their entry cards, was the subject of much comment, but the judges being entire strangers in the section, names meant nothing to them. Those who did the judging were Messrs. Rogers, McCharles, French and Mrs. Shorey, all of Newmarket, and Mr. Fenley of Peel County.

Bert Silverthorn and Norman Reesor of S.S. No. 22, won the stock judging competition, and thereby a two day free trip to the Royal Winter Fair. In the junior public speaking contest Luella Gayman won first and Jack Barkey, second. In the senior contest Eric Collard won first, Margaret Grove second, and Walter Cowie third.

Complete list of prize winners in our next issue.

BALLANTRAE
The members and adherents of the Ballantrae (Methodist) church, hope to have their harvest home day on Sunday, Sept. 27th. The church will for this occasion be nicely decorated and, to give brightness to the day, a special choir from Toronto is expected; also special speakers from Toronto, will preach and take charge of the whole service. Those that have heard this choir and these speakers will know that we are right when we expect a day of spiritual uplift. In order to give people from surrounding churches an opportunity to attend and yet not to interfere with their own services, there will be only one service on the Sunday mentioned, and that will be at 10.30 in the morning. All are kindly invited and to come early.

Sale "Paper" Must be Sound

When the last animal has passed through the auction ring, when every implement of the farm equipment has been sold, what then? The vast majority of farm auction sales are conducted on a credit basis, but if the sale is to be counted a success, a trained banking expert must pass judgment upon the soundness of all settlements.
